in this small,

Thank you for many things.

Miss Snell -

Remember before the
Beaver game in '62 when we
were undefeated and waiting to
go to the game. You pulled up in front of
Beardwood and yelled, "Get those starters down
there!" We really hustled. We lost the game + messed up
an undefeated season but we did learn never to let too
cocky. The word "Coach" means much more after
having played and worked under you. Thanks so much for
being an example of what you teach.

Hi Miss Ined,

I'm certainly glad
that you didn't retire
before I got to classis, I have
so many fond memories of my four years.
There were fun times and difficult times that
all added up to growing up.
Best wishes to you Miss Ined and hopefull I'll
see you before another 4 year are up.

Fondly

Miss
Snell -

A few words of appreciation
and best wishes from us rowdies of 1962

Dear Miss Snell,

I have many reasons for not covering
from Ursinus - one concern is that I didn't
my junior year I told you should play in
understand how fullbacks should play in
in the circle and you found out I really
when you asked me to explain this play in
Coaching's officialing you and I had played for you
didn't know - by nature I must have been doing something
for three years! I'm so pleased and thankful that I had
night - I'm so pleased and thankful that I had
the opportunity to have you as a coach and teacher.
Best of luck to you -

Sincerely,

Anne Sansenbach Gessen '62
