There is no such thing as THE future. You’re responsibility is to create the future you deserve for yourself.”

A. Moneim El Meligi

These words from a dear friend contain much wisdom for you, Rob, as you gaze into the future. But gazing isn’t enough. Step boldly, with “quietness, confidence & strength” (Nick Marino) into tomorrow, creating the future you deserve. We are behind you all the way.

In calm or stormy weather;
To cheer one on the tedious way,
To fetch one if one goes astray,
To lift one if one totters down,
To strengthen whilst one stands."

Freeland Hall, completed during President Omwake's years in 1913, was razed in 1968 to make room for the Myrin Library.
Have you ever asked yourself why is our yearbook called the RUBY? The RUBY is named after Professor Samuel Vernon Ruby, a member of the faculty from 1872 to 1896. Professor Ruby was elected “Professor of Natural Sciences and Belles Lettres” in 1872. Along with being a practicing lawyer, Professor Ruby was a captain in the army and veteran of the Civil War. The Class of 1897 decided to leave a lasting memorial to this revered teacher after he was stricken and died while entering Bomberger Hall during the morning prayers of March 12, 1896. Thus, in 1897, the very first Ursinus yearbook was named after Professor Ruby.

Don't Quit
When your luck is down
and your world goes wrong
When life’s all uphill
And the Road is long-
Keep your spirits high
For through thick and thin
You must carry on
If you are to win
Never mind if things
slow you down a bit
You’ll come out on top
But you mustn’t quit

This Year's RUBY is Dedicated to
