Faculty Approves A Variety Of Curricular Changes

Calendar reform has long been a concern of Ursinus students, and probably, many alumni as well. Why was the Faculty surprised when we discovered that this was a popular subject at Ursinus, started school so much later than our friends, had to wait two more years for graduation fees. Another change in the Department of English was the decision to accept the senior in good standing with who had not taken a degree, from any accredited institution. The action being made retroactive, a number of former students are now eligible to receive Ursinus degrees. The psychology department has been granted the granting of a bachelor's degree in psychology. The decision was made after graduation for scientific research. The mathematics department has been granted approval for a new major in mathematics and a minor in computer science. The History department has been granted permission to offer a major in History and Romance Languages. The decision was made after graduation for scientific research. The biology department has been granted permission to offer a major in Biology and a minor in Chemistry. The decision was made after graduation for scientific research. The biology department has been granted permission to offer a major in Biology and a minor in Chemistry. The decision was made after graduation for scientific research. The biology department has been granted permission to offer a major in Biology and a minor in Chemistry. The decision was made after graduation for scientific research.

Fall Bids Accepted By New Frat Members

U.C. Faculty Supports Calendar Revision; Continues Investigating Possibilities

The Faculty made a lengthy appeal of proposals for change at its regular November meeting. There were 17 members present to vote on the proposals. The largest number of proposals had to do with departmental reviews and the catalog revisions. One proposal was passed on to the Faculty for further approval. Of interest to many students was the announcement of the formation of a new campus organization, an Ursinus Chapter of the National German Honor and Social Fraternity. This action was taken by the faculty at its regular November meeting. The final round will be played at the Ursinus College foot disobeying the rules of the American Chess Foundation. The game will be played at the Ursinus College foot disobeying the rules of the American Chess Foundation. FOCUS: Geoffrey Mann

By NANCY FRYE

It is not often that one gets the chance to see the serious side of a ZK member. Consequently, my interview with Geoffrey Mann was a new and different experience.

Geoff is an Economics major from Providence, R.I. He is also a trampolinite of the 1972 Ursinus playing the center position. Upon graduation, he plans to attend graduate school and then go into the business world.

When asked why he decided to become a major in Economics, Geoff answered, "It was just a matter of being close to home."

Geoff had some interesting imitations of the First King Peace. "I would seem that the well intentioned liberal laws and regulations have been rejected."

Among the spokespeople on the Dedication Day of the new gymnasium, The Weekly had the opportunity to get copies of two, of Dr. and Mrs. Heflerich's. They follow, beginning with Mrs. Anna Heflerich's speech, "Inauguration of the dedicatory plaque."

Mrs. Anna Heflerich Speaks: "Dr. W. A. Huntington, President, who is in attendance, and Mrs. Heflerich, who is in attendance, may be more eloquently worded.

The shoes of all who have preceded her, some fifteen years are 129,000.

The President, who is in attendance, may be more eloquently worded.

All who have preceded her, some fifteen years ago, have come to this place to celebrate the dedication of the gymnasium.

The shoes of all who have preceded her, some fifteen years ago, have come to this place to celebrate the dedication of the gymnasium.

When first I entered McPherson Hall, the gymnasium of Ursinus College, I was amazed at the size of the building. The first words that came to my mind were: "What a wonderful place to work out!"

As I walked through the doors, I was greeted by a friendly usher who directed me to my seat. The seating was arranged in a U-shape, allowing everyone to see the speakers clearly. The gymnasium was packed with people, all eagerly waiting for the dedication to begin.

After a few minutes, the President of Ursinus College took the stage and delivered an inspiring speech about the history and significance of the gymnasium. He spoke about how the gymnasium had been the focus of many community events over the years and how it was a symbol of the college's commitment to physical education and well-being.

Following the President's remarks, the audience welcomed Mrs. Anna Heflerich, the President's wife, to the stage. Mrs. Heflerich delivered a heartfelt speech about the importance of family and how she and her husband had been instrumental in the dedication of the gymnasium.

Among the highlights of the day were the dedication plaques presented to several individuals and organizations. One plaque was presented to the Ursinus College faculty, expressing appreciation for their leadership and dedication to the college.

As the day drew to a close, the audience joined in a round of applause for the President and Mrs. Heflerich, thanking them for their efforts in making the gymnasium a reality. The dedication ceremony was a truly special event that brought the Ursinus College community together for a shared celebration of this important milestone in the college's history.
Ambassador of Dahomey Visits Ursinus Campus

By NEZAN KADIRGARMA

President of the Republic of Dahomey, the Right honor able Mr. Wm. Hullman, Jr., presented his credentials to Dr. E. C. Kuh, President of Ursinus College, on October 14th. The privilege of hosting Mr. W. Wm. Hullman, Jr. was one of the most important and significant events in the annals of the College.

The Ambassador’s visit to the campus was a significant event for the students and faculty of Ursinus College. It was an opportunity to learn about the history and culture of Dahomey and to deepen the understanding of the relationship between the two countries. The visit was a testament to the importance of diplomatic relations and the role education plays in fostering mutual understanding and cooperation.

Letters To The Editor

Dear Editor,

I am writing to express my disappointment with the recent issue of The Ursinus Weekly. As a regular reader, I usually find the articles informative and engaging. However, this issue lacks depth and originality.

The articles seem to lack substance and are more focused on regurgitating news stories rather than providing insightful analysis or commentary. The layout is also unattractive and the overall quality of the editorial content is disappointing.

I hope that in the future, the editors will consider improving the quality and substance of the articles featured in future issues. Sincerely,

DANE BERK

Suitcase College?

Dear Editor:

Harriers Finish At 11-3; Championships Next

By VEETS

The 1972 edition of Coach Ray Gurzynski’s cross country team ended their campaign with two resounding victories over Havermale 20:35 and East Stroudsburg. Last Tuesday the girls from Muhlenberg ran a strong second place, only to be crushed by our Bearettes, 4-0. Scoring for the Bears were: Bray Watson (22), Melissa Magee, and Beth Anderson. The following day, our men took on the Bear contingent, Vince ran his best last weekend and became the Junior; Claudia Brum, Left halfback; Melissa Magee, Right back; Beth Anderson, Center forward. Janet Lare, Ursinus; Right half, Linda Arra, West Chester; Left half, Carol Meyers, East Stroudsburg; Right full, Sally Anderson, Ursinus; Double, Gwen West, West Chester.

Ursinus players were found on the list of the all-College teams. College II—Jaunit Grubb, Right; inner, Ken Calhoun; Left halfback. College III—Cee Kriebel, Right halfback; Melissa Magee, Center forward. College IV—Karen Hansell, Left halfback. Honorable Mention—Misty Huyd, Elaine Seyder.

Having been picked to represent the college teams, the girls will be going to the Sectional Tournament on November 10-12 at George School. These All-College stars will be competing against players from the club teams in the Philadelphia area. Good luck, ladies!
