**Officers and Sisters**

1997-98 Sisters
Virgina Albright came to Ursinus in 1907 and along with two friends organized the first sorority on campus. The colors blue and gold were chosen to represent supremacy. The white rose is the sorority’s flower. The Greek motto stood for Truth, Friendship, and Sisterhood. From 1913 to 1929 Phi Psi disbanded. In 1929 Phi Alpha Lambda was organized. The word PALS was derived from the name of the sorority and it stands for Personality, Ambition, Loyalty, and Scholarship. In 1950 Phi Alpha Lambda combined with Phi Psi to from Phi Alpha Psi. The ideals of the sorority were the same; since that time the sisters of Phi Alpha Psi have continued to keep the original goals set back in 1907.

Sisterhood and Brotherhood
Greeks are more than just organized drinking...being Greek is about maintaining friendships, serving your family, and others.

Greek Dedication

When members of the Ursinus make their decision to go Greek, hopefully they do it for the right reasons—devotion, loyalty, and love... because these are the people that they will be bound to, be they spread near or far, for the rest of their lives. They are bound to people that are generations away from themselves, and will be bound to people that do not even exist yet. When you become Greek you acquire a whole new history and a whole new family.

Going Greek starts out with rushing... It’s always a lot of fun and gets us excited about what’s to come.

However, all of what’s to come isn’t always what was introduced at the Shiproom...
But the pledging is always worth it in the end... it serves a purpose... to teach pledges to think of their brothers and sisters first, to teach them unity and trust. Afterwards, the cohesive unit that emerges is one that not many people are want to break.
