The 2010 Ruby

Table of Contents
When the shades of ev'ning gather, Ursinus students hie
To the soft, greenswarded campus, for a time their books laid by;
And the parting rifts of sunlight, as they linger soft and long,
Shed a hallowed gleam of gladness, on our merriment and song.

Now the glee's of old Ursinus peal across the downy green;
From Memorial to Olevian span the distance far between,
And the walls of dear old Freeland the reverberations fling
From the East Wing to the Dog House, as our voices loudly ring.

Then across the Perkiomen, the chimings wing their flight,
'Till beyond the far flung hilltops, they kiss Heaven's dome of light.
Then as if they rued their boldness, come the trembling echoes back,
And thus end the winged praises of the Red, Old Gold and Black.
