Jacqui,

It's your day! Take time to stand back and savor what you have just accomplished in another chapter of your life! It's a day of mixed emotions knowing it is now time to start another new and exciting chapter in your book of life. You have accomplished so much and have so much more to do. Treasure the times you have had during your college years—especially the friends, your Sig Nu sisters, the adventures, and don't forget the Wawa runs! Look forward to conquering the dreams and goals you have set for yourself.

You have grown from that shy little girl into a strong, intelligent, determined, adventurous young woman who never ceases to amaze us. Thank you for sharing your life and experiences with us. We can't begin to tell you how proud we are of you. We ask that you continue to hold tight to your dreams and never stop reaching and exploring.

With all our love,

Mom, Dad and Jenni

Zach,
Seventeen years ago, you walked out our front door on to your first day of kindergarten. You have since proven to be more of a person, more of a man, than we could have ever dreamed.
We are confident when you walk off the campus of Ursinus College in May of 2005, you will not only have achieved another one of your many dreams, but will begin the next chapter of your life knowing that you’ve made your parents very proud while doing it.
Zach, walk on, walk proud, and walk knowing how much you are loved.
Love,
Mom, Dad & Nicole

CONGRATULATIONS, LAUREN BROPHY!

We’ve watched you grow into an incredible young woman during your years at Ursinus. We’re all very proud of your accomplishments! However, it’s time for Wendy to leave behind the “Never Land” (where you don’t have to grow up) and the “lost girls” of Tau Sigma Gamma. It’s time for grad school and then a job helping the future Peter Pans of the world!

With much love,
Mom, Dad, Chuck & Nana
Dear Brandie,

As you embark on the next phase in your life, we know you will embrace all the challenges and rewards that come your way with the same zeal you have shown in the past. We know you will never cut the Sig Nu cord and those great friends will be a strong influence in your life for years to come. We can only hope that the education you received at Ursinus will be just as strong an influence. It has been a pleasure watching you grow from a timid first day freshman to a mature confident and learned graduate.

God luck, God Bless and remember your family will always be there to love and support you.

Love,
Mom, Dad & Nikki

'A MOTHER TO ME'
She is everything a mother should be. Her gentleness makes my heart calm and warm. She is like a general, keeping me in line, as she waves from the stands saying, "You Can Do It!!!" She supports me tremendously, making me REACH for my momentum. To finish that last stride. When I watch a friend give another friend a sympathetic HUG!!! I'm reminded of my mother's GREAT understanding of me and the world we live in.

How much kindness my mother portrays is uncharitable. The many times, I've seen her let others cry on her shoulder and keep their sorrow to her, while saying words of ENCOURAGEMENT. As a teacher stands between a fight, my mother's fairness shines through her eyes.

She is everything a mother should be- ALWAYS THERE FOR ME...
