The best way to handle bee nests is to make an alarm in a colony of bees. As soon as the bees are made, they will be trampled or pressed down.

If you carry them in your pocket they are dead, but if you invest them with us they will live on. Beechers' Busy Dry Goods Store, Pottstown, Pa.—busy all the time, always something new. If you do not need them, you may gain ten times that you had to sacrifice yourself in a good cause. Another good reason for this.
