Dear Mr. Huntington-Wilson:

Thank you for letting us see this article which, unfortunately, did not make a place for itself on a heavy copy list.

We have so many articles on political and economic subjects that we feel it would be wiser if you sent us outlines of what you have in mind rather than stopping off in Philadelphia. In this way, we could save a good deal of time and effort.

Very truly yours,

A handwritten signature in cursive script, appearing to read "The Editor".
