Dear Miss Snell,

I can still remember the shy, thoughtful expression on your face when I asked to become one of your "Oxy Elders" - you changed the direction of my whole life - and because of your fine character you attracted the greatest "gals" - Nancy Landis, Doris Harrington, Nat Hoagland, Muriel Habruege, B.B. Brown, Betty Bradway, Ann Baird, Bev Cloud, Ginny Dulin - all who have remained my life long friends.

Miss Snell, your love of officiating and coaching, respect for the individual helped me in my High School teaching - Since Mom's sudden death I'm back teaching and appreciate the effort, planning, worry, and concern that you have given so many.

Urbicus is so fortunate to have had you - so devoted / so dedicated!

Thank you for allowing me to be a very small part of your wonderful career at Urbicus College.

I wish you the best of good health and many happy years ahead.

- With deep appreciation
