**Ursinus News In Brief**

**URSINUS NAMES NEW ALUMNI DIRECTOR**

Andrea Vaughan Dettlefler, a 1969 graduate of the biology major, was named the new Alumni Secretary Director.

**Dr. Parsons Authors Text**

Dr. William T. Parsons, Professor and Director of the Pennsylvania Dutch Studies Program at Ursinus College, is the author of "Puns From the Past," which will be included in the book "Puns From the Past," published by Twyman Publishers, a division of G. K. Hall and Co., Boston.

Dr. Parsons attended Ursinus College in the fall of 1948, received a master's degree in 1950, and returned for a doctoral degree in 1955. Having joined the Ursinus faculty in 1956, he was named the Chair of the Pennsylvania Dutch Studies Program in 1969. Parsons has been named the new Alumni Secretary Director.

Dr. Parsons does not claim the Pennsylvania Dutch as a minority group and he reserves the same dissemination of any studies they may be a minority group and serve the same dissemination of any outside group like the Puerto Rican, Italian, Irish, etc., as the Pennsylvania or for that matter, the Whites, possibly because of their accent, in this country or the same discrimination against like other minorities, for example, in relation to the Pennsylvania Dutch people.

Furthermore, he does not discuss the Pennsylvania Dutch people but it is concerned with their actual role in the world today. The following is an excerpt from the preface to his book:

"Old rules and restrictions have been reviewed and sometimes best by their leaders to avoid alienating some of their attractive features, certainly a cultural tradition and a warm and unassuming sense of community: but they can be histories..."
Calendar reform was the big topic of discussion at a recent S.F.A.R.C. meeting, and it’s about time that some concrete steps were taken to revise Ursinus’ outdated schedule. We will soon become a majority of one among East Coast schools if we remain with our present system. The inherent problems in the schedule we now have are obvious to everyone. Some of the most glaring deficiencies include the difficulty in setting up sports schedules with other schools in the M.A.C., and most importantly, the “lame duck” session in January between the end of Christmas vacation and the beginning of finals. That two-week period is a waste of time intellectually, socially, and athletically for both students and faculty. But enough about problems and on to solutions.

Several proposals were aired at the S.F.A.R.C. meeting, including the 4-1-4 plan and the 5-6-5 plan. Each has its relative merits and disadvantages, but the important point to be kept in mind during negotiations is not to quibble over the ground, along with a spirit of compromise and conciliation. The majority of which is the student body must be in the forefront of the battle. In fact, we will end the second semester this year before summer jobs are quickly snapped up by students who will be able to go to work before the fall. Some opposition was voiced about the proposed change to keep the idea alive.

It’s Time... for a Change

St. Andrews Scholar Named
For the second consecutive year an Ursinus College student won the prestigious St. Andrews Scholarship, the highest honor awarded to candidates from eight other Pennsylvania Colleges.

Kevin L. Seiberg, a sophomore political science major from Reading, was named to the honor roll for his academic achievements during his first year of study at Ursinus.

Trends in the Sciences
Kevin is a member of the Men's Chorus and Sacriste Club at St. Andrews. He is treasurer of the college's International Relations Club and served as a volunteer at Penhurst State School and Hospital, Spring City.

Kevin is the son of Mr. and Mrs. John Seiberg of Reading, and is the older of one set of twins.

Kevin is the younger of one set of twins.

By ANDY SCHWARTZ

Since losing to Swarthmore College on April 28, the Ursinus Bears have been on the winning streak, going straight victories, before dropping their final match, to finish with a record of 9-3-1.

On Saturday the Bears split a double header with Juniata College. They lost the first game 5-2 as they were three-hit-and-bombed in the bottom of the fourth inning. The second game was tied 3-3 when Pat Molarz walked with the bases loaded. The Bears won it in the seventh when Phil Midgett drove in a run with a sacrifice fly.

However, in the fourth inning starting pitcher Todd Timm was having problems getting the ball over the plate. He walked five men in a row and the Bears scored three runs. But Ray Fisher entered in the fourth inning and allowed only one hit (a double) of the rest of the way. The Bears added an insurance goal in the sixth inning when Dick Gaglioti drove in Ed Terrill, who had tripled.

The doubleheader featured two outstanding pitchers in Jack Smith and in the nightcap by Tim Moller. The next day, the Bears played at Albright and won by a score of 7-2 as Ray Fisher pitched another complete game. The game was tied 3-2 until the top of the 7th inning. The Bears moved to third on a perfect hit and run executed by Ed Terrill. Dick Gaglioti then drove them home with the winning run, and returned home once he single when he single hit Terrill.

Thursday, the Bears lost a tough one by a score of 5-2 at Franklin and Marshall College, Allentown. The Diplomats had the home team staff up with another strong effort from their pitcher and eleven innings. It was the fourth game that the Bears have lost in a row to the Diplomats, and they took an early lead of 1-0 when Rod Buck scored on a sacrifice fly. Later, they made it 5-2 when Molarz hit the off the inning with another left. Joe Apollo then struck out for a base hit. Larry Hess then doubled and was sacrifice hit to the plate. Then Whitt Campbell laid down a suicide squeeze for the winning run. But F. and M. tied the game with two outs in the ninth with a run-scoring double and won it with two outs in the tenth with another run.

BASEBALL BEARS PUT EVERYTHING TOGETHER

The Bears’ second straight week was highlighted by a week with a doubleheader against Juniata College. They lost the first game 5-2 as they were three-hit-and-bombed in the bottom of the fourth inning. The second game was tied 3-3 when Pat Molarz walked with the bases loaded. The Bears won it in the seventh when Phil Midgett drove in a run with a sacrifice fly.

However, in the fourth inning starting pitcher Todd Timm was having problems getting the ball over the plate. He walked five men in a row and the Bears scored three runs. Outfielder Dave Buck of the 1975-76 Haines-Bard Pre-Law Legal Society, the organization’s officers are busy planning a busy year featuring trips to law schools, courts, and legal offices, as well as various events brought to you by district attorneys and judges; and sessions with representatives of the legal profession who have a special interest to Ursinus students.

The Pre-Law Student Activities Committee is now looking for projects next semester. A meeting is tentatively planned for Sept. 21 at 8:00 p.m. in Old Main. Students interested should contact the committee for more information.
