A Word of Appreciation

A brief item appearing elsewhere in this issue states that Dorothy Thomas Shelley '35 has resigned the position of Editor of the Alumni Journal.

The brevity of that announcement is in direct contrast to the magnitude of the service which Mrs. Shelley has rendered to the Alumni Association through her conscientious work during the five year period of her editorship. During that period of time, she has presented to the alumni of Ursinus an interesting and highly readable publication.

During the war years, in particular, the Alumni Journal, under Mrs. Shelley's guidance, performed a function of great value to the men and women of Ursinus who served in the armed forces. Many of them agree that receiving the Alumni Journal at their posts of duty was like getting a letter from home, and that the Journal made it possible, during that period, for them to keep in touch with many classmates and friends with whom they would otherwise have lost contact.

For a task which has been performed in an admirable manner, the Alumni Journal expresses to Mrs. Shelley its deep appreciation.

Old Timers' Day

Right now is the time to encircle the date Saturday, November 15, on your calendar. That is the date which has been set for Old Timers' Day.

Full details concerning the program for that day are not as yet available. However, we do know that one of the main attractions, the football game in the afternoon, will find Franklin and Marshall, an ancient and worthy foe, furnishing the opposition for the Bear gridders, and that the annual soccer game between the College team and a team of alumni is scheduled for the morning.

In the Next Issue

The College architect, working in conjunction with the Committee on Long Term Planning of the Board of Directors, has developed a comprehensive plan for the future development of the College campus.

Feeling that this plan will be of interest to Ursinus alumni, the Alumni Journal plans to feature in the next issue a two-page layout of the architect's conception of how the campus will look, if, as and when the additional buildings indicated thereon are authorized and erected. We think that the plan will, to say the least, stir the imagination of those who are familiar with the campus as it now exists.

There is still time to order your copy of the forthcoming edition of the "Alumni Register."

Price: $1.25 per copy.

THE EDITOR
Alumni Register
Ursinus College
Collegeville, Pa.
The seventy-eighth academic year, now ended, was a successful year. Both Faculty and students did excellent work. We closed with the largest enrollment in our history—a total of nearly 900. Of this number, 600 were resident students and nearly 300 were day students. Of the 600 resident students 223 (37%) came to Ursinus from some twenty states other than Pennsylvania and from several foreign countries. The Freshman Class next September is limited to 250 students, who have been selected from many hundreds of well-prepared applicants. Those who hope to enter Ursinus in September, 1948, should at once write the Registrar for information and application blanks. We shall be able to admit only a small percentage of those who apply.

The present Faculty is the largest and, I believe, the best in our history. At a time when colleges and universities have a large turnover in the teaching staff, it is noteworthy and gratifying that Ursinus has lost very few members of the Faculty in recent years. The Faculty for the coming year will be twenty percent larger than ever before.

The new gymnasium now being built near the Thompson-Gay Gymnasium will probably be completed before November. We regret that the erection of the first units of the women's residence halls must await more favorable building conditions and increased building funds.

The Ursinus Women's Club, which through the years has served the College generously in many ways, this year completed one more important project, namely, the payment of the total cost of purchasing, redecorating, and furnishing the residence hall for women at 612 Main Street (next to Shreiner Hall). On June 7, 1947, the Board of Directors, at the request of the Ursinus Women's Club, named this building Duryea Hall, in honor of the Duryea family and especially in honor of Mrs. W. Harvey Johnson (Rhea E. Duryea, Class of 1908), who is the first president of the Women's Club (1914) and the first woman to be elected (1928) to the Board of Directors of the College.

The growing interest and support of the alumni and others are most encouraging. During the fiscal year that ended June 30, 1947, Ursinus College received in gifts and bequests a total of $92,000. The bequests include the following: from the estate of Miss Thekla Ida Scheer, to establish a scholarship in memory of her father, the Reverend George A. Scheer, A.B. (1876), D.D. (1902), the sum of $5,000; from the estate of Dean W. A. Kline, Class of 1893, for the women's residence halls, the sum of $10,000; from the estate of Dr. Charles Murtha, Class of 1886, for scholarships, the sum of $20,000. We have not yet received from the estate of Dr. Matthew Beardwood the bequest of $25,000 for women's residence halls, nor have we received from the estate of David Laucks Hain the bequest of $75,000 for the endowment of a professorship in science.

Gifts received during the fiscal year that ended June 30, 1947, total $57,000, of which the alumni contributed $35,000. Some of these gifts provide annuities to the donors. We welcome gifts of this kind, and I shall be glad to discuss this type of gift with alumni who are interested. The contributions of the alumni to the Loyalty Fund this year are much larger than ever before. This generous response is especially helpful at a time when costs are rising and when Ursinus is challenged to provide educational opportunities for a larger number of students.

All who wish Ursinus well must be grateful to the Board of Directors, to the Faculty, to the students, and to the loyal Alumni who have worked unselfishly to make the seventy-eighth academic year one of the best years in our history.

July 3, 1947

N. E. McClure
The report of the Special Committee was laid on the table after a lengthy discussion, and the Alumni Association went on record as expressing confidence in the present College administration at the annual meeting of the Alumni Association held in Bomberger Hall on Saturday, June 7.

The Special Committee had been appointed from the Alumni Association to inquire into the circumstances underlying the presentation of a petition, prepared by fourteen student organization leaders and signed by 375 students, which listed a series of complaints concerning conditions at the College. The student petition was read before the Alumni Association meeting on June 29, 1946.

During the course of discussion on the Special Committee's report, the Alumni Association heard a report prepared by a committee from the Board of Directors of the College which addressed itself to the same matters as did the Special Committee, and received the assurance of a representative of the Board of Directors that a statement in the nature of an answer to the report of the Special Committee would be prepared and distributed to the Ursinus alumni.

The report of the Special Committee was presented by a Committee member, Alfred C. Alsopach, Esq. '33. Mr. Alsopach explained that the Special Committee had heard testimony concerning the complaints enumerated in the student petition, and that after the Special Committee's report had been compiled, the Committee had conferred with the aforementioned committee of the Board of Directors in April, 1947. Mr. Alsopach then moved that the Alumni Association accept and adopt the Special Committee's report.

Chester Robbins '13, a member of the Board of Directors elected by the Alumni Association, then asked to present to the Association the report of the Board committee, of which he was a member. He stated that the Board committee had examined the specific complaints of the student petition, and that at the joint meeting with the Special Committee, the Board committee had heard the Special Committee's report with interest and shock.

Mr. Robbins went on to say that inasmuch as the Board committee had heard only the conclusions of the Special Committee, and not direct statements of witnesses, the Board committee felt that certain matters mentioned in the Special Committee's report should be investigated further. He said that the Special Committee's report contained certain inaccurate statements which are contrary to written records, and that the entire report of the Special Committee should be checked against available record information to determine its accuracy. Mr. Robbins said that this would be done, and that a statement in answer to the report of the Special Committee would be distributed to Ursinus alumni.

As examples of inaccuracies in the report of the Special Committee, Mr. Robbins said that written records did not bear out the statement contained therein that regular faculty meetings had been discontinued over a period of years; and he further stated, concerning the statement in the report of the Special Committee that the proposed conferring of an honorary degree upon a former faculty member had not been voted upon by the Honorary Degrees Committee, that he had the word of two members of the Honorary Degrees Committee that they recalled being present when the proposed recipient's name was voted upon unfavorably.

Mr. Robbins then read a letter addressed to the Board of Directors by Dr. Wm. F. Philip, to the effect that the writer did not consider the College administration to be autocratic, and that decisions made by the administration which were referred to in his statement before the Special Committee were probably correct ones. Mr. Robbins also read a letter signed by thirty-four members of the College faculty, which expressed confidence in the Board of Directors and in the College administration.*

In response to a question from the floor, Mr. Robbins stated that while the letter was undated, it reached him approximately May 28, 1947. The report of the Board committee was then read to the Association by Mr. Robbins.* He said that the Board of Directors had voted that the committee proposed in the Board committee report be appointed. He further stated that the Board will continue to support the present administration, but will maintain a judicial attitude and be prepared to receive suggestions from alumni and give them due consideration.

Rev. John Lentz '02 then took the floor to deny that portion of the Special Committee's report which stated that he had offered to serve as College pastor without remuneration.

A motion was carried that a committee from the Alumni Association be appointed to work with the committee of the Board of Directors which was proposed in the Board committee's report. Walter R. Douthett '12 moved that the Special Committee's report be laid on the table without qualification, and the motion was carried. Discussion of the report was concluded with a motion by Thomas Beddow '36 that the Alumni Association go on record as expressing confidence in the administration, which was carried.

*See following page for text.

Editor Resigns

Dorothy Thomas Shelley '35 has resigned the position of Editor of the Alumni Journal, effective with the issue which appeared in April of this year.

Mrs. Shelley had served as Editor since June, 1942.

Ursinus College Bulletin
(Editor's Note: Following are the complete texts of two of the communications, referred to in the article on the preceding page, which were read to the Alumni Association at the June 7 meeting).

Board Committee Report

The Committee is pleased to be able to report that it finds no evidence of financial or business mismanagement or misapplication of funds. Many of the incidents in the students' complaints are such as occur in the day-by-day administration of a college. Some of the incidents may be attributed to unsettled war conditions. Many of the complaints have already been corrected. Some of the complaints relate to the alleged undemocratic procedures of the administration. Before any judgment can be passed for failure in democratic administration, administrative policies and standards must be established whereby the administration can be measured and tested. The Committee, in listening to the witnesses, was struck by the fact that no clear line of authority exists, or, if it exists, those in authority do not understand it.

Your Committee believes it is the responsibility of the trustees to determine the fundamental administrative standards and policies according to which the administration, the faculty, and the student body are to exercise their responsibilities. These policies should be established after consultation with the administration, faculty members, students, alumni, and other interested parties and after a study of the administrative procedures in effect in other colleges.

Your committee would, therefore, recommend that a committee or committees be appointed to study these matters and report to the Board. Among the general questions to be studied are the following:

1. What is meant by "Democratic Administration of Colleges"? To What Extent is it Practicable and Desirable?
2. The Extent of the Participation of the Faculty in Administering the College.
3. The Extent of the Authority of the Students in Conducting their own Student Affairs.
4. Public Relations, including Representation.
5. The Definition of the Powers of the Officers of the College.

Pending an outcome of such a study, the Committee would recommend:

1. That the officers of the College hold frequent and regular meetings with student activity groups to discuss problems of mutual interest.

Faculty Letter

We, the undersigned members of the faculty of Ursinus College, wish to reiterate to the Board of Directors of the College our deep appreciation, expressed in the faculty resolution of November, 1945, for the able and farsighted manner in which the Board of Directors and the Administration have managed the affairs of the College during the difficult conditions which preceded, accompanied, and followed the War.

We wish also to express our gratitude for the provision made for our present and future welfare in the retirement program and the salary revision passed by the Board of Directors in the last two years.

We wish especially to assure you of our loyalty to the College and of our belief that it is progressing in sound policies wisely planned and executed. We deplore and do not join in the criticisms of the Board of Directors and the Administration that have been made by those who are uninformed or misinformation about the conditions at Ursinus and the special problems the College is facing. We believe that such criticism is unfair and is detrimental to the best interests of the College. This in no sense means that we wish to abridge or curtail the freedom of opinion and criticism which we enjoy.

Finally we wish to assure the Board of Directors and the Administration of our firm confidence that Ursinus College is destined under your leadership to make even more rapid progress in the immediate future than has been achieved in the past eleven years.

(Signed)

Student Union Chosen As War Memorial

The erection of a student union building on the Ursinus campus was chosen by the Alumni Association at the June 7 meeting as its project to commemorate the men and women of Ursinus who served in the armed forces during the Second World War.

Dr. Ernest C. Wagner ’10, Chairman of the War Memorial Committee, reported to the Association that of the several projects suggested, the student union building had met with the approval of a majority of alumni whom he and the members of his committee had contacted, and recommended that the Association undertake the project of erecting such a building. The Association accepted the Committee's recommendation, with the understanding that the project "be undertaken and completed by the alumni within a relatively short period of time".

Dr. Wagner stated that he had met with the Committee on Long-Term Planning of the Board of Directors on May 19, and that that committee had agreed to include a student union building in its overall plan for the expansion of the College, should the Alumni Association adopt it as a war memorial project.

Present estimates of the probable cost of the building range from $150,000 to $200,000.

The Alumni Association empowered the President of the Association to appoint a committee to undertake the project, and to proceed as necessary.

Women’s Club

The Ursinus Women’s Club has completed the project of purchasing, redecorating and furnishing the women’s residence hall at 612 Main Street, which has been named Duryea Hall in honor of Rhea Duryea Johnson ’08, a member of the Board of Directors of the College and the first president of the Women’s Club.

Melva Danchower Reentschler ’32, retiring President of the Women’s Club, announced the completion of the project to the Alumni Association at the June 7 meeting, and also announced that the Club had added 36 new members during the past year.

Mrs. Henry C. Henzel (Evelyn Glazer ’32), new President of the Women’s Club, also addressed the Association meeting and asked for the continued support of Ursinus women.
Dr. John Wentworth Clawson, who has been serving as Acting Dean of the College since the death of the late Dean Whorten A. Kline on November 20, 1946, was elected Dean of the College by the Board of Directors at its meeting on April 8.

Dean Clawson is the senior member of the College faculty, of which he has been a member since 1907, and is well known to the great majority of the alumni. As professor of mathematics and advisor to the Mathematics Group, he has led hundreds of Ursinusites into the realms of higher mathematics. He has been prominent in the councils of the faculty as a member of the Academic Council and the Committee on Admission and Standing, to name a few.

As he had long assisted the late Dean Kline in performing many functions of the Dean's work and was thoroughly conversant with the duties of the position, Dean Clawson was considered the logical person for the office he now holds. The Board of Directors has elected him to a two-year term of office.

Kuhrt Wieneke Named Coach of Football

Kuhrt Wieneke will direct the fortunes of the Grizzly gridders when the Bears open the season against Drexel on October 4. Wieneke succeeds "Pete" Stevens, resigned.

Coach Wieneke is a graduate of Springfield College, and obtained his master's degree in physical education from Penn State College in 1931. He coached football at Phoenixville High School for ten years, during which period his teams won seven Philadelphia Suburban High School championships.

From Phoenixville, Coach Wieneke moved to Norristown High School, where his first grid unit captured the Suburban crown. His service at Norristown was interrupted for a period of two years during the war, during which time he served as a Red Cross field director in North Africa and Italy. He returned to Norristown High School in 1945, and coached football there through the 1946 campaign.

In addition to his duties as football coach, Wieneke will also coach the Ursinus wrestling team. He had previously directed the Bear grapplers from 1934 through 1937.

Coach Wieneke and his wife and two children reside in Phoenixville.

(Campus to be Used for Astronomical Observation)

An agreement has been reached between Ursinus College and the Franklin Institute in Philadelphia for cooperative work in astronomical observation on the Ursinus campus.

The College will erect in the near future a pier and housing on the observation deck of Pfahler Hall in which the Franklin Institute will place a refractor telescope. The telescope, which was made by the late Elihu Thomson, one of America's greatest scientists, is about twelve feet in length and has a ten inch objective.

The telescope will be used by scientists of the Franklin Institute for astronomical observation and by the classes in astronomy at the College. If present plans mature, it will also be made available for the use of the general public at stated intervals. This will be done under the supervision of members of the College faculty and the staff of the Fels Planetarium at the Institute.

The observation deck of Pfahler Hall has been used several times in recent years by Dr. Charles P. Olivier, Director of the Flower Observatory of the University of Pennsylvania, and other astronomers of the Philadelphia area. It has been found very satisfactory for astronomical work because of the unobstructed view from the observation deck.

(Continued on page 12)
THREE FACULTY MEMBERS RETIRE

Three veteran members of the Ursinus faculty will retire from active status this summer and become emeritus professors. Because of the abnormal conditions entailed by the large enrollment, two of them will continue for the time being to render some service.

Professor Elizabeth Brett White will become Professor of History, Emeritus. A member of the Ursinus faculty since 1924, Dr. White was the first dean of women at Ursinus and served in that post from 1924 until 1939, when she retired to devote her whole efforts to her work as head of the History Department and advisor of the History-Social Science Group. She has long been active in sponsoring student activities, particularly the International Relations Club and the Rosicrucians, which she founded. Dr. White will make her home with her sister, Mrs. F. E. Taylor, in Shepherdstown, Pa.

Professor Martin Weaver Witmer will become Professor of English, Emeritus. Since he joined the Ursinus faculty in 1920, Professor Witmer has taught the arts of writing to more than a generation of classes. Besides acting as coach and sponsor of debating, Professor Witmer has served as Secretary of the Faculty for many years. During 1947-48 he will teach a course in advanced composition.

Associate Professor Jesse Shearer Heiges ’98 will become Professor of Education, Emeritus. Dr. Heiges returned to Ursinus in 1935 after a successful career as professor and dean at Shippensburg State Teachers’ College. Since the death of Associate Professor Eugene B. Michael, ’24 in November of 1944, Dr. Heiges has been Director of the Placement Bureau, and he will continue to head the Bureau during the coming year.

FOURTEEN MEMBERS ADDED TO FACULTY

President McClure has announced the following additions to the Faculty for the academic year 1947-48.

Dr. Harvey R. Vanderslice ’15 has been elected Professor of Education. Dr. Vanderslice did graduate work at the University of Pennsylvania, Columbia, N.Y.U., and Pittsburgh, receiving his Master of Arts at Pennsylvania. In 1934 his Alma Mater conferred on him the degree of Doctor of Pedagogy. Dr. Vanderslice has had extensive experience in administrative work in the secondary school system, serving as superintendent of schools at Aliquippa from 1926 to 1937 and at Coatesville from 1917 to 1926 and from 1939 to 1947. He has taught various aspects of education at Juniata, Geneva, and Pennsylvania State Colleges.

Dr. Allan Lake Rice has been elected Associate Professor of German. Dr. Rice is a graduate of the University of Pennsylvania, where he also pursued his graduate study, winning his Ph.D. in 1932. He taught at Princeton University from 1930 to 1936, acting as supervisor of elementary German courses there from 1934 to 1936. From 1936 until his election to the Ursinus faculty he was a member of the German department of the University of Pennsylvania, where he also supervised all elementary courses in German. During the War Dr. Rice served in the Navy from May, 1942, to December, 1945, with the rank of Lieutenant Commander. He was assistant naval attaché at Stockholm and at Helsinki.

Dr. Jessie Ashworth Miller has been appointed Lecturer in Sociology. In private life Mrs. Eugene H. Miller, wife of the Registrar and Associate Professor of Political Science, Dr. Miller is a graduate of the University of Maine and a member of Phi Beta Kappa there. She majored in sociology and economics at Maine. Dr. Miller took her M.A. at Clark University in 1930, and after teaching at Maine for a year, spent two years in China as a graduate student at Yenching University, Peking. She took her Ph.D. at Clark University in 1940. Dr. Miller has taught at Westminster and Lynchburg Colleges, holding the rank of associate professor of history at both institutions.

The Reverend Alfred Leon Creager, pastor of Trinity Evangelical and Reformed Church, Collegeville, has been appointed Lecturer in Philosophy. After graduating from Ursinus in 1933, Rev. Creager pursued his theological studies at The Seminary in Lancaster, received his B.D., and was ordained in 1936. He has served churches in Cumberland, Md., and Orwigsburg, Pa., and has been since October of last year pastor of Trinity Church. Rev. Creager, who has contributed numerous articles to The Messenger, will teach the course in the philosophy of religion.

The numerous appointments to the rank of instructor and assistant include the following: James C. Hirst, M.S., Instructor in Psychology; H. Lloyd Jones, Jr., A.M. and Ammon G. Kerchner, Jr., M.S., Instructors in English; James S. Straub, B.A., ’47, Instructor in German; Roberta Street, M.A., Instructor in History; Harry C. Symons, B.A., Instructor in Economics; Charles W. Matlack, B.A., Instructor in French; William T. Parsons, B.A., ’47, Assistant in French; Robert C. Quay, B.A., ’47, Assistant in Economics; Ralph I. Mendenhall, B.S., ’47, Instructor in Physics.
DR. DISTLER ADDRESSES GRADUATING CLASS

Dr. Theodore A. Distler, President of Franklin and Marshall College, spoke at the 77th annual commencement exercises, held on the Athletic Field at 11 a.m., Monday, June 9. One hundred and forty-seven graduates, the largest outgoing class in the history of the College, heard the address.

Dr. Distler centered his address on the various aspects of our nation’s assuming world leadership. The audience were asked to consider three questions: Should we lead the world? Can we lead the world? How should we lead the world? To the first two questions, Dr. Distler returned an affirmative answer. As to the last, the speaker stated that we must lead the world by serving it, and through serving it, save ourselves.

In concluding his address, Dr. Distler expressed a credo for educated people: they should seek to influence opinion; they should stand for something politically; they should be active as churchmen; and they should be willing to participate as responsible citizens of the community.

Preceding Dr. Distler on the program were the academic procession, and the invocation by the Reverend Charles Wallick, College Chaplain. After the main address, baccalaureate degrees were conferred upon the one hundred and forty-seven graduates, and honorary degrees were awarded three guests: the D.D. degree to the Reverend Cyrus T. Glessner and the Reverend William R. Shaffer, ’23; and the LL.D. degree to Dr. Distler.

Commencement honors were as follows: Valedictorian, Flora J. McMaughin; Salutatorian, Janice E. Wilenbach; cum laude, Katherine L. Estery, Dorothy M. Kleppinger, Jeanetta M. Reneberger, Joseph Sacks, Flora J. McMaughin, Janice E. Wilenbach and Joan Wilmot. Department honors in Biology went to Margaret E. Heckman; in Chemistry, to Jeanetta M. Reneberger; in Economics, to Dorothy M. Kleppinger; and in Mathematics, to Erna D. Keyes.

At the commencement ceremony twenty students received prizes:

- The Philip H. Fogel Memorial Prize of $25 for the highest excellence in the Department of Religion was won by Arlene Boltz ’47.
- Joseph H. Jones ’47 and John G. Kristensen ’47 divided the Robert Truckseed Prize of $40 for displaying promise of success as future members of the legal profession.
- The Paisley Prizes of $25 each were awarded to Jack Brill ’49 and Carolyn Schoeppe ’48 for the best dissertations on an assigned topic.
- The $50 Elizabeth R. McCain prize for the greatest ability in the knowledge and use of the English language went to Norma E. Cole ’49.
- Alfred Roberts ’50, Isabel R. Ilgenfritz ’47, and Kay Nomiyama ’49 were presented the Boeshore Prizes for having obtained the highest standing at the end of the first year in the study of Greek.
- The Duttera Prize of $20 was awarded to Isabel R. Ilgenfritz ’47 for having achieved the highest standing in the study of church history.
- Erma Keyes ’47 and Virginia Dulin ’47 divided the Women’s Club Prize of $20, presented to the outstanding woman athlete.
- For writing the best pageant, Phyllis Bright ’48 won the Ursinus Circle Prize of $15.
- The Ellen Beaver Schlaybach Memorial Prize, awarded to the woman who attains the highest scholastic average at the completion of four years, was given to Flora McMaughin ’47.
- Barbara J. Dietz ’48 was awarded the Edwin M. Fogel prize for submitting the best essay on the contribution of the Pennsylvania Germans to American culture.
- The George Ditter Prize of $25 for the History-Social Science major who gives promise of contributing most to the perpetuation of democratic self-government was won by Joseph H. Jones ’47.
- Amelia Neznik ’49 was awarded the George W. Kehl Prize of $50 for good citizenship in the College community.
- The I. Calvin Fisher Prize of $50 and the Leibensperger Award of $20, both given for good citizenship and outstanding helpfulness, were won by Andrew Bain ’49 and George E. Dillinger ’49, respectively.
- The Rosicrucian Prize, presented to the woman student with the highest scholastic average at the end of her freshman year, was awarded to Joanne Duncan ’50.

Baccalaureate

The Reverend Dr. William R. Shaffer ’23, pastor of the Faith Evangelical and Reformed Church, Philadelphia, delivered the Baccalaureate sermon to the graduating class and friends on Sunday morning, June 8, in Bomberger Chapel. Dr. Shaffer stressed the need of having continuing faith and hope in God. Comparing the “prosperity-just-around-the-corner” days of the Twenties with the despair of today, the speaker stressed the need for observing three maxims: to hold on to that which is good; to pray; to live every day in the presence of God, letting Him become a part of one’s self.

Others assisting in the service were Dean John W. Clawson; President Norman E. McClure; the Reverend Charles Wallick, College Chaplain; the Reverend Alfred L. Creager ’33, and Jean Anne Schultz ’48, organist.

SPORTS RESUMÉ

Men’s Basketball

On Saturday night, February 22, before a capacity crowd hanging from the rafters in the Thompson-Gay Gym, the Swarthmore College hoopers defeated a fighting Ursinus quintet by the score of 58-49. It was apparent from the very beginning that the Swarthmore combination was definitely “on,” for it jumped into a very comfortable lead during the first quarter. Although the Bears displayed a rather listless game during the first half, they came back in the second half to put on one of the game’s rallies ever seen in the College gym. In the final quarter, Dave Ziegler put on an exhibition of shooting that will be long remembered as he sank six two-pointers, most of them one-handers from the pivot slot.

On the Wednesday night before the Swarthmore game Ursinus met a former victim, Drexel, on the latter’s court. The score was 59-59 as the final whistle, but in the overtime period the Drexel team virtually ran the Bears off the court. The final score was 70-61 in Drexel’s favor.

The Bears finished their 1947 season in a swashbuckling basket carnival that saw the shattering of two Ursinus records and some of the finest play of the year. Pennsylvania Military College furnished the opposition and was defeated, 80-52. The team’s 80 points smashed the 78-point record established earlier in the season against the same opposition. Dave Ziegler scored thirty points in this game to pass the previous high score, also held by himself and established earlier in the season against Moravian College.

At the close of the basketball season the Bears occupied third place in the Southern Division of the Middle Atlantic Conference.

(Continued on page 13)
LOCAL ALUMNI ASSOCIATIONS MEET

During the past several months, five local Alumni Associations held their annual gatherings, and a newly-formed group, the Washington, D. C. Alumni Association, held its inaugural meeting.

York County Association
Alumni from York, Red Lion, Jacobus, Thomasville, Dallastown, Wrightsville, Littlestown, Hanover, Dover and Mechanicsburg held their annual dinner meeting on May 3.

Speakers for the evening were President Philip B. Willauer '30, of the General Alumni Association; College Vice-President D. L. Helfferich; and Margaret Coy, who as a senior was President of the Women's Student Government Association.

Officers elected for the year 1947-48 are: President, David R. Stephenson '34; Vice-President, Rev. Albert Robinson '38; Secretary, Mrs. W. J. Newhould (Miriam Fissel '31); Treasurer, Frederick Glatfelter '39.

New York Association
New York alumni held their annual dinner on May 7 at the Hotel Woodstock, New York City. The speakers were President McClure, and Mr. Milton Bacon, who is well known for his radio program, "Time to Remember", on the Columbia network. Mrs. D. L. Helfferich entertained the members with several Pennsylvania Dutch skits.

Officers elected for the year 1947-48 are: President, James W. Donaldson '30; Vice-President, Mrs. A. R. Zednit (Helen Reimer '22); Secretary, Ruth Noble '41; Treasurer, J. Wilbur Clayton '28.

Berk's County Association
Alumni from the Berks County area held their annual dinner meeting at the Tower Hotel, Reading, Pa., on May 21. The meeting was addressed by President McClure and Vice-President Helfferich. A male quartet, a soprano soloist, and a dancer from Reading High School entertained the gathering after dinner.

Officers elected for the year 1947-48 are: President, Rev. Paul P. Haas '39; Secretary-Treasurer, Grace W. Trout '24.

Philadelphia Association
Philadelphia area alumni held a dinner dance as their first post-war affair on May 23 at Sandy Run Country Club, Oreland, Pa. After-dinner speakers were President Willauer, of the General Alumni Association, and Dr. Clarence Livingood '32.

Officers elected for the year 1947-48 are: President, Paul J. Guest '38; Vice-President, Clarence S. Livingood, M.D. '32; Secretary, Mrs. Charles T. Bonos (Betty Bickhart '40).

Easton Association
Easton alumni held their annual dinner at the Hotel Easton on May 17. Speakers included President Willauer, Bertram M. Light '20, and Rev. Reginald H. Helfferich '28, who showed slides of his trip through the Scandinavian countries. S. Maxwell Flitter '24 acted as toastmaster for the evening.

Washington, D. C. Association
A group of Ursinus alumni from the Washington, D. C. area held a meeting and formed a local Alumni Association on May 23. The following officers were elected:

President, Joseph A. Armento '28; Vice-President, Kermit B. Mohn '33; Secretary-Treasurer, Joseph G. Dubuque '41.

The officers are anxious to have alumni living in the Washington, D. C. area join this newly-formed Association. Interested alumni should get in touch with Secretary Dubuque, 1324 Monroe St., N.W., Washington, D. C., or telephone him at North 66418.

Board Committee Report
(Continued from page 3)

2. The establishment of an effective student council or government. The preparation of by-laws prescribing the method of procedure and appeal.

3. The defining of the powers of the various officers of the College and the faculty on the question of dismissal or suspension of students from the College.

4. That the manner of the control of publications exercised in other colleges be studied. In the meantime, the Ursinus Weekly should be considered a free medium for students to publish student suggestions and their criticism of student activities. Through their faculty adviser, the student editors should be cautioned before printing certain articles to weigh carefully the injury to the College which might result from their publication.

5. That the Board of Directors consider the advisability as to whether or not a committee should be appointed to investigate the operation and management of the supply store and submit a report to the Board on its findings.

6. That the Athletic Council, the

Work Progressing on "Alumni Register"

Work on the forthcoming edition of the Alumni Register is proceeding as rapidly as the return of the questionnaires sent to the alumni will permit. Approximately 1250 questionnaires have been returned in response to the original request for information.

Reminders and second notice questionnaires are being sent to all alumni who have not as yet responded. As there are over 2500 living alumni, this means that about half have supplied the needed information up to this time (July 17).

The Alumni Register will be a paper-bound book of about 160 pages, containing in concise "Who's Who" form the available information about the life and career of every living alumnus. It will list every graduate of Ursinus up to and including the class of 1947, and contain other information about the College and its personnel in the twelve years that have intervened since the last Register was published.

The work of preparing the copy for the Register has been begun for some of the classes about which reasonably complete information is now available. The date of completion of the book will depend upon the speed with which the questionnaires are returned.

All alumni who have not as yet responded to the request for information are urged to do so as promptly as possible. If any have not as yet received a questionnaire, a postcard to the Ursinus Alumni Register, Ursinus College, Collegeville, Pa., will bring one by return mail. The Editor will be happy to receive later information from anyone who has already responded, such as changes of addresses, or information about other members of the Ursinus family.

Summer Assembly

Ursinus College was host to the fortieth annual session of the Collegeville Summer Assembly during the week of August 4.

Forum Committee and the Students Expenditure Committee be re-established.

After tentative policies have been developed and tested by experience, some of them should be embodied in a revision of the Constitution and By-laws.
1910

**Necrology**

William Wallace Bancroft '19, a member of the Ursinus faculty since 1925, died in his fifty-fifth year after a lingering illness on Monday, March 17, in Sacred Heart Hospital, Norristown, Pa.

Born in Chester, Penna., Dr. Bancroft received his A.B. degree from Ursinus in 1919, and subsequently attended Princeton Theological Seminary. He received his A.M. degree from the University of Pennsylvania in 1921, and his Ph.D. from that institution in 1931.

Dr. Bancroft was a contributing editor on the staff of the Philadelphia Inquirer from 1915 until 1921, and joined the Ursinus faculty as assistant professor of English and philosophy in 1925. He was made an associate professor in 1928, and was elevated to a full professorship in 1931, serving in the latter capacity until his death.

Dr. Bancroft was a member of the American Association for the Advancement of Science, the British Institute of Philosophical Studies, and the American Philosophical Association. He was the author of "Joseph Conrad, His Philosophy of Life" (1933), and contributed to numerous periodicals.

Funeral services were held on Saturday, May 22, with interment in West Laurel Hill Cemetery. Dr. Bancroft is survived by a cousin, Richard Callahan.

Samuel Horning Ziegler '10, educator, died in March 9 in his sixty-eighth year.

Born in Malvern, Illinois, Dr. Ziegler was graduated from Ursinus with the A.B. degree in 1910, and received his A.M. degree from Ursinus in 1912. He did graduate work at the University of Pennsylvania, and was awarded his Ph.D. degree in 1923.

Dr. Ziegler began his teaching career in the Boys' High School, Reading, Penna., and later taught at West Philadelphia High School from 1914 until 1918. He served as supervisor of social studies in the Cleveland, Ohio school system from 1918 until 1926. He joined the faculty of Cedar Crest College, Allentown, Penna., in 1926, as professor of education and psychology, and served in that capacity until his death.

Dr. Ziegler was a member of the Pennsylvania State Education Association, the National Education Association, Phi Delta Kappa, Pi Gamma Mu, and the Pennsylvania German Folklore Society. He was the author of "Our Community"; "Choosing an Occupation"; and "Teaching Social Studies in the Junior High School".

**Albert Franklin Long '12, educator, died on April 29 in his fifty-sixth year.**

Mr. Long was graduated from Ursinus with the B.S. degree in 1912. After leaving college, he became Principal of the Vintondale, Pa. Grammar School. He subsequently served on the faculty of the high schools at Bloomsburg, Pa., and Paterson, N. J.

He was a veteran of the first World War, and a member of the Passaic County Schoolmen's Association, the New Jersey State Teachers' Association, the National Education Association, and the Masons.

**Cyrus Mencel Rothermel '15, retired minister and teacher, passed away on February 13 at the age of 85, at the home of a niece with whom he had been living in Fleetwood, Penna.**

Rev. Rothermel was a graduate of Kutztown State Teachers' College, and received his A.B. degree from Ursinus in 1915. He served as pastor of the Evangelical-United Brethren Churches at Lovel, Pennbrook, and Hamburg, Penna., and later taught foreign languages in the Fleetwood High School until his retirement in 1932.
News Around Town

By Muriel B. Pancoast '38

Comes summer—comes gardening and canning and home freezing for most families in Collegeville. During the College Summer session, professors hurry home from classes to don disreputable-looking trousers and shoes and an old sport shirt. (It's amazing what a transformation clothes can make—they even look like farmers!) Then they're ready for hoeing, weeding, spraying, cultivating—and if they are lucky, harvesting. As for the women of the households, many a bridge session or good book is postponed when the summer farmers proudly bring in their prize tomatoes and beans to be preserved for future use and enjoyment.

It's good to welcome Gene Miller and his family back to Collegeville after their year in Canada and South America on a traveling fellowship Gene won last year.

We understand that the College's new gymnasium is to be completed by September. And then the Thompson-Gay Gym, which has carried on so proudly during active and crowded times, will be relieved of some of its congestion.

Congratulations are due the men at the College Annex who held a delightful Tea and Open House on Sunday, May 25. The men themselves did all the planning, and called on several of the College co-eds to pour for them.

We should like to extend congratulations to Louis Krug, Ursinianite and Principal of the Collegeville-Trappe High School, on his election as Vice-President of the Montgomery County Education Association. And more congratulations to him and Marjorie on the birth of a son.

Various clubs and individuals in town have been trying to lend a hand to the Montgomery County Girl Scouts, who have finally been able to secure a camp of their own. It will take a considerable amount of money to equip this camp, and many are trying to help this worth cause. One of the most ardent supporters and workers for the girl scouts is our own Lindy Reber.

As I write, Blanche Schultz, instructor in Mathematics at Ursinus, is enjoying a two weeks' stay in Bermuda. Blanche was an officer in the Waves, and thus summer she signed up with the Naval Air Reserve at the Willow Grove Base for a refresher course of two weeks' active duty. She was assigned to act as navigator on one of the planes on its initial trip to Bermuda. Sounds interesting and exciting, doesn't it?

Collegeville has been hit again by a case of Rocky Mountain fever. Little Kenny Whitman, son of Clyde Whitman, manager of the American Store, was the victim of this disease, but came through it beautifully and is again outdoors playing with his pals. Meanwhile, the doctors in town have been stormed with requests from parents to inoculate their youngsters for protection against the disease. The best precaution, we're told, is to keep our children away from tall grass and swampy land, the breeding places of the dreaded tick.

Beaming parents were a joy to behold on Saturday, June 14—almost as good to see as their perfectly adorable youngsters who took part in a Tom Thumb Wedding. The event was under the auspices of the Collegeville Community Club, and was held at Trinity Reformed Church. About forty youngsters took part and did a beautiful job, despite the fact that every proud mother held her breath until after the performance, and she was sure the long dresses over which she had labored so arduously did not trip the young ladies, and that Junior wouldn't forget to offer his arm to the right bridesmaid. Henrietta Wagner, five year old daughter of Dr. and Mrs. Paul Wagner, made a very lovely bride. Other Faculty children who took part were Anne Wilcox and Marion Baker as flower girls, Linda Pancoast as a bridesmaid, John Wilcox as burgess of the town, George Hartzell as the minister, and Bobby Hartzell as a distinguished guest.

An innovation at the College this year was commencement exercises on the football field. Mother Nature was very kind, and the sun shone warmly on a very impressive ceremony. Bomberger Chapel could not comfortably accommodate all of the guests expected, and the football field proved a most satisfactory substitute.

An inspiring first annual Collegeville Memorial Day Service was held at the College in Bomberger Hall on Sunday, May 25. It was held under the joint auspices of the Kline-Styer-McCann Post of the V.F.W. and the Byron Fegley Post of the American Legion. Colonel Charles G. Trexler, student pastor of Muhlenberg College and veteran of both World Wars, gave a stirring memorial service address.

Collegeville's nearest neighbor, the Borough of Trappe, was extremely proud of the fact that its famous oldest Lutheran Church in America was recently discussed in an article on the Pennsylvania Dutch in "Holiday" magazine. The various stores in town carried extra copies of the magazine for interested and proud readers.

Ursinus men will be glad to hear that once again Freeland, Stine, and Derrick, along with Brodbeck and Curtis, have been returned to them as dormitories. The coeds have all been moved to the various houses along Main Street.

Resignations

(Continued from page 4)

become instructor in German at the Massachusetts Institute of Technology. He is doing graduate work at Middlebury College this summer, and expects to continue his studies at Harvard.

Eugenie K. Bigelow, instructor in political science, has resigned to continue her work for the doctorate. Miss Bigelow taught at Ursinus from 1945 to 1947.

Astronomy

(Continued from page 4)

structed view of the sky which it affords, and also because of the absence of excessive surface light, a condition with which most observatories in the metropolitan areas have to contend.
Sports Resume'  
(Continued from page 6)

**Baseball**

The baseball team this spring, under its co-coaches, Foster L. Dennis '31 and G. Sieber Pancoast '37, was better than average. It sported several dependable pitchers and came off with six victories in ten starts. Scores were as follows: Ursinus 7, Haverford 1; Ursinus 2, LaSalle 6 (11 innings); Ursinus 15, Swarthmore 8; Ursinus 7, Albright 3; Ursinus 8, Moravian 7 (11 innings); Ursinus 7, Haverford 3; Ursinus 4, Drexel 7; Ursinus 3, Juniata 8; Ursinus 0, Delaware 1; Ursinus 7, PMC 4.

**Men's Tennis**

The Ursinus men's tennis team, under its new coach, Charles Wallick '38, opened its season on May 1 by upsetting Moravian, 6-2. The Bears won four singles and both doubles matches, losing only two singles matches.

In their next encounter the Bears again came off with victory, this time defeating LaSalle, 5-4, in a hard-fought contest. But then stormy weather set in on the netmen as they proceeded to lose to Delaware, 4-5, to Haverford, 0-9, to Drexel, 1-8, and to Swarthmore, 0-9. Only with the final match of the 1947 season did the Bears return to their winning ways, defeating Juniata, 8-1.

**Track**

Track has never been a popular sport at Ursinus. This spring, however, in an effort to dissipate the lackadaisical attitude toward track and field events, Coach Ray Gurzynski, '39 arranged an attractive schedule of meets, beginning with the Penn Relays on April 25-26 and ending with a neighborhood meet at Swarthmore College on May 24.

The results were encouraging. In their two meets held at home the Bears won from P.M.C., 69 ½-56 ½ and from Albright, 79 ½-46 ½. In a triangular meet at Muhlenberg among Muhlenberg, Haverford, and Ursinus, the Bears placed second with 41 ½ points. Muhlenberg won the meet with 71 points. In a second triangular meet held at Swarthmore among Drexel, Swarthmore, and Ursinus, the Bears came off a bad last with 28 ½ points. Swarthmore won the meet with 89 ½ points.

Coach Gurzynski used only five men in the Middle Atlantic Meet held at Rutgers University on Saturday, May 17. Two Ursinusites, Bill Turner and Moose Kennedy, managed to place in their respective events, the pole vault and the discus. Ursinus scored 23 ½ points. Rutgers won the meet with 40 ½ points.

**Women's Swimming**

The Ursinus mermaids continued their undefeated streak by defeating Swarthmore in the opener, 29-28, in a nip and tuck meet. The co-eds remained undefeated and untied by next handing Penn a rather severe defeat, 37-20. Ursinus was out in front all the way by placing first in every event except the 50-yard freestyle and diving.

The Ursinus co-eds were toppled from the undefeated ranks as Swarthmore College nosed them out by 1 ½ points in the Eastern Intercollegiate Swim Meet held at Penn's Hutchinson Pool on Saturday, March 22. Swarthmore won only one event, but piled up enough second and third place points to amass the winning score of 29 ½ points to Ursinus' 28. Nine colleges entered the meet, eight from Philadelphia and the suburban area, and one from New Jersey, the New Jersey College for Women.

The Mermaids then upped their number of victories by handing the Beaver co-eds a decisive 34-23 defeat.

**Women's Basketball**

Continuing in their winning ways, Snell's Belles won their second in as many starts when they racked up a 28-21 victory over Bryn Mawr on Saturday, February 15, at home. Much the same pattern was repeated five days later when Penn was taken into camp, 24-13. Penn could garner only two points in the final period, and both came from charity tosses. On March 1, the girl courtsters met their first defeat of the season at the hands of Immaculata College, 29-33. On March 8, the co-eds returned to the winning column by defeating Beaver, 34-26, at Jenkintown.

The varsity girls ended their court season with a 34-16 defeat at the hands of the Temple co-eds in Temple's Conwell Hall.

**Women's Tennis**

The women's tennis team this year captured one of four matches. Because of the rainy Spring, the Albright match was cancelled.

Captain Jackie Landis, playing in the first singles slot, started the season by winning by default against Chestnut Hill College. In the remaining contests she provided stiff competition for all comers, even for Penn's Jane Austin.

Honors for the season, however, go to Mary Anne Ballantyne and Edna Daniels, juniors, who were matched for the first doubles and who remained undefeated until they met Penn, which managed to eke out a close win.
