Dear Miss Snell:

Please permit me to join your friends and former students in wishing you the best of everything as your retire from the faculty of Ursinus College.

Your achievements in the winning column must be the envy of every athletic coach in the country. I am sure you are proud of them, but perhaps even more proud of the training and inspiration that you have given to so many fine young women. I am sure you will be remembered always by them. This, then, is your proudest achievement of all.

Best of luck to you for a happy retirement.

Sincerely,

Hugh Scott  
United States Senator
