Providence Independent, April 5, 1872

Southern following is about over. Let's have a little music.

Another Beater should Redhill be or later. When will the end come.

It has been discovered that forty eight of the candidates for the Democratic ticket in the State of Rhode Island are not American citizens. The information was communicated to the Secretary of State, who has been directed to file a protest against their nomination.

The Indianapolis Star has issued a call for a convention to meet at Vandalia, Illinois, for the purpose of nomination of a candidate for the Presidency. It is expected that the convention will be held on the 7th of June.

Another Beecher scandal in Chicago and the surrounding country.

A fight occurred out on the buffalo range in Colorado, between two parties of Indians, one of which was led by a man named Black Hawk. The Indians were not identified, but it is believed that they were of the Apache tribe. Several lives were lost on both sides.

Another fight occurred out on the buffalo range in Kansas, between two parties of Indians, one of which was led by a man named Black Hawk. The Indians were not identified, but it is believed that they were of the Apache tribe. Several lives were lost on both sides.

The President's cable to Washington, April 5, 1872, reads as follows: "The President has been informed that the State of Oregon has adopted a resolution declaring war against the United States. The President has directed the Secretary of War to communicate with the State and to take such measures as may be necessary to prevent a war with Oregon."
