THE FIGHT SONG

Fight, Ursinus! Fight, Ursinus!
Fight against the foe.
Wave the colors, wave them boldly,
As we onward go.
Rah, Rah, Rah!

In the battle, in the battle,
With Ursinus might;
Iron men of old Ursinus,
Fight, fight, fight!

CAMPUS SONG

When the shades of evening gather,
Ursinus students hie
To the soft greensward campus,
For a time their books laid by;
And the parting rifts of sunlight,
As they linger soft and long,
Shed a hallowed gleam of gladness
On our merriment and song.

Now the glees of old Ursinus
Peal across the downy green,
From Memorial to Olevian
Span the distance far between.
And the walls of dear old Freeland
The reverberations fling,
From the East Wing to the Dog House,
As our voices loudly ring.

Then across the Perkiomen
The chimings wing their flight.
Till beyond the farflung hilltops
They kiss heaven's dome of light.

(All Freshmen must know this song by
Founder's Day)

COLLEGEVILLE, PA.
THE POLICY OF URSINUS IN ATHLETICS

In the new playing field with its gridiron and diamond, the quarter-mile running track, the two hundred and twenty yards straightaway, the grounds for field events, the hockey field, the six new tennis courts and the new gymnasium providing facilities for basketball and other indoor games, Ursinus College is now in position to realize more fully her policy for athletics which embraces the following:

1. The superb equipment, matching in excellence that which the College provides for its academic work and its domestic life, is indicative, in itself, of the high value which Ursinus places upon athletics as a means toward complete education.

2. In the variety of the facilities placed at the service of this department is set forth the intent of the College that all students shall engage in athletics, each taking up the forms of sport to which he is temperamentally inclined and for which he is physically adapted.

3. The care with which the equipment has been planned and constructed, everything being according to standard specifications, indicates the intent of the College that exceptional skill shall suffer no handicaps but that those who can make and break records shall have the chance to do so on our home grounds.

4. Competition in the future, as in the past, shall be open to all on equal terms. Every athlete shall be encouraged to do his best and shall have full credit for his achievements.

5. All athletes engaging in sports involving team-work shall ever be taught that individual honor and ambition takes its highest form only when the interests of the team as a whole and of the College it represents are uppermost.

6. Intercollegiate matches will be arranged with a view, on the financial side, to merely supporting and not commercializing athletics. The purpose shall be to promote friendly intercourse with sister colleges and to stimulate interest in the great sports on the home grounds.

7. Sport for its own sake, and play for pure enjoyment, yielding refreshment for the mind, invigoration for the body and happy recreation for the soul, keeping the entire nature at its best, should actuate every athletic endeavor.

GEORGE L. OMWAKE,
President of the College.
