RESIDENCE HALLS
The resident assistants have an enormous responsibility placed upon them. They may not be our parents in the sense that they don’t cook our meals or do our laundry, but they do offer band-aids and light bulbs to help make Ursinus a home away from home. This year The Ruby decided to dedicate a few pages to capture dorm life here at U.C., a tradition that hopefully will be continued. A special thanks to the RAs who made this section of the yearbook possible.
