SENIORS
Dear Members of the Class of 1995:

I will always remember you as the students who welcomed me to campus and made the spring of 1995 so enjoyable.

While I met far too few of you, I have enjoyed your successes as students and as athletes, and I am impressed, constantly, by your intelligence, energy, and lack of pretension.

Keep up the good work. I will continue to be rooting for you all, and I look forward to seeing you in the years ahead. Meanwhile, you can head off into the world confident that you are well prepared and happy knowing you are able to live amidst all sorts of art.

Thank you for making my introduction to Ursinus so much fun.

Cordially,

John Strassburger
President
