Dear Miss Snell:

Even though I never participated on one of your varsity teams, it was my privilege to have attended Ursinus College and to have received instruction from you in my physical education courses.

I shall never forget the happy days which I spent at Ursinus nor shall I forget the excellent background with which you provided me so that I could successfully teach and coach in the West Reading School District for eight years.

Thank you for your guidance and may you find joy in your retirement.

Sincerely,

Jaime Kilby Smith
