Friends of the Ursinus Library
Congratulate the Class of 1989

Through annual dues, and gifts, to the loyalty fund, friends of the Ursinus Library make possible the development of special collections, exhibits, and occasional lecturers, individuals, as friends, interpret the Ursinus Library to their community and encourage gifts from others. Benefits to friends include free use of the library, a newsletter, and invitations to special events. Providing for the objective needs of the Ursinus Library is an important objective of the friends. In 1978, a permanent endowment called the Friends of the Library Fund was created in conjunction with the Alumni Loyalty Fund. Class of 1989 we invite you to join us.

THANK YOU FOR ALL YOUR HELP, AND GOOD LUCK AS YOU ARE "ADMITTED" INTO THE "REAL" WORLD!!
Acknowledgements

To close the 1989 Ruby and another decade at Ursinus College, I would like to thank all of the very special people who helped to create this edition. The greatest thanks goes to my staff — Laura Crowell, Michele McFadden, Yvette Davis and Tammie Erb — for helping me to turn 208 blank pages into memories. Mike Gilroy of Herff Jones Publishing, Cindy Harris the Ruby advisor, her secretary Sally Rapp and guest advisor Scott Gassler, deserve much credit for guiding this project and handling the finances. I would also like to thank Sports Information and the Communications Department for providing us with scores and photos.

In addition to these Ruby regulars, I would like to give special thanks to all the people who contributed to the 1989 book. You helped make this book interesting and fun. Credit goes to Sue Irwin for her sketch of the gate, to George Widman for his photo of the top of Pfifler and to Lisa Trempar-Barnes for her pieces on the Berman Art Center and 100 Years Sports. To Madeline Pitts, the Grizzly and other photo contributors — thanks so much! To all of those people who were captured on film at unflattering moments and then were included in the yearbook — oh, come on, have a sense of humor. We sure did!

I hope that you all enjoy your 1989 Ruby. We had fun creating it and are keeping our fingers crossed that there are not too many mistakes. Enjoy the memories!
