GREENLANDS
PRINCETON, NEW JERSEY

March 17th 1918

Huntington Wilson Esq
The Lincoln

Philadelphia.

My dear Sir:

As I have just been called into active service by the Surgeon General it will be impossible for me to consider the question of assisting you in the very interesting and suggestive plan you have outlined.

The opportunity you have given for expressing my views on the subject of Education is a very attractive one, but unfortunately for me I must undertake work of quite a different character.

May I take the liberty of suggesting the names of Professor William H. Burnham of

Clark University & Dr C. Macfie Campbell
of the Johns Hopkins University (The Henry Phipps
Clinic) as possible contributors.

Please excuse my brief reply but I
am leaving Princeton to-morrow, and there are
still many duties to be performed.

My best wishes for your undertaking, and
thanking you for thinking of me in this
connection,

Very truly yrs
Stewart Paton
