To Increase Endowment Funds

On May 29 the Board of Directors of Ursinus College voted to proceed with the plans to add to the permanent endowment funds the sum of $250,000 during the next three years. During recent years the College has received from alumni a larger total of gifts than ever before and a still larger total from friends who are not alumni. The Board believes that this generous help will be continued and increased.

The higher cost of operation of every division of Ursinus College makes a substantial increase in the endowment funds not only desirable but necessary.

Remember October the 23d

Fall means football, and football means Old Timers’ Day. Ursinus is playing an eight game schedule this fall, four of the games on Patterson Field. What a grand opportunity to come back to the campus and renew friendships and memories. Come to all the games if you can, but be sure to come on Old Timers’ Day, October 23d, when the Bears play Swarthmore, one of our oldest rivals.

What are the prospects for the season? Read the forecast on another page in this issue. Now that Coaches Wieneke and Ray Gurzynski are entering their second season with the Bears, they are getting a good opportunity to build their strategy and tactics. The opposition will be tough, and the result is always anyone’s guess till the last whistle blows. Win, lose, or draw, you’ll want to cheer the 1948 wearers of the Red, Old Gold, and Black this fall.

Alumni Register Is In Press

The 1948 edition of the Alumni Register has been completed and is in the process of being printed. The printing will probably be completed at the time that this issue of the Journal reaches the reader.

The Alumni Register gives in “Who’s Who” form information about the life and activities of each of the 2863 living alumni of Ursinus and the name, occupation, and date of death of each of the 329 alumni who have died. It is a storehouse of facts about alumni from Ephraim F. Slough ’77, our oldest living “old grad,” to Nelson W. Yeake Jr., ’48, who is alphabetically the “newest” alumnus.

At the time that the questionnaires for the Register were mailed, alumni were asked to order copies. Extra copies are being printed so that it can be purchased now by any who did not give an advance order.

(If you have not ordered a copy of the Register, send your order with check or money order to the Editor, Alumni Register, Ursinus College, Collegeville, Pa. The cost is $1.25 per copy; checks or money orders should be made out to Ursinus College.)
Editorial Page

Students for Tomorrow

The attention of all friends of Ursinus is called to the report of the Registrar in this issue on the enrollment for the current year and the prospects for the future. It is now clear that the predictions made nationally that the colleges would be flooded with candidates from the armed forces until 1951 are quite unfounded. The flood tide has ebbed. The men and women formerly in the armed forces who can do college work and who want to go to college are now enrolled. A proof of this is the fact that all but one of the thirteen area colleges for veterans in Pennsylvania have been closed. The effect of the reinstatement of Selective Service even on a limited scale is to diminish the number of candidates for admission. For a time the number of good candidates, particularly men candidates, has decreased.

The result of this condition is obvious. Either the colleges can reduce their enrollments or they can begin anew the competition for students that existed in greater or less degree before the war, particularly during the severest years of the depression. Reduction of enrollment is difficult because it usually requires the breaking of what are essentially long term commitments. The alternative is competition for students. This is not a bad thing in the event that the competition is for the best students. Even the oldest and proudest of universities have offered inducements to potentially excellent students to come to them.

What this condition means to Ursinus is that she will need more applications from students capable of meeting her standards for admission and for work in the College after they are admitted. Alumni can help by advertising the College, directing students' attention to it, encouraging them to apply for admission. And they can help by making certain that the applicants are of a high calibre personally and academically. To encourage the hopes of a boy or girl who cannot be accepted is hurtful to him or her and to the College. There is always a host of such applications that come unsought.

This is all an old story to many old grads who have for years been doing this very thing, and to them our deep gratitude is due, for in education the best results usually depend on the quality of the "educables". What is now needed is a concerted and continued effort to bring to Ursinus the best candidates to be found. If one alumnus in ten would bring one good candidate each year, we should be assured of an excellent entering class. If one alumnus in five would do this, we should have a wealth of material from which the best could be chosen.

Hail and Farewell

With this issue of the Alumni Journal Mark Alspach relinquishes the editorship, which he has filled most ably during the past year. The pressure of other duties has made it necessary for him to give up the blue pencil. Beginning with the winter issue the new editor will be Thomas P. Glassmoyer, '36, for whom we bespeak the cooperation and support of all the alumni.

In saying farewell to one editor and hail to another we should pay tribute to the magnitude of the service they render without reward and with but little recognition. The work of editing a periodical such as the Journal, even though it appears only three times a year, is a task requiring many hours of painstaking labor. Only those who have done it know what it entails. But the rest of us can and should applaud the devotion and service of those who do this work for us.

What we can do to make the task of the editor a little easier is to supply him with information about ourselves and our friends in accurate and authoritative form. Apart from news about the College, its condition and its progress, the most interesting material in the Journal is the section About Ourselves. It should be twice as full of news as it is. It can be, if each alumnus will do his share in sending the facts.

International Relations Courses

Recently the curriculum of the College has been expanded to meet the needs of students who wish to prepare for work in the field of International Relations. The History Department offers a seminar on the "Middle East" and a full year's course in Latin American History and Diplomacy. The latter is taught by Dr. Eugene Miller, who recently returned from a year of study in South America. In the Political Science Department, seminars are offered in "International Relations," "International Law," and "Geopolitics." Professor Charles Lyon Chandler, who held Foreign Service posts in the Far East and Latin America, conducts the later course. New Modern Language courses also offer increased opportunities to students interested in foreign government posts. Advanced students may study elementary Swedish under Professor Allan Rice, former Naval Attache to the American Embassy in Stockholm. Present plans call for a course in elementary Russian in 1949-50.

In the past, several graduates have achieved outstanding success in the field of International Relations. Among these are Shepherd L. Witman, '28, and Charles Grove Haines, '27. Mr. Witman is now Director of the Cleveland Public Affairs Council. Dr. Haines is Professor of Diplomatic History at the School for Advanced International Studies in Washington, D. C.

Two recent Ursinus graduates, Herman F. Eilts, '43, and J. Robert Wilson, '47, have passed the examinations for the Foreign Service. Mr. Eilts is now serving as Vice-Consul in Teheran, Iran. Mr. Wilson has been commissioned as a Foreign Service Officer, and, at present, is awaiting assignment to a post. Opportunities in the field are not limited to men. Betty Jane Knauer, '45, is employed in the United States Consulate in Antwerp, Belgium.

The Journal salutes the alumni who have already established themselves in the field of International Relations. May increasing numbers of graduates follow in their footsteps!
The President's Page

The following paragraphs are an informal report to the alumni.

The many friends of Effie Brant Evans (Mrs. Robert D. Evans), Class of 1918, were shocked and saddened by the news of her untimely death on June 10, 1948. Mrs. Evans served as a member of the Board of Directors since 1942. As a Director and as a civic leader she contributed generously to Ursinus College and to the community. In her passing Ursinus has suffered a real loss.

We are beginning the seventy-ninth academic year with a student-body even larger than last year and with the confident hope that this year will be the best year in our history. We plan to admit 250 Freshmen in September, 1949. We regret very much that the shortage of housing makes it necessary for us to refuse admission to many desirable students. Those who plan to apply for admission should write the Registrar at once.

This year, as usual, there are few changes in the Faculty. Professor Martin W. Witmer, who after twenty-seven years at Ursinus became Professor Emeritus in June, 1947, returned last year to teach one course. All who know Professor Witmer are grateful to him for his fine contribution to Ursinus. No other teacher of professorial rank has left Ursinus this year. We are especially glad to welcome to the Faculty Dr. Cornelius Weygandt, of the University of Pennsylvania, as Visiting Professor of English, Dr. Walter B. Ross as Associate Professor of History, and Miss Maribelle Waldo as Assistant Professor of Physical Education.

In recent years the work of Ursinus has been greatly helped by the gifts of alumni and other friends. During the years 1944, 1945, and 1946, the Board of Directors, with the aid of alumni and many others, completed the Seventy-fifth Anniversary Fund of $150,000. This sum was used to reduce the funded debt and to increase the women's building fund and the permanent endowment funds. In the fiscal years that ended June 30, 1947 and June 30, 1948, the gifts and bequests reached the total of approximataely $140,000. The Board of Directors plans within the next three years to add to the permanent endowment funds the sum of $250,000. The Board plans to accomplish this by seeking gifts from the alumni in the amount of $100,000 and from other friends of Ursinus College in the amount of $150,000.

On July 24, 1948, the Executive Committee of the Alumni Association voted to raise, with the help of the Board of Directors, $100,000 of this total, with the understanding that this sum be known permanently as "The Alumni Memorial Scholarship Fund," and that the income be used to provide scholarship grants for students.

This action of the Executive Committee of the Alumni Association seems to me altogether praiseworthy. The Memorial, similar to those planned by many colleges and universities, is appropriate. It will be permanent. It will at once supply a very real need. The goal that the Executive Committee of the Alumni Association has set is an attainable goal. We must reach it. I believe that every alumnus will wish to help.

September 18, 1948

N. E. McClure.
The Seventy-Eighth Annual Commencement Activities

THE CONVOCATION

The Seventy-Eighth Annual Commencement was held on Monday, May 31, 1948, in Bomberger Chapel. Arrangements had been made to hold the exercises on the football field, but threatening weather made it necessary to press the Chapel into service. Dr. John A. Stevenson, President of the Penn Mutual Life Insurance Company, was the principal speaker.

After Dr. Stevenson’s address, baccalaureate degrees were conferred upon the following 151 members of the Class of 1948:

BACHELOR OF ARTS

Catharine S. Anderman
Winfield M. Atkinson, Jr.
Seth Bakes
Robert D. Barroll
Constance L. Bartholomew
Susan J. Bellis
Betty J. Benham
Phyllis R. Bright
John H. Buckner
Theodore M. Burns, Jr.
Mary H. Carter
Florence R. Cherry
Richard H. Clark
Harry A. Collier
Edith N. Crews
Edward C. Cutler, III
John E. Dahlman
Herbert P. Deen
Barbara J. Deitz
Harlan C. Durfee
Norman D. Evans

Margaret G. Ewen
Frank D. Fahs
Betty J. Greene
Harold Grossman
Marjorie A. Haimbach
Ada M. Hancock
Ann W. Harting
Eleanor J. Hoffman
Jane E. Hubbard
Robert J. Juppe
Mary K. Kern
Sally A. Lape
Elaine V. Lloyd
Eileen Lockhart
Dorothy J. Marple
Evelyn M. Moyer
Helen E. Mullikin
Pauline F. Munitz
Grace T. Neuman
Mildred G. Noble
Ruth M. Pollock
Edward W. Rettew, Jr.
Jean C. Robertson
Lewis E. Ross
Marian L. Sare
Douglas T. Scheffey
Miriam L. Schellhase
Carolyn Schoeppe
Kenneth D. Schroeder
Jean A. Selz
Marion R. Simpler
H. Ian Smith
Helen A. Spudis
Charlotte L. Stolte
Leander P. Tori, Jr.
Wilma E. Troutman
Nancy B. Twinning
Randolph A. Warden
Richard E. Wentz
Lois R. Wilson
Juanita M. Wood
Nelson W. Yeakel, Jr.

BACHELOR OF SCIENCE

Florence E. Adam
Lucy M. Andricher
Jose H. Amadeo
Hilda E. Anderson
Charles E. Angstadt
Herbert M. Baganz, Jr.
Mary J. Bahnson
Mary A. Ballantyne
James T. Barbash
Isabelle A. Barr
Jean R. Bartle
Eleanor Baum
Marion E. Bell
Walter R. Bohn
Marion V. Bosler
Phyllis J. Brown
Arnold R. Brubaker

Norma J. Velth
Joan V. Drach

Actions of Directors

The annual meeting of the Board of Directors was held on May 29, 1948. At this meeting Mr. Robert R. Titus was elected a director for a term of five years. Mr. Titus is a graduate of Yale University and president of the Synthane Corporation and of the Montgomery County Association of Manufacturers. He is one of the state’s leading industrialists.

At the same meeting Rev. Arthur Fretz, ’23, of Allentown, the Alumni Association nominee, was elected a director for a five-year term.

President Paisley added Alumni Director, Chester Robbins, ’13, to the special committee of the Board for the revision of the constitution and by-laws of the College.

The reports of all the officers of the College and the various committee heads showed that the physical plant, the financial status, and the academic standing of the College were showing consistently good progress.

Upon recommendation of President McClure, the following faculty members were promoted to the rank of full professor: Dr. John J. Hellemann, Dr. Eugene H. Miller, Dr. Charles D. Mattern, Dr. William F. Philip, and Mr. Everett M. Bailey.

Eleven members of the Class of 1948 shared the commencement honors:

VALEDICTORIAN
Constance Irene Bartholomew

SALUTATORIAN
Marjorie Baldwin Djorup

MAGNA CUM LAUDE
Constance Irene Bartholomew
Marjorie Baldwin Djorup
Richard Douglas Fink

CUM LAUDE
Florence Ruth Cherry
Anna Evelyn Ivins
Jacqueline Ann Klein
Dorothy Jane Marple
Marylee Carolyn Sturgis

HONORS IN SPECIAL DEPARTMENTS
Biology: Jacqueline Ann Klein, Vangy Allene Tilton
English: Nancy Barbara Twining
History: Dorothy Jane Marple
Mathematics: Bernard Leroy Grayson

A half dozen honorary degrees were conferred upon the following six distinguished guests: the Reverend Messrs. Walter Harold Diehl, Dobbs S. Ehlmam, and Paul Waitman Hoon, the D.D.

(Continued on page 16)
BACCALAUREATE SERVICE

Following the custom of recent years the baccalaureate preacher at the traditional service on Sunday, May 30, was an alumnus, the Rev. Dobbs Ehlman '23, executive secretary of the Board of International Missions of the Evangelical and Reformed Church. In his thoughtful discourse to the graduates the Rev. Mr. Ehlman emphasized the need, not of mere moral precepts, but of a genuine spiritual insight and faith as the essential quality needed to make whatever attainments of knowledge and skill men may have of lasting value and service.

The baccalaureate preacher stressed the value of a practical religion, the fruit of imagination and the spirit of God's calling men and acting through them. He wished for the members of the graduating class "both the roots and the fruits of a practical religious faith."

John O'Hara '51, accompanied on the organ by Lloyd Stowe '50, sang a solo as part of the service. The President, the Dean, the Chaplain, and the Pastor of the College Church participated in this final solemn religious worship of the class of 1948.

ALUMNI DAY

Annual Alumni Meeting

The annual meeting of the Alumni Association of Ursinus College was held on May 29, 1948, in Bomberger Hall, Philip B. Willauer, '30, presiding.

Under old business, Mr. Willauer explained that the War Memorial as planned the previous year had turned out to be too big a project and that the Association would be unable to raise such a large fund alone.

Under new business, Mr. Chester Robbins, '13, reported on work of the Joint Committee for the establishment of a permanent secretarship. Mr. Robbins explained that under a "gentlemen's agreement" a person selected to fill such a position would be one agreeable to both the Alumni Association and the College. Mr. Robbins further stated that all applications for such a position would be welcome.

The question was then raised concerning the transferring of present duties of the elected secretary to the new position. After several proposals were made and withdrawn, a motion was approved to the effect that the Joint Committee be continued. Also a motion was passed that the Executive Committee during the ensuing year tie up the duties of the elected secretary to the newly created office, as the committee deemed appropriate and constitutional. A third motion was passed that a committee be appointed to look into the necessary constitutional changes in respect to the new position and also to study amendments desirable in other parts of the constitution. These changes should appear in a future issue of the Journal and will be voted upon by the alumni at next year's meeting.

Reports of the Special Committees were then received. Mr. Robbins reported that the Board had accepted the report of its committee and the committee discharged. Dr. Clarence Livingood then gave a statement on behalf of the Alumni, expressing complete confidence in the Board Committee. He stated that the Board and Alumni Committees were in complete agreement.

At this point of the meeting results of the election were given, and the new president, Rev. Blum, presided. Mr. William D. Reimert, '24, then gave a report from the Board of Directors, followed by a report by Evelyn Glazier Henzel concerning the Ursinus Women's Club.

The final business concerned the problem of a War Memorial. A motion was passed to the effect that a committee be appointed to discuss some type of War Memorial with the Long Range Planning Committee of the Board.

The meeting was then adjourned.

Alumni Day Activities

Alumni Day, held this year on Saturday, May 29, was poorly attended. Approximately 145 graduates and friends took lunch at the College, and 175 remained for the dinner. Unfortunately, the dinner, served outdoors on the West Campus, was marred by a heavy downpouring of rain. Perhaps because of the rain, which continued throughout the evening, or of previous commitments, an Alumni Dance, held in the Gym at 8:00 o'clock, was attended by only thirty-five couples. As a result of such poor attendance the Association finds itself out of pocket to the tune of $175 in order to pay Tommy Darlington and his orchestra for supplying tunes to an empty house.

Women's Club Takes Inventory!

With another successful year behind, the Ursinus Women's Club is looking forward to a continued intensity of activity and a larger membership for the 1948-49 season.

What constituted that successful year? A pledge of $1000 toward the construction of the new hockey field, of which $183 was realized through teas given by individual members, personal projects and contributions; a resumption of the pre-Christmas luncheon which did much to advance the fellowship of the group; and a "Spring Coffee" at Super House to introduce the senior girls to the purposes and objectives of the organization.

An unusual opportunity was given to acquaint the freshman girls with the existence and aims of the group when the president of the organization was invited to bring the message on the Student Council-sponsored Color Day. The year climaxed with the annual business meeting, a dinner, highlighted by "Mexico, Its People and Customs", dramatically portrayed from first-hand experience by Ruth Eppleimer Devine, '27.

To the Women's Student Council we are indeed grateful for a gift of $25.00 to be applied to the new field.

The future holds a challenge for new accomplishments. This, alumnae and friends of Ursinus, is your invitation.

EVELYN G. HENZEL, '32, President.
ALUMNI NEW PREXY

REV. C. E. BLUM, '27

Have a Look On the Inside!
By Rev. C. Eugene Blum, '27
President of the Alumni Asso.

In this first issue of the Journal to be published since the last annual meeting of the Association in May, I would like to take a few brief paragraphs to share several things, including some first-hand impressions, with the rank-and-file of the alumni body of Ursinus College.

Until I was elected to head the association in May, my connections with the college were those of any average alumnus, and my knowledge of the inner workings of the college, of the administration, and of the alumni group were very piecemeal and without much meaning. Since then, however, although there has been time only for limited contacts and study, I have enjoyed the thrill of looking around a bit on the inside where many of us had never been before.

Here are a few of the things that previously had pretty largely, if not entirely, escaped my notice:

The Growth of Our College—We usually know when a new building goes up or when additions are made to the faculty. I had also been aware of increased enrollment year by year, but had never taken time to translate that into a picture of the alumni body which certainly increased beyond all ordinary imagination in the past twenty years. The full list, both in numbers and quality of performance, is something to see.

The Future of Our College—It is gratifying, to say the least, to know that there is a blueprint for the college which is designed to keep Ursinus in a position of prestige and influence among other liberal arts colleges of the land, and furthermore, that this future has caught the imagination not only of our college family, but of influential friends as well.

The Supporters of Our College—I have in mind here not so much those who can put several thousands of dollars on the line, but rather those who have been saying a good word for the institution and have been willing to give a bit of time gratis on the side.

Perhaps this involves the most wholesome impression of all. Before I had a look on the inside, much of the information coming through led me to conjecture that most of the people interested in the college were also interested in some kind of free ride. Known for its ubiquity, this genus has some of its representatives about, no doubt. But I would like to bear testimony to a fine, representative group of the opposite type whom I have been privileged to learn to know, all members of our Alumni Association, who have been keeping the wheels going backstage for some time past, and who are animated solely by a sincere interest in the advancement and well-being of Ursinus.

In conclusion, I join with the Executive Committee in calling for the whole-hearted support of the entire Association, along with the Board of Directors, in the new endowment drive explained elsewhere in the Journal. Proceeding on the mandate of the May meeting, the Executive Committee has agreed that the Alumni Association support the program of the Directors with the understanding that the sum raised by the alumni be designated as a World War II Memorial Scholarship Fund.

Alumni Executive Committee Meeting

A meeting of the Executive Committee of the Alumni Association was held on July 24th at the home of the secretary, Mrs. William J. Grove, '38, Rev. C. E. Blum, '27, presided. Those present in addition to the president and the secretary were Frank Wood, '41; Dr. Charles Mattern, '30; Mrs. Eugene Shelley, '35; and Dr. Harry Pote, '33. Later, for a part of the meeting and at the invitation of the president, Dr. Norman E. McClure, '15, and Mr. D. L. Helfferich, '21, were present.

Discussion centered at first around the establishment of the position of a permanent secretary. The matter is at this time still in the hands of the Joint Committee and more definite information will probably come later.

A committee was selected with William J. Grove, '38, as chairman, for the purpose of examining the constitution in order to suggest improvements and especially to make possible the transferring of present duties of the elected secretary to the permanent appointed position.

Dr. Charles Mattern, '30, and Dr. Eugene Miller, '33, were chosen to serve on the College Library Committee.

Dr. McClure presented to the group the plan of the Board of Directors for launching a drive to raise $250,000 over the next three years. The Board had hoped the Alumni Association might sponsor the raising of $100,000 of this amount in the form of a War Memorial Scholarship Fund. After much discussion, the Executive Committee went on record in the form of an approved motion endorsing the $250,000 permanent endowment fund of the Board of Directors and adding that the Alumni Association would contribute its efforts to raise at least $100,000 of this amount as a War Memorial Scholarship Fund.

Rev. Blum then discussed the idea of making Alumni Day more attractive. Various suggestions were made, and it was decided that at a later date a committee would be appointed to plan Alumni Day.

No further action was taken and the meeting was adjourned.

THE LOCALS

The Ursinus Berks County Alumni Association held its annual dinner meeting at the Reading Country Club on May 12th. Dr. Norman E. McClure, Donald L. Helfferich, and Dr. Eugene H. Miller brought greetings from the college. Mrs. Anna Knowler Helfferich entertained the guests with several original Pennsylvania Dutch skits.

Officers elected for the year 1948-49 are Donald L. Fetterman, '41, President, and Mrs. Robert G. Ohlinger (Esther Shirley, '21), Secretary-Treasurer.

The Ursinus Alumni of York and vicinity banqueted and chatted together on May 1, 1948, at Bierman's Restaurant in York. Besides a delicious turkey dinner, there was good company, and that included Dr. N. E. McClure, "Ty" Helfferich, and Coach Jerry Seegers. The latter was a new acquaintance who won himself a place in the hearts of York Alumni. Mr. Charles H. Noss, a director of the College, showed pictures of May Day at Ursinus. These pictures (Continued on page 11)
Addition and Subtraction

Welcome

Dr. Cornelius Weygandt has been appointed Visiting Professor of English. During a half-century at the University of Pennsylvania, Dr. Weygandt has attained international distinction as a writer, teacher, and lecturer. At Ursinus Dr. Weygandt will teach a course in modern poetry.

Dr. Walter Brenton Ross joins the Faculty of Ursinus College as Associate Professor of History. After completing his undergraduate work at Dalhousie University he was selected Rhodes Scholar for Nova Scotia and was granted the Master of Arts degree from Oxford University. After further study at the University of Toronto and at Harvard University, he received from Harvard the degrees of A.M. and Ph.D. During the last four years Dr. Ross has taught at Harvard University and Vassar College.

Miss Maribelle Waldo has been elected Assistant Professor of Physical Education. Since her graduation from Colorado State College of Education, she has done graduate work at Colorado State College of Education, The University of Pennsylvania, The Pennsylvania State College, and Temple University. She has for several years been a teacher of physical education.

Mr. Malcolm Campbell, A.B., Swarthmore College, LL.B., Temple University, has been appointed Instructor in Political Science.

Mr. George C. Elser has been appointed Instructor in Spanish. Mr. Elser is a graduate of the University of California at Los Angeles and has done graduate work in Middlebury College, Vermont.

Mr. Tilton M. Barron has been appointed College Librarian, taking the place of Charles Miller, '24, who resigned. Mr. Barron is a graduate of Colorado College and the Library School of Columbia University. He comes to us from a position as assistant librarian at City College of New York.

Thus Spake the Registrar

Present enrollment figures indicate a record student body for the Fall of 1948. At the date of writing, one week before the opening of College, there are 160 men and 85 women enrolled in the Freshmen class—a total of 245. Transfer students number 55. Qualified graduates of the Area Colleges account, in large part, for this latter figure. Pending applications and special students will bring the total of new students to approximately 310.

Seven-hundred and twenty-five old students have registered for the Fall term. Ten of these are returning to College after serving in the Armed forces. The grand total of approximately 1,035 surpasses last year's 986 and 1946's 885. However, the sharp drop in Veterans' enrollment in the Freshmen class is indicative of the fact that the peak in student population will have been reached this Fall. The class of 1952 has only 40 Veterans enrolled compared with 127 in the class of 1951. These figures represent a percentage decrease for Freshmen Veterans from 52% in last September's class to 16% in this year's.

Although the College will have an enrollment that doubles the pre-war population, the academic standing of the new Ursinusites is still high. For the last three years the Faculty and the Committee on Admissions have had many more candidates for admission than could possibly be accommodated. Consequently the present student body represents the "cream of the crop", selected on the basis of preparatory school record, college board entrance examination scores, and a personal interview.

Instruction facilities and living accommodations have kept pace with expanding enrollment. The faculty has increased to sixty-five, maintaining the sound faculty-student ratio characteristic of a small college. Freshman sections in Mathematics, English and History are limited to 25 students.

Continued use of the Annex and of rooms in private homes in town makes it possible to accommodate 720 Resident students. Ample additional parking space has been provided for the large post-war bulge of day students.

The Registrar's office appreciates greatly the help of Alumni in recommending applicants for the College. Please continue to send suggestions to us.

The 1948 Summer Session

The College conducted its seventh successive Summer Session July 6—August 28. As in the previous six years the curriculum was designed primarily to meet the needs of students whose education had been interrupted by the war. Twenty regular members of the Faculty offered courses in each of the seven Groups.

Veterans numbered 124 in a total enrollment of 177. Men predominated in a ratio 6-1, 152 men—25 co-eds. (There was no summer school dance.) The fact that only six of the summer students were freshmen reflected the passing of the flood of first year veterans.

In addition to serving the needs of Ursinus students the Summer session made it possible for local men and women, who are attending other colleges as Resident students, to complete credits that they needed for their own accelerated programs. Several local school teachers also found the Summer School program the answer to their certification or credit requirements.
Bunny Harshaw Vosters Runner-Up
For Tennis Championship

Mrs. Francis Vosters ("Bunny" Harshaw, '40) came in second to Mrs. Wm. Rawls (Hope Knowles) on July 18, 1948, in the Middle States Women's Lawn Tennis Singles Championship Tournament. This was the second time this year that Mrs. Vosters, seeded second, was runner-up to Mrs. Rawls, the previous time being in the Philadelphia Grass Court Championship.

The Middle States Tournament was held at the Philadelphia Cricket Club with 48 women competing. In the semi-finals Mrs. Vosters had defeated such star players as 15-year-old Laura Jahn on July 16, 3-1, 8-6, 6-1; and Sylvia Knowles, Mrs. Rawls's sister, in 50 minutes on July 17, 8-6, 6-3. Mrs. Rawls won over Mrs. Vosters in a 40-game final. Their match lasted an hour and 40 minutes, and when it ended Mrs. Rawls had 137 points and Mrs. Vosters 129.

In the doubles championships which accompanied the singles tournament, Mrs. Rawls and Mrs. Vosters defeated Nancy Morrison and Jane Austin 6-1, 6-1, on July 17. They went on to win on July 18, beating Sylvia Knowles and Virginia Boyer 1-6, 6-1, 6-1.

In August in the national championship games with 52 women starting in the competition, Mrs. Vosters reached the quarter-finals and succeeded in beating the French woman tennis champion.

Mrs. Vosters won her first tournament in the girls-up-to-eighteen group at the age of 15, winning this two out of three times. In her last year of Junior competition, she was rated third in the U. S. In Women's competition she has reached ninth place nationally. She also excels in basketball and in hockey, in which she made the All-American squad.

News About Town

By Muriel B. Pancoast, '38

A new school year starts, and we here in Collegeville have ready, I think, to give up lawn-cutting, garden-tending, sunbathing, canning—and vacation trips—for a little while. We are looking forward to fall and winter months and the many activities that return with the close of summer.

We've had some good baseball games this summer. The Collegeville Colonels were the champions of the Perkiomen Valley Twilight league this year, and even came through the playoffs without losing a game. They have a record of 19 straight wins; and Collegeville fans are proud of them.

Speaking of baseball, every year the Collegeville Old Timer Baseball stars challenge the local team to a game. I can't give you the score for this year, I saw the game, but lost track completely; and although I felt a little abashed, I felt better when I read in our local paper that the final score—"while it is known to be tied—had not yet been audited." Among folks you might know who played on the Old Timers team were Joel and Warren Francis, Ken Nace, and Ed. Poley. Many of you, will remember Johnny Gottshalk, the local mail carrier. He was umpire for the game—an impressive one, to be sure, and one who seemed actually to enjoy the hoots of the crowd. At one point in the game, after a poor decision, he was literally carried off the field in the custody of the local police officer.

We want to send best wishes to Betty Ann McClure, the daughter of our President who sailed for England on the Parthia on September 17. She has won a fellowship from Bryn Mawr given by an English family whose daughter was graduated in Betty Ann's class. She will study at Girton College, Cambridge. It is a wonderful opportunity and experience for a very deserving girl.

From the front porch of Duryea, we have a very lovely view of the campus and campus buildings. And we've been interested to note that recently the skyline has been changing slightly. We've discovered the reason—an observation dome has been built atop Pfahler Hall. Upon inquiry, we learned that one of our Ursinus seniors in the physics department, Walter Marsteller, is responsible for the design and construction of this wonderful new addition. We are mighty proud of him, and happy to have the tower.

Some well-known old timers have been in the Collegeville area lately. Charlie Steinmetz, '40, shared several of his few vacation days with us. And by now he is back teaching German part time at M. I. T. and doing his residence work for his Ph.D. at Harvard. It's a grind, says he, but he seems to like it.

Pete Stevens, just as big and smiling as ever, has been seen with his Temple University footballers practicing at Britth Sholom camp (the Ursinus College Annex grounds). Best wishes, Pete, for a good year.

Some of the Ursinus professors were called on to help with the Peacetime Draft Registration here in Collegeville. Mr. Howard B. Keyser, '10 heads the Registration Committee, and has been an exceedingly busy man. His duties as (Continued on page 9)
The College gratefully announces the transfer to its name under a gift annuity arrangement of the fine old Fetterolf house on Main street next to Super House. This act was consummated by Miss Hattie Fetterolf following the death this spring of her sister, Mrs. Adele T. Miller, one of Collegeville's most respected citizens.

For the past several years this venerable stone dwelling had been occupied by Miss Fetterolf and Mrs. Miller and, beginning this fall, will provide comfortable and much-needed housing for eleven men students. Miss Fetterolf will continue to make her home there on the first floor.

The dormitory role is not a new one for this house. A few of our older male alumni, in particular, will remember the kindliness of these ladies while they lived there during their student days at Ursinus. Some of these earlier occupants were Dr. John Lentz, Dr. Howard U. Miller, Dr. George L. Omwake, Dr. Jesse Heiges, Dr. Hunsicker, William Reimert, William Reiff, Dr. James W. Memminger, and Dr. John Lindeman.

The Shifting Scene

The campus has undergone many changes in the past year. With a day student enrollment of approximately 300 and another 100 to 150 resident student cars on campus, an acute traffic and parking problem developed. This summer road contractors have been grading and constructing an extension of the parking area at the rear of the Library along the drive to the barn, and constructing another parking space between the location of the proposed women's dormitories and the Maintenance Building. This latter area will also serve as a parking space for spectators at the Women's Athletic Field.

A parking space at the new gymnasmium has been surfaced. Some of the old drives on campus were widened and most of them were resurfaced, as were most of the walks. A new bituminous concrete walk was laid from the Library to Sprinkle Hall, which has been transformed into a dispensary and infirmary.

The Library front steps were rebuilt last year, but no craftsman could then be found to rebuild the wrought-iron railing for the steps. This summer that job was completed.

A new Women's Athletic Field has been under construction this summer at the extreme eastern section of the campus. This site was selected because of its proximity to the proposed women's dormitories and because it presented few problems in construction. The field is 320 by 200 feet, and 3711 cubic yards of earth had to be moved and 2000 cubic yards hauled into the area for grading. The constant summer rains impeded the progress, but the final grading and seeding were finished at the end of September.

The new Maintenance Building is also adjacent to the eastern boundary of campus, next to the barn. This provides Mr. Godshall, the Superintendent of Buildings and Grounds, with a garage for college equipment, a carpenter and metal shop, a storage room, another 600-cubic-feet storage room which is refrigerated for the steward's use, and an office. This building was reconstructed from a building given to the college by the Federal Works Agency under the Veterans' Educational Program, as was the new gymnasium. The Maintenance Building is 80 by 60 feet, the exterior finished in green shingles. This building and the Women's Athletic Field have greatly improved the ten acres behind the barn in the eastern section of campus.

The interior of Bomberger received treatment from electricians, painters, and carpenters.

On the flat deck top of the roof of Pfahler Hall has been constructed a steel and aluminum housing for the Elihu H. Thompson telescope. This telescope has been loaned to the College by the Franklin Institute of Philadelphia and will be used to study the heavens by college classes and scientists of Franklin Institute. Alumni should try to visit this structure in the future.

Burton Bartholomew, ex-'45, resigned as Assistant Superintendent of Buildings and Grounds at Ursinus to become Superintendent of Buildings and Grounds at Lake Erie College, Painesville, Ohio. He left June 18 and was succeeded by Russell L. Remig, a graduate of Rensselaer Polytechnic Institute.
supervising principal are always heavy in September with the opening of schools, and this year he has the added work of the Registration Committee. It is interesting to note that one of our alumni, Jack Hartman, '29 is Mr. Keyser's assistant in this work.

We had a carnival in town a couple weeks ago, sponsored by the Collegeville A. A. and held on the grounds of the Superior Tube Company. It was a real country carnival, complete with ferris wheel, merry-go-round, bingo, side shows, refreshment stands, barkers, and a trapeze artist.

Ursinus opens this fall with a new high in the number of students. From records thus far, we'll top 1000. That seems like a large number, doesn't it? But although our college grows, it still manages somehow to be a friendly, cheerful place—a happy part of a congenial town. We have added new buildings like the gymnasium, the Fetterolf House for men, and a maintenance building. And now we understand there is a new grandstand to be erected on the north edge of the football field that will accommodate 1000 additional spectators. That's happy news for old timers who like to return for football games.

It is always splendid, I think, to find men who are connected with the college taking part in the activities of the town. While it would be very easy for the college folks to wrap themselves up in their own little world, it makes for harmonious living if the college people are truly members of the town, too. I was extremely interested to find that many of our Ursinus men are taking part in town affairs. For instance, Dr. George Hartzell is the borough secretary, Dr. Russell Sturgis and Prof. Martin Witmer are members of the Collegeville-Trappe School Board. Mr. William Pettit is the chairman of the Collegeville Board of Health. Dr. Eugene Miller is chairman of the town's Zoning Commission. That's a few of which I know at present, but names of the college men appear constantly in the town paper, working for the town in one capacity or another.

It is interesting to note, too, that several Ursinus graduates who live here in town hold important positions. Joel Francis, '28, is a member of the School Board; Paul Levengood, '35, is president of the local Lion's Club; Bill Grove, '38, is president of the Collegeville Athletic Association; and Lou Krug, '37, is heading the local Red Cross Drive. That's a good showing.
Activities of the “Bears”

FOOTBALL

Head Coach Kuhrt Wieneke and backfield Coach Ray Gurzynski, ’39, invited forty men, including twenty-seven regulars from the ’47 season, to report for pre-season practice.

Among the veteran backfield men who were invited back are Don Young, scat-back and last year’s big ground gainer, Lou Wilt, husky blocking back, and plunging backs George Kennedy, George Saurman, and Frank Scirica.

With Andy Bain’s graduation, Charles Ginsky, another ’47 veteran, falls heir to the center slot. Surrounding Ginsky are such stalwarts as ends John Kajmo and Bill Turner, and experienced linemen Ron Landes and Ray Blydenburgh.

Only ten freshmen, most of whom are linemen, were invited back. A large number of Frosh, however, are expected to report for practice when the school session opens.

The team, both in the line and in the backfield, will be heavier this year than during the 1947 season and, with a somewhat revised schedule, should raise its won-lost percentage well over that of last year.

Eight games, an addition of one to the past seasons numbers, will be played. Three new opponents, Dickinson, Wagner, and Susquehanna, have been scheduled and Juniata and Moravian will not be played.

The Bears opened their season with Drexel at Patterson Field, on Oct. 2. Oct. 9 finds them pitted against Haverford, at Haverford, and Oct. 16 and Oct. 23 find them at home contesting Dickinson and Swarthmore respectively.

On Oct. 30 the Grizzly’s travel to Staten Island to square off against Wagner College for the first athletic contest of any type between the two schools. The grueling F. and M. contest will be played at Lancaster on Nov. 6.

The third newcomer to the schedule, Susquehanna, will provide the opposition in the season finale, Nov. 20, at Selinsgrove, Pa.

The annual Old Timer’s Day game will be played here on Oct. 23, with Swarthmore as the opposing eleven.

Varsity Football Schedule—1948

Director of Athletics—E. M. Bailey
Head Coach—Kuhrt Wieneke
Assistant Coach—Ray Gurzynski
Senior Manager—Ed Stevens

Oct. 2—Drexel ............. Home
Oct. 9—Haverford ............. Away
Oct. 16—Dickinson ............. Home
*Oct. 23—Swarthmore ............. Home
Oct. 30—Wagner ............. Away
Nov. 6—Franklin & Marshall . Away

SATURDAY, OCTOBER 23
Old Timers Day
To Return to the Campus
Arrange by phone or mail with your classmates to join you at the game.

SOCCER

The soccer team will begin its eight game season with the loss of only four of last year’s lettermen.

The loss of the four, however, may deal the team a severe blow for among those not returning are All-American Archie Simons, and the teams chief goal-maker, Dick Fink. Although the team played generally good defense last year, Simons and Fink provided the scoring punch practically alone.

Several men, however, who should have gained much from last years experience, will return to the forward line and it is generally hoped that the team will function better as a unit than has been true in the past.

Ed Ulmer, who up until this time has not displayed his pre-service form, will return to an inside position. Big-footed center-forward Ken Fordham will be back, as well, and so will Jim Duncan, Mike Harrington, Jim Johnson, Chad Alger, and Bill Meinhart.

The halfback positions will be exceptionally strong with the return of John Arthur, Russell Berry, and John Peterson and the fullback positions will have veterans Dave Dahney and Dick Wentzel returning to them.

This will be Coach Donald Baker’s seventeenth season as Ursinus soccer mentor and he has revised the schedule to include Muhlenberg College and Lincoln University. Steven’s Tech and Rutgers University will not be on the schedule this year.

Varsity Soccer Schedule—1948

Head Coach—Donald Baker
Oct. 16—Muhlenberg ............. Away
Oct. 19—Lafayette ............. Home
*Oct. 23—Alumni ............. Home

Ursinus College Bulletin
BASEBALL

This past spring the Ursinus baseball team completed a successful season with seven wins against five losses. Inclement spring weather prevented the players from reaching mid-season form, but the team played exceptionally good ball.

Victories were scored over Elizabethtown, Haverford (twice), Drexel, P. M.C., Swarthmore, and Juniata; and LaSalle, Dickinson, F. M., Moravian, and Delaware defeated the Bears. Ursinus scored 18 runs against Swarthmore and Drexel to win easily. LaSalle squeeze-bunted the winning run over a 5-4 win on the Bears in the last of the ninth inning, and Delaware won 4-2 by virtue of a three-run rally in the last half of the eighth inning.

The entire squad of baseball players will return to college this year with the exception of the shortstop and Captain, Archie Simons of Hellertown, Pa. Simons was one of the four regulars who hit for an average of over .325. Wally Wilholm, the team's catcher, led the team in hitting with a .342 average. Ron Landes, of Collegeville, pitched four wins for the team against two losses, while three other pitchers shared the starting assignments and each had a victory to his credit.

The 1949 diamond squad of experienced players should prove real opposition to the colleges in this area.

TRACK

Renewed interest in the sport of track under the capable coaching of Ray Gurzynski has just begun to show results. This spring the track squad was victorious over PMC in a dual meet, took second in a triangular meet, fourth in the Neighborhood Meet, and ninth in the Middle Atlantic championships. Haverford, Lehigh, and F. M. topped the Bears in dual meets.

A total of 21 men scored points for the squad. Leading scorer was George Kennedy, of Jeffersonville, with 59 points. Kennedy broke his own college record in the discus event three times, establishing a new record of 136 feet, 6 inches. His toss of 133 feet, 2 1/2 inches gave him the Middle Atlantic crown in this event. Ray Blydenburgh, who scored 29 points, also bettered the old discus record but remained behind Kennedy. Russ Binder, Middle Atlantic 100-yard dash champion, was undefeated in this event all year. He compiled a total of 39½ points for the season. Bill Turner, of Cheltenham, was a consistent point winner in the hurdle events and the pole vault. He set a new college mark of 12 feet in the pole vault event while amassing 48½ points during the season.

Most of the squad returns to college this fall. Jerry Rotwein, consistent winner in the javelin throw, and George Pearson completed their college work, but other point-winners will be battling for places on the squad when spring rolls around. Coach Gurzynski should have a good track season and Ursinus should better its record of the past year.

THE LOCALS

(Continued from page 5)

were most beautiful and nostalgic.

Plans were begun to have four meetings during the year, and Charles Barnes, '40, was made chairman of a committee to plan for these. Dave Stephenson, '34, the 1947 President, was the genial master of ceremonies.

Officers elected for 1948-49 were the following: Rev. Albert Robinson, '36, President; Miss R. Claire Frank, '28, Vice-President; Mrs. Miriam Fissel Newbold, '31, Secretary; Fred Glatfelter, '39, Treasurer.

In 1948, as usual, the Ursinus Alumni Association of New York City and other surrounding villages assembled on its regular annual meeting date, the first Wednesday in May, with Jim Donaldson, '30, presiding. The conclave was held at Midston House, with 38 or so present.

As in former years, it was difficult to get those present to sit down for victuals, as everybody seemed bent on enjoying everybody else socially. Especially gratifying was the large number of new faces present.

This year's program met the group's usual standards of interest and variety.

We were honored in having the State of the College presented to us by Four Horsemen of the Faculty, namely, President McClure and Professors Brownback, Armstrong, and William J Phillips. A piano recital of original compositions and adaptations of modern and classical composers was given by Mr. Paul Blackmore, scientist and composer, a friend of one of the members. A travelog, "Adventures in the Great American Desert", with original natural color slides of a trip to that region by Jeanne Gilbert, ex-'25, and Lillian and Wilson Baden, '19, then sent everybody travelling towards his own home.

New officers elected were the following: Jesse G. Heiges, '35, President; Naomi Kistler Roeder, '24, Vice-President; J. Wilbur Clayton, '28, Treasurer; and Helen Hafemann, '46, Secretary. All alumni in the New York area are cordially invited to next year's meeting; you know the date—please keep it open. Be-seeing-ya!

The annual meeting of the Lehigh Valley Area Alumni Assoc. was held in the Gold Room, Hotel Easton, May 15. The Rev. R. Maxwell Paine, '26, was the toastmaster and Gerald Batt, '45, acted as song leader. Rev. Melvin Dillin, '31, gave the invocation. The program included readings by Mrs. Jayne Zabel Batt '47, and a talk on South America by Dr. Eugene Miller, '33, registrar at Ursinus. After the banquet Rev. Paine conducted a business meeting. The following officers were elected: President, Hayden Pritchard, '16; Vice-President, Margaret Miller, '26; Secretary, Mildred Hahn, '31; Treasurer, Gerald Batt, '45. The next meeting and banquet will be held in Bethlehem next spring.
CLASS OF '02
Rev. Dallas R. Krebs, D.D., has changed his address to 74 So. 3rd St., Hamburg, Pa. He is now retired from active ministry.

CLASS OF '05
Ralph E. Miller, a member of Ursinus’ Board of Directors, was a surgical patient at Graduate Hospital, Philadelphia, returning to his home on September 7.

CLASS OF '06
Miles Keasey passed away May 3 at the age of 69, and is buried in Arlington Cemetery, Delaware County, Pa. He had been a teacher at Drexel Institute. He was the author of a number of widely-used textbooks in the field of mathematics.

CLASS OF '08
George H. Bordner, D.D.S., who had been living in York, Pa., died April 16.

CLASS OF '10
Dr. E. C. Wagner and Roger P. Staiger, ‘43, recently made a valuable contribution to literature in the field of chemistry. Their article on “Reactions of Iatoto Anhydride with Ammonia” appeared in the May, 1948, issue of the Journal of Organic Chemistry.

CLASS OF '11
Rev. John W. Keener’s new address is R. No. 2, Dundes, Ill.

Henry Mathieu is serving this year as president of the Pennsylvania Realtors Association.

CLASS OF '12
Rev. Dr. Frank Herson died July 30 in Milford, Del., after serving for 21 years as pastor of the Avenue Methodist Church there. Dr. Herson was active in church and town affairs. He is survived by his wife and two children.

CLASS OF '15
Anne Schlchter’s address is Argyle Court Apts., 126 Argyle Rd., Ardmore, Pa.

Harvey R. Vanderlippe, Professor of Education at Ursinus, is now living at 106 West 7th Ave., Trappe, Pa., where he has purchased a home.

CLASS OF '16
Mrs. Walter Miller (Margaret R. Care) can now be reached at 9 Yought Ave., Freehold, N. J.

Ronald Kichline is a popular sports news commentator over Station WHUM in Reading, Pa. He also teaches math in the Reading school system.

Dwight O. Kerr is now located at Apt. 3E, 230 W. 99th St., New York, N. Y. He is a special agent for the Penna. Railroad, retired from the army after 35 years of service as a civil employee.

CLASS OF '17
Paul J. Lehman is now residing at 333 So. 13th St., Harrisburg, Pa.

Clarence Scheuer is president of the Spring-Ford Country Club at the present time.

CLASS OF '18
Mrs. Robert D. Evans (Effie S. Brant) died in June at her home in Trooper, Pa. She had long been with Ursinus as a member of the Board of Directors and an officer of the Alumni Association. She was also active in Norristown community affairs. She is survived by her husband and three children.

Dr. John R. Bowman died July 1, 1948, of a heart attack while fishing for bass near his home. At Ursinus he was halfback and fullback on the football teams of 1915, 1916 and 1917. He had been employed as chief of the statistical and research section of the Penna. State Revenue Dept.’s Highway Safety Bureau. His widow survives him.

CLASS OF '19
Robert Truckess, ex-’19, Norristown lawyer, was appointed solicitor to Montgomery County’s Controller’s office in August. He has been active in county Republican circles.

Mr. Truckess lives in Fairview Village, Pa.

CLASS OF '20
Herbert R. Longacre, ex-’20, died September 12, 1948, of a heart attack at his home near Collegeville. He was an Ursinus athlete who went on to play professional baseball and football. He is survived by a son and two daughters and a sister.

CLASS OF '21
Rev. Oliver K. Maurer, D.D., celebrated with appropriate ceremony his 20th anniversary as pastor of St. John’s Evangelical and Reformed Church, Red Lion, Pa., on September 19, 1948. Rev. Dr. John Lents, ’02, vice-president of the Evangelical and Reformed Church and for many years pastor of the Collegeville E. and R. Church, was the guest speaker on the anniversary Sunday.

CLASS OF '22
Dr. Harry Bacon, ex-’22, delivered a paper in Rome, Italy, before the International College of Surgeons. He is the author of a standard text on Proctology.

CLASS OF '23
Rev. Herbert R. Howells, pastor of the St. Andrew Centenary Methodist Church at 45th and Walnut Sts., Philadelphia, is now leading a program called “Methodist Melodies” over Station WDAS in Philadelphia every Sunday afternoon.

CLASS OF '24
Charles H. Miller resigned his position as librarian at Ursinus to take a similar job at the University of Nebraska in June. He sold his home in Collegeville to Dr. and Mrs. John W. Clawson and is now living with his family in Lincoln, Neb.

R. C. Johnson has taken a position as manager of McCarrhers electrical supply store in Pottstown, Pa.

CLASS OF '26
Malcolm Dirk is the new principal of the Glenside Cheltenham Elementary School this year. He had formerly taught at the Thomas Williams Jr. High School and has a 19-year record of teaching in the schools of the Township. He is living in Wyncote, Pa.

CLASS OF '27
Prof. and Mrs. George H. Haines (Mary M. Garber) are now living at 424 So. Durn St., Bloomington, Ind.

Rev. and Mrs. Clair Eugene Blum (Helen Lucas, ’28) moved from Bethlehem, Pa., to 183 Merion Rd., York, Pa., where he holds the pastorate in the historic old Trinity First Reformed Church.

CLASS OF '28
Rev. Reginald H. Hefflerich spent his third consecutive summer in Germany as a member of the Board of Directors of the Church World Service Displaced Persons Commission. He attended the World Council of Churches in Amsterdam as a member of the press. His articles on Europe have appeared in a number of U. S. newspapers. He is pastor of the Christ Evangelical and Reformed Church, Bath, Pa.

CLASS OF '29
Irwin S. Leinbach, M.D., left in May for three months in Europe to attend the assembly of the International College of Surgeons in Rome from May 18-23. The rest of his trip was to be used in visiting orthopaedic clinics until his return the first week of August.

Richard S. Newcomer is now head of the Department of Business Administration at Franklin College, Franklin, Indiana.

CLASS OF '30
Henry H. Alden was elected treasurer and ass't. secretary of the American Welding and Manufacturing Co. in Warren, Ohio, in May. He was first employed by this firm as an accountant in 1941. He is a member of the American Management Assoc., the National Assoc., of Cost Accountants, and is active on the educational committee of the Warren Chamber of Commerce.

Dr. Calvin D. Yost, Jr., Professor of English at Ursinus, has been a Reader for the College Entrance Examination Board, which meets several times a year at Princeton University, for two years.

Philip Willauer is a member of the Exchange Club of Philadelphia.

CLASS OF '31
Malcolm B. Hahn is now a member of the English Department of Reading High School. She had been teaching at Wilson High School in Easton, Pa.

Rev. Kenneth N. Alexander has accepted a call to a new pulpit, Christ Methodist Church, New York, N. Y., and is leaving First Methodist Church in Germantown.

Edwin Krall is another member of the Exchange Club of Philadelphia.

CLASS OF '32
Dr. Clarence S. Livingood has been appointed professor of dermatology at Jefferson

Ursinus College Bulletin
Medical College. He was formerly assistant professor of dermatology and mycology at the University of Pennsylvania Medical School. During World War II, Dr. Livingood was a lieutenant-colonel in the Army Medical Corps, serving in the India-Burma theater. He is also co-author of the Manual of Dermatology and author of other papers in his field.

Helen H. Keeler was recently promoted to be principal of the Lower Salford Consolidated School at Harleysville, Pa.

Charles V. Roberts is also a member of the Philadelphia Exchange Club.

CLASS OF '33

Mrs. James W. Freeborn (Frances R. Grogan) is now living at 805 Stanbridge Ave., Norristown, Pa.

Mrs. Richard Anderson (Gladys Urich) has moved to 612 Brandon Ave., Jacksonville, Miss.

Dr. Eugene H. Miller, Registrar at Ursinus, represents his alma mater at the Mt. Holyoke College Institute on United Nations for the week ending July 3rd. There were 80 such representatives at Mt. Holyoke. They travelled to Lake Success to observe meetings of the U.N. and heard officials of four foreign governments speak at Mt. Holyoke. He recently has written a chapter called "National Expenditures and the Federal Budget," in a book edited by W. L. Goddall of Lehigh University named Principles and Functions of Government in the United States. The book was published this year by D. Van Nostrand Co., Inc., New York.

Dr. Harry D. Pote is president of the Philadelphia chapter of the Exchange Club, with a membership of 130. Ursinus has eight representatives in the club, which is the largest number of people from any one college in the club.

CLASS OF '34

Henry S. Detwiler's present address is 228 E. Summit St., Souderton, Pa. In March he was elected to be secretary of the Souderton Bldg. and Hotel. Last January, the Detwilers welcomed a five-month-old boy into their home, naming him Roger Henry.

CLASS OF '35

Mr. and Mrs. Harold D. Reece (Ruth Burrows) announced the birth of a daughter, Linda Jean, on June 24th. They have one son, James David.

W. H. Evans of 1738 S. Avondale St., Philadelphia, Pa., has a new job as a medical representative for Lederle Laboratories Division of American Cyanamid Co., territory of southern Jersey.

Dorothy Horne Warfield is teaching during the fall term at Wrightsville High School.

CLASS OF '36

Pauline E. Hefflefinger's new address is R. F. D. No. 2, Hummelstown, Pa.

Robert L. Brandaur was recently promoted to be assistant professor in science at State Teachers College, Brockport, N. Y. He has had a teaching fellowship at Cornell, was an instructor-supervisor at New York State College for Teachers, and instructed at Robert College and Engineering School in Istanbul, Turkey. At present he is a candidate for a doctor's degree at Syracuse University. He and Mrs. Brandaur are now living in Brockport, N. Y.

John H. Brown is now located at Southampton, Pa., Box No. 72. He is a sales representative of the NutWeave Hosery Co., Pottstown, Pa. He is married and has three children.

Lyndell Reber of Royersford, Pa., Executive Director of the Central Montgomery County Board of School Directors, two years, has submitted her resignation to the Council. She has also directed the Summer Girl Scout Camp Kwiwasi at Obelsik, Pa. Mrs. Rollins, Commissioner of the Council, stated that she was yet to lose Miss Reber, since she was efficient and capable.

Cmdr. Norris A. Johnson of Trappe, Pa., was one of two naval officers from Pennsylvania who was engaged in the naval flight training contest. He has been in the service for 11 years and served as a Navy bomber pilot during the war, when he received the Distinguished Flying Cross, the Air Medal, and the Soldier's Medal, an Army award. He received the latter award for disregarding the danger to his life when removing a number of injured men from a burning plane. At present Cmdr. Norris is stationed on Guam, while his wife and three children are temporally living in Honolulu.

CLASS OF '37

**THE CONVOCATION**

(Continued from page 3)

degree; Catharine MacFarlane, an Sc.D. degree; Thomas Jefferson Williams, an LL.D. degree; and John Alford Stevenson, an Litt.D. degree.

Finally, as is the custom, President McClure announced the following prize-winners for the year:

Harold Grossman and John E. Dahlman, both of the Class of 1948, received $25 each under the Robert Truckness Prize, for displaying promise of success as future members of the legal profession.

The Paisley Prizes of $25 each were awarded to Theodore M. Burns, of the Class of 1948, and Barbara E. Jarden, of the Class of 1949, for the best dissertations on an assigned topic.

Robert N. Jordan, Jr., of the Class of 1951, and Anna C. Boyer, of the Class of 1949, were presented the Boesilfe Prizes for having attained the highest standing at the end of the first year in the study of Greek.

The Ursinus Women's Club Prize for the outstanding woman athlete was awarded to Hilda E. Anderson, of the Class of 1948.

For writing the best pageant, Barbara P. Shumaker, of the Class of 1950, won the Ursinus Circle Prize of $15.

The Ellen Beaver Schlaybach Memorial Prize, awarded to the woman who attains the highest scholastic average upon the completion of four years, was given to Constance I. Bartholomew.

The George Ditter Prize of $25, for the History-Social Science major who gives promise of contributing most to the perpetuation of democratic self-government, was won by Randolph A. Warden, of the Class of 1948.

The I Calvin Fisher Prize of $50 and the Leibensperger Award of $20, both given for good citizenship and outstanding helpfulness and friendliness, went to James J. Kromka and Richard M. Reid, both of the Class of 1949.

The recently established Elizabeth B. White Prize, for the woman student as a history major gives most promise of success in this field, was awarded to Dorothy J. Marple, of the Class of 1948.

The Rosicrucian Prize, presented to the woman student with the highest scholastic average at the end of the freshman year, was awarded to Nancy Bare, of the Class of 1951.

**Ursinus Athlete Wins Maxwell Award**

On October 11 Donald Young and Coach Kuhrt Wieneske were honored at a luncheon at the Warwick Hotel in Philadelphia, and Don received the Maxwell Player of the Week Award.

This award is given each week during football season to the outstanding athlete in the Philadelphia area. Young, who hails from Catasauqua, Pennsylvania, and weighs but 145 pounds, is the sparkplug of the Ursinus football team. He is Coach Wieneske's best passer, kicker and runner. He is a sophomore, 19 years of age.

There is some glory here too for the Rev. Mr. Willard Kratz, '27. He directed Don Young to Ursinus.

**Bear's Teams Now Have Skilled Trainer**

To fill a long-felt need by the Bear athletes, Ursinus this summer sent Chester Hilger, '49, to a course designed especially to teach men to become qualified athletic trainers for all sports. This course, the only one of its kind in the United States, was conducted by S. E. Bilik, M.D., who has had 30 years of experience in training work. Dr. Bilik began his career as a trainer at Illinois University. He continued work related to this as a colonel in the army during World War II, and he is now Director of Medicine at Bellevue Hospital, New York.

There were about 20 men in Mr. Hilger's class, so Dr. Bilik had an opportunity to give each one individual attention. Those taking the course included the trainers from Penn State and So. Carolina University.

The course was given at the Eastern School for Medical Aids in New York. Afternoon lectures were given by various famous trainers, such as Eddie Zantrini of Princeton, Bill Dayton of Tulane, and Comdr. Mickey Merlennon, formerly of the U. S. Coast Guard and now trainer for the New York Yankees football team. These men are all former students of Dr. Bilik. Dr. Bone, an osteopath who is now trainer for the Cincinnati Reds baseball Club, also gave several lectures.

Practical work for Mr. Hilger and the rest of the trainers came often, as they learned the correct operation of machines used in physical and electrical therapy, the approved technique in bandaging, strapping, massaging, and caring for athletes' injuries. Three days were spent with Dr. Bilik in his clinic at Bellevue Hospital diagnosing injuries and prescribing treatment.

Chet Hilger is a navy veteran who returned to college after having been out in business for some years. He originally came to Ursinus with the Navy V-12 unit as a physical education specialist.
New College Position Open

Candidate Sought for Job of General Alumni Secretary and Director of Public Relations

The attention of all Alumni is directed to the fact that as a result of the cooperative efforts of Committees representing the Board of Trustees of the College and the General Alumni Association, a plan has been worked out under which a new position in the Administrative Department of the College has been created.

After months of study and following a number of discussions within the Joint Committee, the plan was formulated and presented to the respective parent bodies of the Committees. Both the College and the Alumni Association have approved the plan and candidates for the position are now being sought.

While no detailed list of duties can be set down, the Committees have generally concluded that the person to be appointed will assume charge and control of the central alumni records and will work closely with the Executive Committee of the Alumni Association in an effort to bring about greater interest in the Association among all graduates of the College.

It is thought that the General Alumni Secretary might, from time to time, visit various sectors where a number of graduates are concentrated and try to create or reactivate local Alumni groups. In a word, the appointee's duty with respect to Alumni will be one aimed at the stimulation of interest and the integration of as many graduates as possible into a closely knit active organization.

In addition to his interest in Alumni activities, the appointee will work closely with the officers of the College directing his efforts mainly toward the development of the best public relations possible. This will include, but will not be limited to, the development of contacts in the newspaper field and other propaganda media which might result, over a period of time, in giving Ursinus the degree and quality of publicity which, because of its achievements in the scholastic lines of American Colleges, it properly deserves.

The handling of visitors on the campus will also be another function of the holder of this new position. He will serve as consultant for the officers of the College in their contacts with the public and will always have to be alert to the needs of the College as they relate to that public.

Much of the success and benefits which the Committees feel might grow out of the proper handling of this position will depend upon the energy and initiative of the person chosen. It is believed that a male graduate between the ages of thirty and fifty might be best qualified to handle the job. However, the Committees strongly urge that all persons interested should briefly communicate their qualifications to Ursinus College, Box No. 251, Collegeville, Pennsylvania.
