Row 2: Kenny Scheuer, Marie Weiczor, Kim Monti, Dean Rebuck, Mike Chirappa, Dave Garner, Tom Cole, Alesa Jespersen, Andrea Schiela, Dean March
The types of jobs open on campus are as diverse as the students who fill the positions. Employment in science labs gives participants a chance to strengthen the knowledge garnered in prior courses and give help that is sometimes easier to understand than a professor's explanation. Given the size of the Ursinus sports program, trainers are kept busy mending and preventing injuries on the field. The RA program successfully completed its third year, allowing all students more effective communication with the administration.
“May I check you out?”

Snack Bar Attendants
Row 1: Theresa Pavletich, Greg Gifford, Barb Bowden, Joanne Greenlee Row 2: Millie Solt, Mark Klatsek, Ron Shaiko, Vickie Spang

Row 2: Rev. Dejong, Don McDonald
All religious groups stayed active in '80 — '81. By sponsoring campus-wide activities in which all students could take part, the groups not only had fun but also spread their special message to everyone involved. Examples of these activities were FCA's S.O.B. campaign (Special Olympics Booster), culminating in a volleyball marathon on campus April 4, OJS's get-togethers in Paisley Rec to discuss their involvement on campus, and Newman's weekly on-campus masses.
Over a dozen student’s talents helped to put together Ursinus' largest yearbook ever. Expanded color and activity sections were combined with special features including interviews with seniors and faculty opinions of the class of '81. Expert photography by Drew Prociccino, artwork by Muggsy Higgins, and fund raising by Jeff Niebling assisted the editorial staff in their efforts to capture the year in photographs.

Under the direction of Tom Reilly, the Grizzly continued to build a reputation for itself as an extremely comprehensive and complete weekly. On Friday afternoons, students across campus could be seen reading about features on the academic departments of the college, intensive investigative reporting of campus crimes, and the always controversial Joe Batfish column. The difficulty of publishing the newspaper was exhibited by the long hours spent by the editorial staff at the office of the Independent on Thursdays. Keeping the campus informed is a newspaper duty; the Grizzly goes far beyond the minimum required.

Published twice a year, the Lantern staff is in the unique position on campus of soliciting general works from the student body. Difficulties in recruiting prose, poetry, and photography from students were present this year as the majority of copy was not submitted until two weeks before publication. Causing grey hairs among the staff, Lori Reinhart and Muggsy Higgins directed the evaluation of all works as anonymous, insuring unbiased opinion. Structural changes in layout and magazine size for next year may occur after six years of consistent publication.
Grizzly Staff

Row 1: Georgeanne Fusco, Howard Miller, Debbie Bynum, Dave Garner Row 2: Kay Buckwalter (Circulation Manager), Alan Miller, Melissa Hanlon, Tom Reilly (Editor-in-Chief), Sharon Stiles, Sue Colaiaczi, Mike Lees Row 3: Diane Niemy, Matt Kurlan, Greg Bahney (Photo Editor), Jim Wilson (Assistant Editor), Joe Lazar, Ross Schwalm, Brian Burlow (Contr. Periodicals
Brownbeck-Anders sponsored several speakers on campus during the school year, including Carol Fox, Director of Admissions at PCOM and Dr. Joseph of The Vellore Christian Health Center in India, who spoke on ecumenical medical missions in the third world. The economics club participated in Economics Business Council seminars, sponsored speakers from the Federal Reserve and stock exchange, and contributed in the process of hiring new faculty members. Pre-legal and Psych Club members made contributions at Gratersford and Norristown State Hospital, talking with administrators and discussing problems with inmates and patients.
Haines-Barnard Pre-Legal Society

Education Club
Row 1: Carol Stephens, Ron Baltz, Barb Boris Row 2: Grace Litka, Mark Adams, Mary Post, Beth Murphy, Hope Freyberg

Biology Club
The Beardwood Chemical Society kept busy this year. Running help sessions for those in Chemistry 111 - 112, members also held a goggle and lab coat sale as well as selling used text books. Along with the Biology Club, the society sponsored a seminar on careers in Biochemistry. Other invited guests included a speaker on protein analysis from the University of Delaware and a representative from Merck and Company.
French Club
Row 1: Nadia Odley, Lydia Takoushian Row 2: Debbie Neimy, Nancy Altman, Maryvic Cuison

German Club
Row 1: Peggysue Singe, Chris Geisler, Sue Bechtold Row 2: Lucille Fritz, Mark Klansek, Lisa Hoelzie, Lisa Chamberlin

The Math Club was also quite active. Apart from staffing the help room Monday — Friday afternoons, they also heard speakers from various academic and business fields including discussions with recent Ursinus graduates.

The foreign language clubs as a whole were very productive this past year. As well as sponsoring movies such as Le Misanthrope, each department spent time conversing in a particular language while eating lunch. The highlight of the year was the Christmas party sponsored by the combined clubs. Singing, acting and (as usual) eating helped get everyone in a good mood for finals.

Spanish Club
Row 1: Sue Wood, Laura Bossone, Alan Miller Row 2: Dr. Espadas, Barb Foley, Audrey Good, Howard Miller.

Academics
The Ursinus College Choir, under the direction of Mr. John French, gave two performances this year. On Saturday, December 6, they presented, for the forty-third year, Handel’s *Messiah*, and on April 11, they presented Haydn’s *Creation*. In their performance of the *Messiah*, they were assisted by the Concerto Soloists of Philadelphia. These included Lindsey Peters Christiansen, soprano, Jennifer M. Larmore, alto, Michael Magiera, tenor, and Neal Tracy, bass. The Ursinus College Choir is composed of faculty, students, and staff from the college, and adults from the community.

... and an ass of himself in ProTheatre's spring production of *A Midsummer Night's Dream*.

Bottom (Dr. Wickersham) makes both a hero ...
This year the honorary organizations on campus sponsored several interesting and beneficial programs, and some that were just plain fun. Tri-Beta presented several discussions for pre-professional students, including one in which several Ursinus alumni came back to campus to discuss career opportunities. Pi Gamma Mu co-sponsored the spring forum with Dr. Alvin Rubenstein, who spoke on "U.S. Rivalry in the Middle East." And on the lighter side, Pi Nu Epsilon sponsored Songfest on February 20. The Utility Gym was filled to capacity as students came to cheer on their favorite Greek society.

Class Officers
Class of '81
Grace Litka (Vice President), Dave Dougherty (Treasurer), Carol Stephens (Secretary), Kay Buckwalter (President)

Class officers worked diligently this year to provide service to the college and activities for students. The class of '82 officers led an enthusiastic contingent to Shawnee mountain in January for a day of skiing and socializing. The Utility gym, built in 1980 as a primary student activities center, was the site for two of the more memorable parties of the year, the Halloween party sponsored by the sophomore class and USGA, and a Christmas party, for which the freshmen class turned the stark interior of the annex into a winter wonderland. Valentine carnation sales, pretzel sales, and the senior class party engendered student involvement from all areas. Class officers work in close contact with USGA; together, they help provide interesting alternatives for the student body.

Class of '84
Lisa Lepone (Secretary), Gene Haag (Vice President), Amy Hill (Treasurer), Lorie Cramer (President)

Derek Pickell and Lisa Geiger prepare to deliver Valentine carnations.

Row 1: Joel Ashinhurst, Kevin Riordan, Greg Gifford, Dave Garner (President), Curt Altmann, Tom Reilly
Row 2: Kenny Schauer, Larry Campanale, Ed Skokowski, John Kelly, Tom Dunn, Dave Dougherty, John Fuller, Joe Lazar
The small amount paid by students for the College Union goes a long way. Apart from being a gathering place for T.V. and snacks, the Union Program Board kept the campus busy with a variety of events. The world's largest gumdrop molecule, coffeehouses, weekend movies, knitting lessons, and gameroom tournaments were among the events sponsored. The Rakes concert and superstars week were highlights of the Union's second semester operation.

The USGA was also very busy this year. Members helped co-sponsor "The Dance" in September and the Halloween party in the newly dedicated Ritter annex. Other events; a committee helped write up guidelines for the utility annex; enthusiastic fans were also transported to Drew University to cheer Ursinus' basketball team.

IF council's most important function in 1980-1981 dealt with controlling fraternity pledging. Other events included helping run a very wet but exciting homecoming and the annual IF dance at the Inn of the Four Falls on March 20.

Dean Rebuck expresses his valued opinion at an ad-hoc USGA meeting.
Fraternity pledging was a major area of concern for the Campus Life Committee and Dean of Students office.

Inter-Sorority Council

Row 1: Debbie Bartosh, Kris Hollstein, Nancy Pole Row 2: Diane Shaffer, Rosalie Bair, president, Barb Mojta
1980-1981 was a busy year for governing organizations as students continued to have a growing part in the development of satisfactory campus life. Women's Campus Council again sponsored the annual Christmas Banquet, helped by Sue Bechtold’s untiring efforts. Lorelei was again a big success, held once more at Indian Valley Country Club. Campus Life spent the majority of the year discussing pledging procedures and their effect on participants and other students. The Greek Councils combined to make the IF dance at Inn Of The Four Falls a night to remember.
