Dear Sir:-

I was listening to your program over WEEU last evening. Looking over Old Almanacs of 1823, 1844, 1852 and 1865 all in German print, the Invasion of the Cross always comes on the third of May, no matter which day of the week. It is marked by a Cross in the old Almanacs.

The farm we are living
on is the Glase Farm
and is in our family
name for one hundred years.
Hoping to hear from you soon.

Yours Truly

I like your programs
very much, and listen
to them always.

You mentioned you had
Sickle Beans for planting.
Please send us some.
We are planting corn in
a field which we call
The Irish Meadow, and
would like to plant some
of those Sickle Beans in
this field as we have
had some there before.
