Alumni Journal

Spring, 1949
The Alumni Association's approval of a scholarship fund as a war memorial, finally granted at last year's annual meeting, came, as most of us may recall, only after many heated debates as to the desirability and feasibility of sponsoring a more tangible form of monument. Because of the thorough airing given to all points of view prior to final action by the Association, it was believed that almost all alumni were familiar with the reasons which prompted the Association to reject more ambitious proposals for the erection of a Student Union Building in favor of the scholarship fund.

A recent letter from Webb Morrison, '48, to the President of the Alumni Association, in response to the November appeal for contributions, makes it apparent that even now not all alumni are cognizant of the factors which caused the Association ultimately to adopt its present program. In the hope that a further brief review of the pros and cons will serve to clear the atmosphere, we herewith print excerpts from Mr. Morrison's letter and the context of Rev. Blum's reply:

"***It may be a little late to voice my opinion on this matter, but I feel it inconsistent to appropriate money for additional scholarships to enable more students to attend Ursinus when the College does not have efficient facilities to accommodate those already in attendance.

"In this need for new construction, I refer directly to the 'proposed' women's dormitories which were on the agenda when I entered Ursinus in 1942 and are apparently not any nearer construction now than they were at that time. ***

"Another necessity is increased living quarters for men students. The Annex, far removed from the Campus with lack of any transportation facilities, is only a temporary solution and should not be considered as a permanent or satisfactory solution to the problem.

"Some sort of Student Union building (considered last year) to house recreational facilities, clubs, a little theatre, and additional classrooms if needed, should also be added to the building program of the near future.

"Any of these would provide suitable Memorials and, whether the Committee would consider them as such or not, I feel that any solicitation of money at present should be for the badly needed immediate expansion and not for the increase of 'Funds'. ***"

In his reply, Rev. Blum succinctly set forth the considerations which turned the association's majority in favor of the scholarship fund. Briefly stated, these are:

1. The alumni group is made up primarily of persons of moderate means, who, however willing, would be unable to raise the tremendous sum needed to finance the erection of any suitable building.

2. It is understood that funds contributed to the memorial scholarship fund will be invested in income-producing buildings, thus indirectly satisfying the desires of many for a tangible form of memorial.

3. The present program will permit the Alumni's contribution to be integrated into the long-range improvement plans of the Board of Directors.

4. Ursinus is in a position where it will very definitely need a larger endowment (which heretofore always been inadequate) if it is to continue to maintain its standing in academic circles as well as for operational purposes.

5. The time is not far off when colleges again will be competing vigorously for students; as a matter of fact, many leading educators have recently asserted that the "students' market" is already here.

In supplementation of Rev. Blum's analysis, one further observation should be made. That is the fact that the Alumni Association, by duly adopted resolution, has committed itself to the sponsoring of the scholarship fund drive which has now been under way for more than six months. Regardless of our personal inclinations at the time the subject of a war memorial was first broached, we should all feel at least morally bound to support the present drive to the maximum of our abilities.
Shall We Dance?

This is one year you can't afford to miss Alumni Day at Ursinus. Just listen to this—

The old thrill of the festive dinner dance, replete with night club style dining, dancing and floor show; the chance to meet your friends from all classes in an evening of gaiety; special tables for class groups; all this (and at an almost nominal fee) could scarcely fail to carry you back to your college days again for the nonce.

This gala evening event, a highly attractive innovation in Alumni Day plans, we think, will top an equally interesting daytime schedule. No need for separate intimate reunions this year—make up your own party at a table and join the crowd.

Don't forget the date—June 4.

Get your baby sitters now!

Two Secretaries—Not One

Before another issue of the Journal rolls off the presses, it is expected that a General Alumni Secretary and Director of Public Relations will have been added to the College's administrative staff. For the past year, a joint committee composed of representatives of the Alumni Association's Executive Committee and of the Board of Directors has devoted many hours to the task of selecting the first occupant of this post.

Among the many factors considered by the committee in processing applications for the position, one which has caused probably more discussion than any other has been the advisability of limiting the choice to an Ursinus alumnus. While a prior Ursinus connection is, of course, worthy of consideration in siting applications for any position with the College, it is believed that many of those who have taken positive positions on this subject have done so because of a misapprehension of the nature of the job.

Among Alumni circles, we have observed, emphasis has always been placed on the 'Alumni Secretary' portion of the new administrator's title while his capacity as Director of Public Relations is almost completely forgotten or ignored. The fact is that public relations work, rather than alumni activities, will comprise the major duties of the office. As General Alumni Secretary, his functions will consist largely of the many ministerial tasks now being performed by the elected Secretary of the Alumni Association. The latter office will not be abolished, however, and the elected Secretary will continue to exercise the policy-making powers vested in her as an officer of the Association and member of the Executive Committee.

The Association's Constitution

At the June 4th meeting of the Alumni Association, proposed amendments to our constitution will be presented for approval or rejection. Notice of this brought about the realization, first, that many alumni probably are not aware of the fact that we are governed by a formal constitution (the present one dating from May 15, 1943) and, second, that even more are totally unfamiliar with its contents.

While familiarity with the details of the ten Articles that comprise the constitution is not essential to any of us, all of the alumni should at least have ready access to a copy of the instrument, particularly when called upon to serve the association in some official capacity. More important, any person elected or appointed to office should make it a practice to consult the constitution before proceeding with the duties of his office. If this were done, an error, such as occurred this year when three, instead of the authorized two, candidates were nominated for the unexpired term of a deceased alumni director, would not occur.

Ursinus, Too

There is a good deal of excitement in school circles at the moment about the five or six professors recently fired at the University of Washington and at Oregon State College. Several of these men were discharged, the newspapers reported, because they were or had been Communist party members; others, because they apparently followed the party line. Numbers of sincere Americans are protesting these firings, advancing arguments couched in traditional terms of "academic freedom".

A separate issue, and one which schools such as Ursinus can do something about, relates not to whether Communists should be permitted to teach, but to what should be taught about Communism. Communism in practice is certainly very different from the theories of communal life described in the writings of Marx and Lenin. For that reason courses of study limited to those documents and Communist theory in general cannot teach what life must be like under the Soviet system. Our point here—novel only in its present urgency—is simply that Communism should be taught, that it should be taught by teachers willing to try to be honest and scientific in their approach, and that it should be taught as objectively as available facts permit. The cases of the fired professors reemphasize the desirability of having the subject presented by loyal, but critical, Americans.

A. E. L.
The following paragraphs are an informal report to the alumni.

On June 6, we shall end the seventy-ninth academic year with more than one thousand students, seven hundred of whom are resident students. It has been a good year. The students have done excellent work, and a great many of the Seniors who plan to continue their formal education have already been accepted by graduate and professional schools. If no national emergency occurs, we expect to admit about 270 Freshmen in September and to limit the total enrollment to about one thousand.

On Commencement Day the largest class—and one of the best classes—in the history of Ursinus will be graduated. To a member of the Class of 1949, Ursinus College will this year award for the first time The Catherwood Fellowship of $1,000 for graduate study in the liberal arts or in law. This fellowship, provided by The Catherwood Foundation, will be awarded next year to a member of the Class of 1950.

The Commencement speaker will be the Hon. Alfred E. Driscoll, Governor of New Jersey. The speaker for Founders' Day next October will be the Hon. Harold E. Stassen, President of the University of Pennsylvania.

Our campaign for The Alumni Memorial Scholarship Fund is of interest to all alumni. During the two-year period which ended June 30, 1948, Ursinus College received in gifts a total of $140,000, of which the alumni contributed $56,000. Until we bring The Alumni Memorial Scholarship Fund to the desired total of $100,000 all gifts of alumni will be added to this Fund, unless the donor requests that his gift be used for some other purpose. In response to the printed letter sent to all alumni in November and February, we have received in gifts and pledges a total of $21,000. The class chairmen have now begun their work, and I am confident that their efforts will bring a large total of gifts. A list of contributors and the total for each class will be sent to alumni when we are nearer our goal. The names of all contributors will eventually be published in The Alumni Journal. Although the amount of individual gifts will not be published, we plan to include a special list of those who have made large gifts.

Each class chairman requests that his classmates contribute promptly and generously. Please do not delay even though your gift must be smaller than you wish it to be. Your gift will be helpful—whether it be $5 or $50. To send your gift now will save your class chairman time, trouble, and expense. Your letter should be addressed to The Alumni Memorial Scholarship Fund, Ursinus College, Collegeville, Pa., and your check should be made payable to Ursinus College. I hope that on Commencement Day we shall be very much nearer our goal.

Harry Brian Made V-Pres.
Of Advertising Firm

Harry F. Brian, '35, was elected a vice-president of VanSant, Dugdale and Company, Inc., Baltimore advertising agency, at the recent annual meeting of the board of directors of the corporation.

Mr. Brian, editor of the 1935 Ruby, has been in the advertising business since his graduation from Ursinus. His first post was with the Armstrong Cork Company of Lancaster, Pa., and later he was associated with the firm of J. C. Kuester and Associates of York, Pa. He had been on the staff of the Baltimore agency for seven years, with time out for two and a half years' service in the Coast Guard. His most recent post with the Baltimore company was that of copy director, a position to which he was appointed in December, 1947.

Mr. and Mrs. Brian (Dr. Margaret Paxson, '35), reside at 2817 Bauernwood Avenue, Baltimore. Mrs. Brian, until recently, was Chief of Obstetrics at the Baltimore Women's Hospital.

Bartholomew Accepts Post
At Lancaster Seminary

Rev. Alfred C. Bartholomew, '39, pastor of the Eureka congregation at Pleasantville, Philadelphia Synod, since July, 1942, has been elected Professor of the Department of Rural Church at the Theological Seminary at Lancaster, Pa. He will relinquish his pastorate on July 1, and will move to Lancaster some time during that month.

Mr. Bartholomew has been pursuing a graduate course in rural church work at Drew Seminary and will receive his doctorate in the near future. In addition to serving his rural pastorate for seven years, Mr. Bartholomew has been active in promoting the general program of the Church. He has served in summer conference and camp work and has been a valued member of the Board of Managers of the Reformed Church Home for the Aged at Wyocne, Pa.

The chair on rural work at Lancaster is sponsored jointly by the Board of National Missions and the seminary. Before being made a full time professorship, this work was presented to the students through lectureships at certain times of the seminary year.

Richard Yahraes
Writes from Berlin

Richard A. Yahraes, '38, now head of the Political Section of the American Military Government's Office of Public Information in Berlin, Germany, sends greetings to his fellow alumni through the Journal in a letter which we quote in part:

"OMGUS P.I.O.
APO 742
New York, N. Y.

Dear Mr. or Miss Secretary:

"This alphabetic address is in fact Berlin, that capital split by four-powered politics and fed by four-motored planes. Just as it says in the papers, we go to bed by candlelight and fall asleep to the lullaby of C-54s.

"My work is to head the Political Section of the American Military Government's Office of Public Information. All this means is that I try to help the press and radio people with news of political events in the three western occupation zones of Germany, where the French, British and ourselves are restoring self-government, on the installment plan, to 46,000,000 confused people.

"Back in Bomberger, I never imagined in Pol. Sci. 1-2 and 3-4 that I was being prepared for this assignment of keeping up with Social Democrats, Christian Unionists, Communists and conquerors."

John Rauhartser Stars
In "The Late George Apley"

John F. Rauhartser, Jr., '41, played the leading role in "George Apley" in the York Little Theater's production of "The Late George Apley", presented February 14-16, 1949.

Mr. Rauhartser, who was recently admitted to the practice of law in York County, is well-known among amateur theatrical circles in that locality, having taken an active part in dramatic activities since his high school days. Alumni will remember him for his many fine performances in Curtain Club presentations, including among others, "Outward Bound", "First Lady", "The Far Off Hills", "You Can't Take It With You", and Lightnin' ".

"Some Americans complain of claustrophobia. It's true that we live in a seven-mile-wide world of rubble, linden trees, and suburban homes, and it's true that our world is bounded on all sides by suspicious Russians. Yet Mrs. Yahraes, Michael (he's five) and I are glad to be settled after three years of shuttling. We set up homes twice in Central America (where I was correspondent for U. S. News and World Report), and twice in Germany. ***

"Back home again—Berlin can become home, despite the blockade—we are glad after a day at the office (Mrs. Yahraes edits a Military Government magazine) (Continued on Page 10)

Teacher, Delaware Township (N. J.), 1938-42; Royersford (Pa.) High (Continued on Page 15)

Old Timers' Day to Coincide With F. & M. Game in October

A recommendation that "Old Timers' Day" be observed on the date of the F. & M. football game next October was approved at the meeting of the Executive Committee of the Alumni Association, held in Freeland Hall, February 19, 1949. The Rev. C. Eugene Blum, '27, presided at the meeting.

The Committee went on record as favoring more active alumni participation in the Old Timers' Day program, and agreed to take steps to make certain that all alumni were notified of the date and the program.

Other action taken by the Executive Committee included:

2. Consideration of the report of Charles Mattern, '30, regarding progress in the selection of class chairmen of the Alumni Memorial Scholarship Fund drive.

3. Discussion of the advisability of considering non-alumni for the position of General Alumni Secretary and Director of Public Relations, and approval of a motion to support the Joint Committee in any action it might take on this question.

Alumni Constitution Amendments Proposed

Four amendments, dealing primarily with the election of alumni directors and the delegation of duties to the General Alumni Secretary, have been proposed by the Constitution Revision Committee of the Alumni Association. The committee's recommendations will be presented and voted upon at the June meeting of the Association, scheduled for 2:00 p.m., Saturday, June 4, in Bomberger Hall.

The committee is headed by William J. Grove, '38. Other members are Dr. Ralph L. Johnson, '97, Grace N. Kramer, '14, G. Sieber Pancost, '37, and Mabel Ditter, '39.

The proposed amendments affect Article II, Section 2—"Election of Officers"; Article VII, Section 3—"Executive Committee"; and Article IX, Sections 1 and 2—"Alumni Directors", as follows (deleted material in brackets, new provisions in italics):

**Alumni Day, June 4**

To Feature Supper, Club

The Thompson-Gay Supper Club, complete with orchestra and floor show, has been engaged for the Alumni Day Dinner, to be held Saturday, June 4, according to plans recently announced by Paul I. Guest, '38, chair of the Alumni Day Committee.

Other attractions, planned for the entertainment of the graduates, include the President's reception and a softball game between the alumni and undergraduates.

The Alumni Dinner, scheduled for 6:30 p.m. in the gymnasium, is a departure from customary affairs held in past years and is being planned in such a way that classes will have the opportunity to hold their reunions on campus rather than elsewhere. The Committee has, therefore, suggested that no off-campus reunions be scheduled during the dinner hour. The price of the dinner, including entertainment, has been set at $2.00 per person.

To facilitate class get-togethers, two tents will be erected on campus and each class will be assigned a designated spot for meeting and registration. Classes are being encouraged to observe colors of the Association and use class banners where possible, and latest reports indicate that, to date, the classes of '34, '38, '39 and '44 have acquired banners.

For alumni desiring to spend either Friday or Saturday night in Collegeville, overnight facilities will be available. Information as to this feature, or any other phase of the day's program, can be obtained by writing to Paul I. Guest, Alumni Day Chairman, c/o Ursinus College.

Robert Titus New Member
Of Board of Directors

Mr. Robert R. Titus of Bryn Mawr was elected a member of the Board of Directors of Ursinus College on May 29, 1948. Mr. Titus has for many years been president of the Synthane Corporation and President of the Manufacturers Association of Montgomery County. Although a graduate of Yale University, he has long been a very helpful friend of Ursinus College and has served for several years as a member of the Ursinus College Montgomery County Committee, of which he is now chairman. This committee is composed of the following persons: Charles Lachman, Bryn Mawr, President of Charles Lachman Company, Inc.; The Rev. James M. Niblo, Rector of St. John’s Church, Norristown; Darwin S. Wolcott, Wayne, Vice-President, Lukens Steel Company; Joseph L. Eastwick, President, James Lees and Sons Company, Bridgeport; Joseph N. Pew, Jr., Vice-President, Sun Oil Company, and Dr. Charles A. Behney, ’12, Bryn Mawr. The Montgomery County Committee has done much to bring the leaders in industry, business, and the professions to take an active and helpful interest in the work of Ursinus.

Ursinus Women’s Club
Entertains Senior Women

The women of the classes of 1949 were entertained by the Women’s Club of Ursinus College at an after-dinner coffee on March 21, 1949, at the Super House. Mrs. N. E. McClure and Dean Camilla B. Stahr presided at the coffee table.

Evelyn Glazier Henzel, ’32, president of the Club, welcomed the girls both to the evening’s festivities and to membership in the organization. Ann Knaur Helfrich, ’21, spoke briefly on the history and objectives of the group. Entertainment was provided by the “Four Flats”, a quartette from Abington High School, composed of Robert Cherry, Daniel Cox, Carlson Hedrich and Richard Gess.

During refreshments, Elizabeth Ware Davison, ’39, met with a representative from each dormitory to plan a membership drive among the senior women. The dormitory with the best percentage of membership by the June meeting will receive recognition at that time.

Mrs. Maurice Bone was in charge of decorations and refreshments. Hilda Stanley Rockett, ’32, is publicity director for the Club.

News About Town

By Muriel B. Pancost, ’38

We’re proud of our Collegeville-Trappe High School basketball team this year. After going through their season without a loss and with eighteen straight wins to their credit, the Colonels won the inter-county crown and the District 1 championship. They were finally defeated by Coplay High School in the PIAA playoffs, and hence deprived of regional honors. But they did a fine job, and the townspeople supported them with great enthusiasm.

One of the best entertainments we have ever seen and heard at Ursinus was presented on Saturday, March 19, when the college students gave a performance of the operetta, “Sweethearts”. The singing of the well-known and beloved music was excellent, and the character parts were very well done. In addition, the staging and lighting was unusually effective. All in all, it was an “A-number-1” performance.

Junior Class Sponsors
“Supper Club”

I think we alumni could really take a note from the students’ book as to fun and entertainment. They have had some top-notch parties this winter, among which was “Channel 50”, sponsored by the Junior Class. The gym was transformed into a Supper Club, complete with tables, dance floor, soft drinks, sandwiches—and on the stage a complete “television” show, put on by the students. But best of all, there was a twelve-piece orchestra, plus vocalists, that to all appearances was making music with all its heart and soul—and fine music at that, from Clyde McCoy to Guy Lombardo. And not one of the orchestra men knew the first thing about music. They simply pretended to play—for hours—while hidden recordings did the real work. So clever were their pantomimes that quite a few people were completely fooled for a time.

Sturgis Aids School Law Committee

Dr. R. D. Sturgis, Professor of Chemistry at Ursinus, and secretary of the Collegeville-Trappe School Board, has been extremely active in his efforts to help our local public school system which has taken a hard blow because of the tremendous drop in our state appropriation. We’ve been especially penalized because of the fact that our real estate is assessed at a low value compared to its real value, whereas the present state’s

Two Champions Spark Stellar Wrestling Squad

Sparked by the sensational Bill Helfferich, heavyweight, who garnered 36 out of a possible 39 points by pinning all but one of his opponents in less than two minutes, and the steady, undefeated performances of 143-pounder, Captain Jim Cox, the Ursinus wrestling squad provided the 1948-49 season's greatest sports thrills.

After dropping the opening meet to Haverford, 23-11, the Bruin matmen turned on a full head of steam and sailed victoriously through the five remaining intercollegiate meets. In rapid order, Muhlenberg, Swarthmore, Drexel, City College of New York, and P. M. C. succumbed to the Bruin onslaught.

The squad then received their only setback by losing to Haverford in the post-season Intercollegiate Championships at Gettysburg and took second place among some of the finest opposition along the eastern seaboard. In this meet, Helfferich and Cox went undefeated, with Cox garnering the trophy as the outstanding wrestler in the tourney. Gettysburg, Bucknell, Haverford, Delaware, Lafayette, Muhlenberg and Swarthmore were represented.

Former Haverford Athlete Named 1949 Tennis Coach

Charles Matlack, former All-American soccer star from Haverford College, now instructor in Spanish at Ursinus, was recently named head coach of tennis by Athletic Director Everett M. Bailey. He succeeds Rev. Charles Wallick, '38.

Mr. Matlack was captain of the 1946-47 Haverford soccer and baseball teams, and was a member of the Haverford tennis team. At Ursinus, in addition to his teaching post, he has been assisting Dr. Baker on the soccer field.

Prospects for his first season as tennis mentor are anything but bright as only two lettermen, Dick Lyttle and Bob Walsh, are returning to bolster an inexperienced squad. An eight-match schedule opens April 23.

JAFFE WINS HONORS

(Continued from Page 8)

Individual scoring mark of 31, previously held by Dave Ziegler, by ripping the cords for 36 markers against Textile. Forsyth won honorable mention on the Southern Division All-Star Team.

Bears Win 5, Lose 12

The Bears were able to take the measure of only Philadelphia Pharmacy, Haverford, Delaware, Philadelphia Textile, and Drexel, losing their other twelve tussles. In conference play, the Bruins finished with a three-and-seven slate, in favor of the losing side of the ledger.

Two promising freshmen saw varsity action for the Grizzlies and gave evidence of developing into future stars on the Ursinus hardwood. Dave Reice, Northeast High grad, and Hal Swayne, another Norristown lad, performed competently during the 1948-49 season. Seven Bruin basketeers finished their collegiate careers this season and will leave large gaps in the Ursinus line-up next winter.

Coed Cagers Close Season With 9-1 Record

Racking up an overwhelming 47-20 shellacking of Bryn Mawr on March 23, the girls' basketball team brought to a close one of its most successful seasons, a ten-game schedule marred only by an early loss to Immaculata.

Largely responsible of the extraordinary success of the squad was a quartet of experienced seniors, guards Betty Jean Moyer and Floy Lewis and forwards Connie Warren and Edith Callhoun. Captain Moyer and Lewis have featured the coed defense for the past three seasons, while Warren, using her height to great advantage, wound up the schedule as the team's high scorer. All four have been active in hockey and other women's sports and leave gaps which Coach Eleanor Snell will find difficult to fill.

Ursinus .......... 47 Bryn Mawr .......... 20

Coed Swimming Team Wins Two; Loses Five

Hampered by a lack of early season practice, the Ursinus swimming team managed to salvage only two victories out of a seven-game schedule. Pat Ellis, a senior, was the most consistent scorer, taking several first places in the 50-yard free-style event and pacing the 200-yard relay team to victory in three meets.

Ursinus' victories were scored in the first and last meets of the season, against Beaver and Penn. In the season's climax, the Eastern Intercollegiate Championship meet held at Swarthmore on March 12, in which nine colleges participated, the coed team placed fifth almost entirely as the result of the efforts of Pat Ellis, who took fourth place in both the 50 and 100-yard freestyle events. The only other points were garnered by the 200-yard relay team which finished fifth.

Penn Relays Highlight
Nine-Meet Track Schedule

A host of returning lettermen and the addition of forty-five candidates bid fair to establish Ursinus among the track powers of local schools in the coming season, slated to get under way with a dual meet with Haverford on April 23. Coach Ray Guizynski, '40, satisfied with the well-balanced squad, is looking forward to a great season.

The season’s schedule includes five dual meets, a three-cornered affair with Swarthmore and Drexel on May 10 at Collegeville, participation in the Penn Relays on April 29 and 30, and in the Middle Atlantic Championships at Gettysburg, May 13 and 14; and a neighborhood meet at Swarthmore, May 21.

TRAVELOGUE PRODUCERS

Mr. and Mrs. Charles H. Noss

Bouquets, both literal and figurative, go to Mr. Charles H. Noss, of York, Pa., a Director of Ursinus College, and to Mrs. Noss, upon nineteen years of energetic civic attainment in the showing of their famous travelogues. The Nosses have shown their pictures, personally taken, edited and subtitled, before some 250,000 people, raising an estimated $163,000 by sponsoring shows for organizations such as churches, schools, and other institutions.

Mr. and Mrs. Noss travel each summer, taking pictures, then in winter return to offer their colorful pictorial results, entirely free of charge, for as many as seventy or eighty sponsored performances a season in the city of York, in many York and Adams County towns, as far south as Stanton, Va., and over Central Pennsylvania. Their repertoire includes photographic visits to all the forty-eight states, every province of Canada, Mexico, the West Indies, the Caribbean, Bermuda, the Canal Zone, as well as intimate scenes of York County.

Mr. Noss was local chairman for the building of a swimming pool at Hood College, and is a strong advocate and supporter of a plan for a similar project for a pool at Ursinus. He is currently working on an all-Ursinus film which, when completed, will be available for Alumni groups and sectional meetings.

In addition to heading the firm of Herman Noss Sons, Inc., lumber and mill work firm in York, Mr. Noss is a member of the York Hospital Board where he is chairman of the committee for Nurses' Training, is a Board Member at Massanutten Academy as well as Ursinus, is an elder in the Trinity Evangelical and Reformed Church in York, and serves on numerous synodical church committees.

to relax to the strains of Tchaikowsky from Radio Moscow or to hear a two-month-old Bob Hope broadcast. (The Army blessedly removes the commercials from Stateside broadcasts before re-playing them for the occupation force.)

"We are starting graduate study at the Allied-sponsored Free University of Berlin. You discover that "Uncle Tom's Cabin" is a German classic, too; that Germans read into "Hamlet" all their own woes, and call the Bard of Avon "unser Shakespeare". Dr. McClure used to advise us that William's plays were internationally owned—but I suppose if the long-isolated Germans are beginning to identify themselves with foreign culture, that is progress.

NECROLOGY
Rev. Dr. J. Lewis Fluck, '88
The Rev. Dr. J. Lewis Fluck, '88, former pastor of the Myerstown Reformed Church and former instructor in psychology and ethics at Albright College, died on March 25, 1949, at his home in Myerstown, Pa. He was 84.

A native of Church Hill, near Quakertown, Pa., he was a graduate of Ursinus College and the Ursinus School of Theology, having received degrees of A.B. in 1888, B.D. in 1891, and A.M. in 1893. In 1910, he was also the recipient of an honorary D.D. degree from the College.

After serving as pastor of St. Matthew's Reformed Church in Chester county, Pa., he was called to the Myerstown pastorate in 1897 and remained there until 1927.

Dr. Fluck became an instructor at Albright College in 1923 and was named head of the department of psychology and ethics in 1929. He became Stated Clerk of the Lebanon Classis in 1901, an office in which he served for 31 years. He also served as Burgess of Myerstown. He was the author of two books, History of the Reformed Churches in Chester County, published in 1892, and a volume of Occasional Addresses, published in 1947.

Surviving are a niece, Mrs. Earl Bordner, of Bethel, Pa., and a nephew, Calvin Fluck, of Quakertown, Pa.

Rev. Howard E. Boddcr, '00
The Rev. Howard Edgar Boddcr, '00, retired Presbyterian minister, died at Newton (N. J.) Memorial Hospital on January 6, 1949. He is survived by his wife, Mrs. Elsie E. Boddcr.

Prior to his retirement in 1941, Dr. Boddcr had served as pastor of the Second Presbyterian Church, Bridgeton, N. J., for 25 years. He was given the status of pastor emeritus at the close of his pastorate. He had also served as moderator of West Jersey Presbytery, commissioner to the General Assembly held in Tulsa, Oklahoma, and president of the West Jersey Board of Trustees. He was a 32nd degree Mason and a former State Chaplain of that order.

Dr. Boddcr was born August 23, 1876, at Durham, Pa. After his graduation from Ursinus, Dr. Boddcr was a student at the Ursinus School of Theology and subsequently at Princeton Theological Seminary, from which he received his B.D. degree in 1916. In 1933, Ursinus conferred on him the degree of Doctor of Divinity.
program is designed to give greater aid to the poorer districts in which assessed valuations for tax purposes and real values are identical. Dr. Sturgis has served on the legislative and resolutions committee, and has helped prepare proposed legislation for consideration by the State legislature. This committee is sponsoring legislation that will ease the financial burden which threatens many school districts.

To Mr. and Mrs. Roger Staiger—both of 1943—for their countless services to the student body, we want to join the students in their expressions of appreciation. Peg, as you may know, is preceptor at 646 Main Street, as well as the mother of a young son, and Roger teaches chemistry. With all their duties, they find time to offer their services to the students as chaperones and advisers. To show their thanks and appreciation, the students recently paid them special tribute in the Weekly.

Don't forget to come back to Ursinus for Alumni Day!
