The Grizzly Details

Congratulations to our new 2018-2019 Staff Assembly Officers!

President: Jennifer Kuklantz

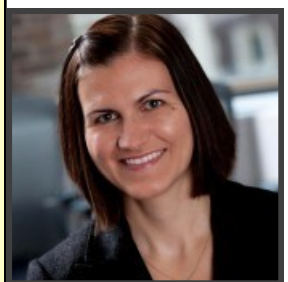

Jennifer started her Ursinus journey in March of 2015 with a BFA in Graphic Design from Temple's Tyler School of Art. Many of you know her from the Copy Center or Facilities front desk. What you might not know about Jennifer is that she has three daughters, one is a current Junior on campus, an awesome husband of 20+ years and several chickens, fish, chinchillas and a pug. She was a girl scout leader for 10 years and has also been certified in bartending and scuba diving. (Gotta do something on the weekends!)

What you probably do know about her is that she is very competitive as seen by her entering various campus contests. She recently won the title of Masskrugstemmen Champion in NYC. (That's german for stein holding and yes, it is a thing.) She is looking forward to fulfilling her term as President by listening, engaging and hopefully making a difference for fellow staff members all while having a bit of fun!

Vice President: Nicole Smith

Nicole started at Ursinus in January 2018 and works as an Administrative Assistant working for the Dean's Office, Math and Computer Science Department, Physics Department, and the Institutional Review Board (IRB). She is excited for this opportunity to engage the staff through Staff Assembly and help make changes on campus so this continues to be a place we all love to work!

Treasurer: Jacqueline D'Ercole

Jacqui has been a member of the Advancement Office staff since 2013, when she joined Ursinus from the University of Pennsylvania. While her day job has her managing the donor relations, stewardship, communications and operations efforts of the Advancement Office, she is looking forward to serving the broader Ursinus staff community as Treasurer of Staff Assembly. She is admittedly not so gifted at math; however, she has an innate passion for labor relations. She is also a member of the Staff Affairs Subcommittee of Staff Assembly. In her free time, Jacqui enjoys horseback riding and is a member of the Pickering Hunt Pony Club. She also enjoys reading, music, movies, television, and catering to the endless demands of her three cats and one dog.

Secretary Position Wanted!

Do you want to be part of the Staff Assembly Executive Board? Are you a skilled note-taker? Well, here is your chance! If you are interested in the secretary position please contact Jennifer Kuklantz or Nicole Smith.

Campus Talks

Staff Assembly is sponsoring Campus Talks this semester, which will be held every other Friday from 12:00 to 2:00 in the Faculty/Staff Dining Room starting on **September 7**.

The purpose of these Campus Talks is to create a space where faculty and staff from different departments can meet and discuss common topics of interest. These talks are meant to be informal drops-ins. Participants can arrive at any point during the two hours and stay for as long as they want. Facilitators will be there to suggest talking points and keep the conversation on topic but the discussions are largely participant-driven.

The hope is that these Campus Talks will facilitate cross-campus relationship building and collaborative brainstorming. Participants are encouraged to stay in contact with those they meet at the Campus Talks to continue the conversation and follow up on ideas generated.
