Remembering active members of campus who we have lost this past year

## Gary Hodgson

Beloved UC employee, Gary Hodgson passed away on January 9, 2018. While many remember Gary as a stellar Ursinus campus safety officer whose career at the college spanned more than 27 years, he also called play-by-play for many Ursinus football games. In addition to his roles at Ursinus, Gary was a sports announcer for both CBS radio and the local ABC affiliate. An adored employee who was most often seen traversing campus in his trusted golf cart, Gary is fondly remembered for his booming voice, which belied a big, welcoming smile that routinely greeted students with laughter, warmth and more than a few interesting stories. He is missed by the UC community and beyond.

## Bill Racich

Longtime Ursinus wrestling coach, Bill Racich passed away September 21, 2018. A legend in collegiate wrestling, Bill had been the Bears' head coach for the better part of four decades. He ranks first in wins among all men's single-sport coaches ever to serve at the college, fourth on the NCAA's all-time list for all divisions and second among all active coaches. Racich brought an incredible enthusiasm for his role as a teacher and mentor, and leaves behind a legion of student-athletes who were forever changed for the better by his presence. His legacy at Ursinus will continue to live on.
