I.R.C. Plans Spring Semester

By BILL HAFER

There are three activities which will keep the International Relations Club busy this semester. The first of these, on March 4, is the annual Urusins College Model United Nations Conference. This conference will bring 175 students from 14 high schools to the campus to discuss many of the topics facing the United Nations today. Discussion will be based on resolutions submitted to the I.R.C. by the students. The topics for discussion will be divided among four committees. Each committee will have a chairman who is an officer of the I.R.C., or a member of the I.R.C. The chairmen of the Phil Bevon, Special Political Committee; Dave Wielink, Political Committee; Ellen Dewsall, Economic and Social Committee; and Nancy Schieler, Social and Humanitarian Committee.

At the close of the semester, awards will be given to the outstanding delegate of each committee, and to the most outstanding delegate of the whole conference.

As Secretary General of the conference, Professor R. K. C. L. C. is on March 6. The club is sponsoring a slide program which will be put on by Nesan Kazdgargha from the Ceylon. The program is the first of a series of slides showing many of the sights of Ceylon. All are invited to attend this program to be held at 7:30 p.m. March 6 in Parent's Lounge of Wissner Hall.

The third project for the I.R.C. is a trip to New York in late April to participate in the National Model United Nations Conference. The club will be representing Sudan at the Security Council. In the past years we have represented the Philippines and the N.M. U.N. Four or five club members and Dr. James Craft will be attending the conference.

Kevin Akey Elected New USG President

By JANE SIEGEL

With a ring of parliamentary procedure and more than a little curiosity and excitement, James Stella's cabinet handed the duties of student government over the president-elect Kevin Akey at the February 14 meeting. The opening formalities and an ecology report under old business were handled by the old council. Then Jon Swanson's last speech and the meeting was conducted by Kevin and company.

Council elections were held all day February 10 and saw more contested positions than any time in the last few years. The offices are: Kevin Akey, president; Linda Mills, vice president; David Zimmerman, men's vice president; Diane Macaro, recording secretary; and Alice Duplos, corresponding secretary. Class representatives are: Barbara Dunbar, '72; Cheryl Hilberg and Richard Hoffman, '70; Ginger Johnson and Graham Mackey, '71; and Mary Miller and David Friedman, '72. The new student representatives have been selected.

Old business included a discussion of Ellen Dewsall's proposal to have the USGA elections committee oversee freshman class officer elections immediately following orientation in the fall.

But the big news about the new Council came after this first meeting. Kevin met with tremendous support from his cabinet for the semester. Kevin, Linda and Dave were given a warm welcome.

Wruc-FM Presents Jaime Brockett Concert

Jaime Brockett Concert

BY NINA CAMIEL

There are some men who should be given a special song to sing their names in time.

Yes, tonight is the night of the concert that has been talked about on the Urusins campus for the past few months. Tonight Jaime Brockett will fill Wissner Hall with his enchanting music. WRUC-FM is proud to present such a fine performer and the concert will fully open the doors for further exciting concerts.

Walk us now about Jaime Brockett. Jaime is a young viva-

The audience experiences more than just Jaime Brockett; they experience themselves. Jaime brings everyone together in song, asking everyone to give all to all to him in songs. It is such a great thing when both performer and audience can sing together.

Jaime also delights his audience by playing an instrument which is in demand and admission is $2.00.
Two Students

By ROBERT SWARR

Kevin Akey, a junior English major, and John Kowalski, aComparable says that he would like to be a high school teacher because he hung around had some pretty bad teachers and he thinks that he could do better. However, he is the president of the U.S.G.A. and says that U.S.G.A. takes up much of his time.

Kevin, but he is not a "joiner" who enjoys rushing from meeting to meeting. He has, in fact, been involved in the U.S.G.A. because he felt that it made an important contribution to the students of Westport.

The apathy is really rampant. Kevin has a lot of interest in other students many show to the administration of interest. Many students show to the administration what their problems are. Some students have a fresh man who couldn't have cared less about the U.S.G.A. Of course, that student could be the student's record before him, and together they examined his old purpose for being. For example, he would tell his transgressions, while the other was rewarded for doing well. And so time passed.

And after some time, he said, "Let us look at each student." So they brought the student's record before him. He was full of fear and quick to anger. And he said, "Sit down and let us talk."

The student eyed him carefully and cautiously sat down. They did not talk much, for the student was wont to defend every word and action. After some time, the student left.

And he said, "Let us look at his record." So they brought the student's record before him, and together they examined it closely. They were most distressed at their findings. The student was seldom prepared for his lessons, and his work was always that of doing his work. Indeed, "getting away with it" was his sole purpose for being. For example, he would tell his overseer that he was going to such-and-such a place, while in fact, he was going to someplace and get their work in on time.

For his transgressions, while the other was rewarded for doing well. And so time passed. They did not talk much, for the student was wont to defend his every word and action. After some time, the student left.

Kevin Akey does not consider himself all that much different from his classmates. "After I was here for a while I really thought that I would go totally opposite from the middle-class—from what my parents are—from this rebellion thing that we all pass through. But, there was a time that I was dependent upon my parents for everything and now I'm not and that's caused a lot of change."

"I'm moving towards middle class ideals. Everybody's got to take a stand and keep up the image. I don't think I'll be as middle class as my parents but I'll be somewhat middle class."

LITTLE MAN ON CAMPUS

"Mom, I think someone's about to start a football game out there."
Kilt Klad's Comment: Swimmers Slice Through the Water

By RUTH ANN CONNEL
Two Victories
The Ursinus Swim Team put on an encouraging performance in the water as they scored two victories out of a possible three. The only defeat came when a strong East Stroudsburg team struck past our women 47-30 last Tuesday. However, we noted only that we scored more against the Warrior this time than we have in previous years. The following day saw the Aquabears breeze past Bryn Mawr 70-7, as we took all first and seconds. Then our ladies trounced Temple, 75-20, at U.C., impressively scoring first place in every event. The Diving Beartresses also took all firsts and seconds against Bryn Mawr and Temple. Everyone swam well and no one person can be singled out. During the past week we met several more swimming competitions qualified for Regionals. Go ye Heros!

Coach Van Horn’s team traveled to Monmouth College Monday and Bucknell Wednesday. Tomorrow the team will head to Philadelphia to meet the University of Penn. Good luck, ladies.

Badminton "Bolide" Fly
The Badminton “Bolides” broke even last week, losing first a close one to U. of Penn but then turning around and smashing Rosemont. Penn took the first and second singles matches and the first doubles match on their way to defeating U.C. 5-2.

Our only wins were turned in by Judy Petralia in the third singles and paired by the doubles team of Carol Spinnor - Mona Jennings. Last Thursday Addie’s “pack” emphatically ran over Rosemont in both the Varsity and JV contests. N.D. Ferris Barrall, Carolyn Fagley, and Janet Liu were victorious in the singles matches, while the doubles teams trounced their opponents.

In the Philadelphia Badminton Tournament held this past Saturday, Ferris Barrall defeated her first opponent before losing in the finals to Cynthia Tutor 11-4 and 11-0. The University of Pennsylvania's Carolyn Fagley - Janet Liu won their first match but were then defeated 11-5, 11-4 in the second match by the seeded team 18-15 and 18-16. In the mixed doubles category, Ferris Barrall and her partner lost the first match in three games but came on to win the consolation tournament!

Sniddlebob Get Smudged
Unfortunately the Sniddlebob suffered their first loss at the hands of East Stroudsburg. In the first match as if there was a lid on the basket because no one was hitting at all. The second half was just as disappointing. It just seemed to be a bad day for all of the Sniddie Bobes. We get another shot at East on our home court, Friday, March 3, and hopefully we will win today. Today our ladies are playing the Luzerne County West Chester in our own College Gymnasium. Good luck and go ‘em!

Dr. McAllister Receives the Alumni Award

Dr. Robert M. McAllister, class of 1942, has been selected as the 1972 recipient of the Ursinus College Alumni Association's Annual Alumni Award.

Dr. McAllister, currently professor of pediatrics at the University of Southern California and head of virology research at the Children's Hospital of Los Angeles, is now conducting confirmatory tests which he hopes will prove that the virus strain isolated by him and his associates is the elusive human cancer virus.

The Alumni Award will be presented at Alumni Day, June 6. It is awarded annually to a candidate who has performed an outstanding service which has benefited mankind or has made a contribution of distinction in his field of vocation.

In 1971, the Award was presented to Dr. and Mrs. Donald L. Heffernan of West Chester, Pa.

COLLEGEVILLE SHELTER

The prospect of a winning season seems to be in the eyes of the Faithful at Ursinus College as they face the largest test of the season when they meet West Chester State in women's basketball tonight.

Fourth in 1971
Miss Eleanor Frost's Swimmers took fourth in the national tournament during the 1970-71 season, but now they are fourth in the regional in last year. This season, with the return of Mary Hackett, Laura Bower, Towson State, and Lock Haven already registered, the ladies hope to enter the Mid-Atlantic Regional Intercollegiate Tournament with a strong record. The Tournament is scheduled for Towson State in March, but first, there's that game with arch-rival West Chester on the Ursinus court this Thursday afternoon beginning at 3:00 P.M. And it's a matter also of meeting East Stroudsburg once again, a game always destined to test the mettle of the College ladies.

Legend Receipt
Miss Snell's chargers have a lot of strength and bench depth, and as a result they worked behind the 1972 squad. Since 1941, the legendary lady key West's Sports has coached her basketball teams to 278 victories against just 73 losses.

Top Team
Stars in Miss Snell's crown this season include tiny-but-tough sensor Robin Cash, Lancelee; juniors Bethel Bleecker and Ann Norris, town, and Carole Bishop, Blue Bell; and seniors Claudine Bloom, Heightstown, N. J., and Sandy Anderson, Springfield, Pa.
