Campus organizations serve as an outlet for social interaction and an extension of classroom learning. Through these clubs, students can pursue their hobbies, serve the community, try out vocational interests, and get to know their classmates in a relaxed setting.

A Message from the President

On behalf of the Ursinus Student Government Association, I would like to welcome you to the 1993-94 school year! The year that lies ahead of us will surely be full of endless possibilities, exciting opportunities, and many chances to learn, to have fun, to get involved, and especially, to celebrate the 125th anniversary of Ursinus College. I, along with the rest of the U.S.G.A., am looking forward to a productive and fulfilling year, but we can't create this vision without you, the students. We represent your thoughts, hopes and dreams for this college and will work very hard to improve and make Ursinus an even better institution of higher learning.

Be sure to voice your opinions and suggestions throughout the year because when you do, you will be heard. You are the one to shape your experience here at U.C. We strongly encourage you to become involved in U.S.G.A. and the many other diverse and active campus organizations. At the end of each school year, the U.S.G.A. presents the Teresa Lynn Urban Award, honoring a student who exemplifies the traits that Teri possessed—"A leader who served..." This is just one example of the great rewards you can receive by being involved at U.C.

Good luck this year and remember to work hard, but have fun, too! If you keep these things in mind, your college experience at Ursinus will no doubt be the best years of your life! We look forward to working with you during another great year at Ursinus!

--Janene Paist, U.S.G.A. President

Music crescendos to new heights

Conductors, convention highlight year

The musical ensembles at Ursinus continued to grow stronger during the 1993-94 year. A guest conductor, more diversified music and a national convention added excitement to the current programs in music.

The College Choir and the Meistersingers were led by Mr. John French and guest conductor Mr. Nelson Huber, who filled in for French during the second semester. Under the direction of Huber, the Meistersingers expanded their repertoire to include South African, Native American and 20th-century popular music.

The Concert Band and Jazz Ensemble performed two concerts each (one per semester) under the direction of Mr. Anthony D.J. Branker. The bands studied works by greats such as Ralph Vaugh Williams, Sonny Rollins and Dizzy Gillespie. Leigh Woolston added her vocal talents to several Jazz Ensemble numbers.

Finally, Pi Nu Epsilon, the national honorary music fraternity on campus, hosted their annual national convention. The U.C. chapter welcomed over fifty Pi Nu members from Drexel, Millersville and Shippensburg for a weekend of fellowship and national business.
