# Ursinus College

1931 - 1970

Friday night, May 22, 1970; at the Holiday Inn  
in King-of-Prussia.

We are proud of her record;

we admire her accomplishments;

we are grateful for her contributions;

but tonight we pay tribute to the woman--

fancier of handsome cocker spaniels. . . relaxes  
at Lake of the Woods. . . "Snell on wheels" on the  
highway. . . halting laugh and warm humor. . .  
incongruous combination of perfectionist and  
procrastinator. . . Pendleton dresser. . . has  
been known to be late. . . dabbles in house and  
landscape design. . . mixes a mean cocktail. . .  
innate gentleness matched with the love of fierce  
competition. . . "ap-pa-ra'-tus is preferred". . .  
teacher. . . coach. . . friend.

"There is no final way to judge the worth of a teacher except in terms of  
the lives of those he has taught."

--Robert F. Goheen
