Dear Miss Snell,

Just a brief note to pay my personal tribute to you and congratulate you on what must be the most successful year of coaching that any woman has ever experienced.

The passing years have only heightened the respect and admiration I held for you while at Wainut. I shall always be proud that I had been one of "Snell's Belles!"

I think I was particularly impressed by your positive approach in all your coaching and the personal interest you showed in all our college work and activities.

I would like to take this  
opportunity to wish you the  
some good luck in the  
future in all that you do.

Sincerely,

Glad Levergood Jeski 42
