March 11, 1918.

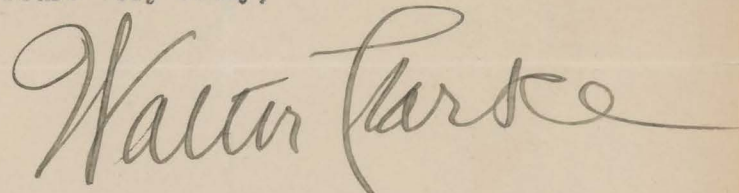

Mr. Huntington Wilson,  
Public Ledger,  
Philadelphia, Pa.

My dear Mr. Wilson:

Major Snow has referred your letter of February 21st to me and I believe he mentioned in his letter of March 5th the fact that he was turning over this correspondence to me for further action.

In the meantime I should be very glad to have your permission to re-publish your article in the Journal of Social Hygiene. This I think will be of interest to our readers.

Yours very truly,

Business Manager of
