Fire Fought At Firecroft

A garbage dump fire at Firecroft Hall, Ursinus College, charred a portion of the building early Sunday morning. Fire fighters were called to the scene at 2:30 Monday morning, and although the fire was not fully under control until the next day, the situation was not dangerous.

According to Fire Chief Mr. Denison, the fire was started by a student who left a lit cigarette in the trash. The fire was contained quickly and did not spread to other parts of the building.

The fire caused extensive damage to the dormitory, but the residents were able to evacuate safely. The dormitory will be closed for a few days while repairs are made.

George Randolph said that the U.S.G.A. will be responsible for the cleanup and restoration of the building. He also expressed gratitude to the fire department for their quick response.
