I'm a pledge of Sigma Nu
More humble I can't be
For there is nothing I won't do
To show my loyalty
If perchance to disobey
I would rather die
Than to see a salty tear
Fall sister from your eye

Each year Alpha Sigma Nu participates in several services. This year we have participated in the haunted house for Trinity Church, the Red Cross Blood-Drives, visits to Montgomery Co. Geriatric and Rehabilitation Center an annual Easter Egg Hunt at Trinity Church, and fund raising for the Juvenile Diabetes Foundation.

The goals set by the founding sisters of Kappa Delta Kappa have been achieved and maintained. The sorority embodies unity and respect for all. Our symbols, the scales, dove and rose, stand for justice, purity, and beauty. The colors green and gold represent friendship and truth. Kappa Delta Kappa participates in various activities throughout the year including mixers, sister parties, activities for the campus, and the fruit basket drive at the end of each semester period.

Greek Life 71
"It's the sparkle of O'Chi as they go by, the sound of happiness as it rings high and these are the things I found, in this sorority and these are the things I'll cherish for all eternity. So, give me a cheer Omega Chi, loyal and sound, and give me the sisters I know to hold me bound. For I have found my place, among the red and white, and I know for sure, that they give me the light!"

Virginia Albright came to Ursinus in 1907 with two friends and organized the first sorority on campus. The colors blue and gold were chosen to represent Supremacy. The white rose is the sorority’s flower. The greek motto stood for truth, friendship, and sisterhood. From 1913 to 1929, Phi Psi disbanded. In 1929 Phi Alpha Lambda was organized. The word PALS was derived from the name of the sorority, and it stands for personality, ambition, loyalty and scholarship. In 1950, Phi Alpha Lambda combined with Phi Psi to form Phi Alpha Psi. The ideals of the sorority were the same. Since that time, the sisters of Phi Alpha Psi have continued to keep the original goals set back in 1907.

1963 Pledge Song
I know where I'm going, and I know
who's going with me
I know why there's music, in the quiet
autumn morning. I've found a wealth of
green, and silver have I plenty. I've
found a star to guide me, when my way
is dark and lonely. Where are you going?
Who will walk beside you?
When the world is gloomy, where is the
star to guide you? Where is the green?
And silver brightly shining? Why is
there music, in the quiet autumn
morning? I'm going where you go
(you go) And you'll be there beside
me (side me) Tau Sigma Gamma sisters,
are all I need to guide me. The green
is in the pine, and the silver star
above me. I went Tau Sig way, to find
that star to guide me
We went Tau Sig way
We went Tau Sig way!

The Chi Rho Psi Fraternity was founded in December of 1992. Although Chi Rho Psi is only in its beginning stages, many great accomplishments have already occurred. The fraternity promotes trust, diversity, brotherhood, and most importantly, unity as its main goals. Its colors are ebony, chrome, and wine, and its mascot is the roughneck. As time progresses, the Founding Fathers hope to instill all of the above values in all of the brothers who are presently in the fraternity and those individuals who are wishing to join.

Pi Omega Delta Fraternity is a social organization designed to foster brotherly friendships among its members, as well as provide refreshments to a thirsty campus. We are a fun-loving, Fussball & Beer-Pong playing bunch of simple-souled yet heavy-hearted individuals who want nothing more than to enjoy these years at Ursinus to their fullest. Stair-diving, bridge-jumping, moshing, and conscientiously objecting to unconstitutional and inhumane regulations have been among the hobbies by which the graduating seniors plan to enlighten the world. Sigma Rho Lambda was founded at 3:04 pm on April 16, 1930 (or sometime around then) by some aspiring young men who have long since graduated (or so legend has it). There are 30+ members in our fraternity, most of whom will graduate, with a select few obtaining employment thereafter. We exercise our rights to life, liberty, and the pursuit of apathy on a year-round basis, while still managing to attend some of our classes. Administration members often enjoy our company, but rarely visit us on weekends. Sometimes we talk to girls and, on rare occasions, we roll out the grill and have an old-fashioned sausage party. The Flat lives, 944 is still dead, but as long as there are enough clowns, this circus will last forever.

As we enter our 65th year, we would like to thank those at whose expense we have had fun. We deny any allegations whatsoever; you never saw anything, you can't prove it. Believe it or not we value our education, yet emphasize the whole collegiate experience. Our morning mixers have prepared us to cope with the demanding world of office parties, mandatory happy hours, and 8:00 a.m. board meetings. These experiences cannot be found in the classroom. We stand for life, liberty and the pursuit of women. Forget Lerch and Judas. God bless America!
