"Show Boat" and Band Parent's Day Hits

Last Saturday Ursinus students let their hair down on the lawn of the Women's Quad to help celebrate Parent's Day. Pam Ricci and Sid Hoeksema were co-chairmen of the event, advised by Mrs. Karl Poley. The theme of "Show Boat" was apt. The music extended as far back as the 1920's and progressed to our present decade with selections from Godspell and Kissed from eighty-eight slides published; and they are concerned with hula. Marsteller To Publish Constellation Slides

Written by Ruth von Kummer

Mr. Walter Marsteller, an associate professor of Physics at Ursinus, is having a set of one hundred and two slides published, and he expects it will be out this year. They are concerned with the constellations of the Northern and Southern Hemispheres. The one hundred and two slides are comprised from eighty-eight constellations. Accompanying each slide is a chart which gives the particular information on the side.

The work entitled A World of Stars differs from most star journals because his slides present various parts of the sky at the same brightness that the human eye would view them. Unlike other journals, their brightness is not magnified.

The slides were photographed in Trapp's Mill, PA, and in Classland. It was done in 1969, taking about six weeks to gain the results needed from the Southern Hemisphere stars. Problems confronted Mr. Marsteller and his wife as they had to fight quick developing storms. The slides of New Zea...

**Art Review**

By CATHY McCRARY

If there is anywhere the Ursinus campus who hasn’t yet noticed the value of the Performing Arts Center, a visit to Donald R. Cate, the British actor who has an interesting and refreshingly different approach to art. Mr. Cate is currently appearing in the musical "A Midsummer Night’s Dream" at the Moore College of Art in Philadelphia. His unique style of acting and his ability to capture the essence of the characters he plays have impressed audiences throughout the country.

Mr. Cate's performance is a breath of fresh air, with his ability to bring his characters to life. His portrayal of the character of Lysander in "A Midsummer Night’s Dream" is particularly impressive. He manages to capture the essence of the character, while also bringing a unique twist to his portrayal. His ability to connect with the audience and bring them into the world of the play is truly remarkable.

Mr. Cate's performance is not limited to his acting skills. His physicality and his ability to use his body to convey his emotions and ideas are also impressive. His commitment to his craft is evident in every moment of his performance.

Mr. Cate's performance is a testament to the power of art and the importance of the arts in our lives. His ability to connect with his audience and bring them into the world of the play is a reminder of the transformative power of art. Mr. Cate's performance is a must-see for anyone who appreciates the power of the arts.

KILT KLAAD'S KOMMENT:  
Seasons Are Near End  

**BY THE GANG**

The Varsity and JV lacrosse teams traveled to Towson, Mary- 
land on Saturday, May 4th. Both teams came home triumphant- 
ly with a varsity game score of 13-5 and a JV score of 10-1. We 
did however, have just a bit of trouble getting to the game on 
time because, about a mile from Towson State, the bus de- 
serted that three hours on the road was long enough. On May 7, the inevitable rematch between West Chester and Ursinus was played, this time at West Chester. Unfortunately for U.C., West Chester happened to score more goals than the Ursinus Beavers. The Varsity score was 9-4 and the JV

Last Thursday, the Beavers trav- 

eled to "Trenton" (this time by car), only to find that we would

not be playing on a normal lacrosse field but on a New Jersey cow past- 

ure. The Varsity team proceeded to shut out Trenton with a score 
of 28-0. The JV team was sched- 

uled to play... However, with ten 

minutes to go in the Varsity game, 
it began to downpour and the sec- 

ond game was cancelled. Standing- 

ing in pouring rain is always the best 
way to spend a Thursday after- 

noon!

The last game of the 1974 la- 

crosse season is scheduled for 
Tuesday, May 13th at East Rorov- 

burg. We are confident that both 
teams will finish the season on a 

positive note. Good luck and a 

special thanks to seniors Sally

**NEW SPECIAL STUDENTS (Continued from Page 1, Col. 2)**

L. Leveque, Director of the 

Evening and Summer Sessions.

To be eligible to take courses, 
the high school students must be rec- 

ommended by their guidance coun- 
trolors and approved by the College 

Admissions Committee. It is 

expected that these students will 
take such courses as Engish Composi- 
tion or History of Western Civiliza- 
tion. They will be limited to their 
selection to those courses not al- 
ready filled by regular full-time 
tudents.

However, Dr. Leveque expects 
to have a good number of high 

school and those persons aged 
62 and over participating in the 

program.

Students taking part in half-
price will not be eligible for any 
other financial aid from the Col- 
lege, and will be limited to 100 

sessions.

However, students may later be 

able to become degree candidates by 

enrolling in a full-time program, 

although acceptance in the reduced 

rate program does not assure ad- 
mission to the degree program at 

U.S.

More details are available from 
the Admissions Office.

**TENNIS**

The tennis team completed their 
schedule with an impressive 7-2 

record. The seven wins were against 

Temple, Montgomery Coun- 

ty Community College, Bryn 

Mawr, Glassboro, Swarthmore, Gettys- 

burg, and Ursinus. West Che- 

ster and University of Delaware 
were the two disappointing losses.

The JV's had their only match 

against Cedar Crest College and 

faced an unexpectedly tough team. The only notables that won were the doubles team of Jean Lichten- 

walder and Peggy Gaul. The JV match against Moravian got rained 

out (Boil).

Seniors that will be leaving the 
team are Joby Winans, Peggy Ev- 
rans, and co-captain Jean Folsom.

On April 29, Ursinus hosted Del- 
aware Valley and Howard Col- 
leges in what best could be de- 
scribed as a duel match with Dela-
ware Valley, a rather tough team of 

runners watching on from their books. 

Delaware Valley gave me what I 

thought was a chance to see up- 

close the performance of a fresh- 
man and one I had not seen before, 

in competition. Another rather 

unsuspected competitor was head- 

line senior Bruce Tomesh. His 

regular "ace" of sorts would be to 

racing the combined efforts of Al- 

Bartholomew, Brad Brewer, and 

Bruce Gault. The exceptional form 

of True (another one-lapper) was 

consistently matched with the 

strengths of freshman 

John Gilmour, Karl (The Dutch) Crepp and Matt Montgomery and Mackenzie U.C. stretched 

barely head and shoulders in the 

most unremarkable finish.

Those last two names demand 

more space than you see here:

many of the team points but 

more importantly they lend a
