“Better Be Wise, Than Rich.”

Wise people are also rich in knowledge and wisdom, not just in material possessions. True wealth lies in a person's character and the value they bring to others. To be wise is to live wisely, avoiding folly and the path of destruction.

Rossini addressed some of his letters to the President of the New Independent, and talked to your fellows and took an interest in them. A New York man, Rossini said, was a poor fellow, but he was not a fool. He talked to his fellow men, and thought of them, and was a great man.

The record of the Montgomery County Woman's Relief Union, which will be reported for the meeting of the county council, as adopted by the first vice-president-at-large in the person of Mrs. Rebecca Thomas, of Haverford, contains her resignation, as she intends to supply her place. Others to address the meeting will be Miss Zimmerman of Collegeville, who will give a detailed report of the work done in her organization.
