URSINUS COLLEGE  
COLLEGEVILLE • PENNSYLVANIA

April 21, 1970

Miss Eleanor F. Snell  
Ursinus College  
Collegeville, Pa. 19426

Dear Miss Snell:

As you know, I am a "Johnny-Come-Lately" to Ursinus. In the short time that I have been here, I have become aware of the tremendous contributions you have made in your special field, to the college, and to the larger field of intercollegiate athletic relationships. Your skill and your competency have won the admiration of those who have worked with you and have competed with you in the friendly competitions in which you have been engaged. That you have meant so much to the girls with whom you have worked over the years, and whom you have taught the lessons of good living and wholesome sportsmanship, is so apparent that there is no need to be repetitive.

With all your many friends I wish you the rewards that come after many years of fruitful service, and lots of good health to enjoy many more years.

Sincerely yours,

H. M. Wessel  
Chairman, Department of Education
