AMBASSADOR DANIEL NYAHO
Addresses Forum Audit...

By CHUCK CHAMBERS

The Ursinus Student Government Association is passing a milestone tonight as Alan Novak resigns his position as the first Chancellor. He will continue to serve as President until a new chief executive is elected by the student body in about three weeks. The announcement was made in the last hour at a special meeting called for all students. Novak discussed his decision with the USGA Council in executive session Monday, November 9, directly after they had elected Fred Fursting and Ron MacAvoy to the new board.

New USGA Flexibility

In an exclusive and private interview with the editors of The Ursinus Weekly, Alan Novak outlined the factors behind his decision to resign as USGA President and evaluated the possible effects of his resignation upon the student government, the student body, and the Ursinus Collegiate community. He emphasized that he is not withdrawing from student affairs entirely, but only hoping to make his official status more in keeping with the duties of the office he assumed at this organization at this moment.

His duties as Chancellor will include conferences with student leaders and College officials, continuing his active interests in the Pre-Presidential and Intern Program and the Community Relations Committee, and removing some of the workload from the incoming President.

Novak said that his greatest reason for announcing his resignation as President was that, "I have not been able to devote as much time as I think he should be devoted to the office. I've off campus, with my wife, the former Barbara Wagner, who has served as Corresponding Secretary of the USGA in the last two years, so I cannot attend many of the meetings I did last year. Jim Stelgar, Vice-President of the USGA, was not even here this year and not been getting any of the committee's business."

Another Ursinus Chancellor

The President thinks that his moving up to the Chancellorship, a new position in the student government which might be said to parallel the new position in the Ursinus Administration, will enable the organization to continue this year's program of diversification and bring many people into the government association. He said: "I think this program which the USGA Council will emphasize this year will not be any easier than the annual wrestling match, but at least it will not be the annual wrestling match."

Shadow Box

Campus security officers will be present in the Rotary Club tonight as Allen Novak resigns his position as President of the Ursinus Student Government Association.

Students will drink from student affairs in the coming weeks, and many people will be concerned over the false alarms. He emphasized that he is not with- ing anything which might be said to be the student affairs office. I live off campus, and with his office. I am not resigning because I feel I can no longer be President, but I am resigning for reasons which I am not able to explain."

Ambassador Daniel Nyaho

By JUDY EARLE

Daniel A. Chapman, Ambassador from Ghana to the United States, was the third forum speaker this year, the Forum was held on Wednesday, November 4. He succeeded the Joan Cables, followed by Dr. M. D. M. Montagu, Mr. Nyaho's stated topic was "The Role of the African Image in Africa." In his tour of sixteen U.S. colleges last year, Mr. Nyaho had been doing many of my work was concerned with the American image in the African minds. Our American tastes are not very different to the African tastes, but our tastes are different. The African image is another repeated query. Mr. Nyaho, in addition to his other duties, set out last year to discover the opinions of some of the African people.

Mr. Nyaho stated in his opening comments that "You don't have to believe what I tell you." He emphasized the relativity of the image of Africans by explaining the African taste and the African's way of life. He also emphasized that the African taste is very different to the American taste.

The amalgamation of opinions produces a diversified America: a rich, generous country of opportunities, changes in thinking, and widening tremendous power, yet beset by considerable racial discrimination. The presence of African Americans is an excellent example of this. The African American is not an African American, but an American. He is an American.

THE URISNUS WEEKLY

PAGE THREE

THE ADMINISTRATION ANSWERS

Dean Ruth Harris

Question: Why do the official rules of Urisnu College prohibit women from being allowed in the dormitory rooms of men?

Answer: In the past, this regulation has been set by the Board of Directors. At the present time, there is a petition concerning this rule from a committee of students in the hands of the Board. There is a meeting of the Board of Directors in the near future.

Bill Hafer Schedules Mock U. N. Conference

By CAROL BARENBLITZ

This year, the Urisnu College International Relations Club is planning a high school model United Nations Conference in addition to the usual college model U.N. Conferences in New York. The high school conference will be held here at Urisnu on March 27, 1970.

President Bill Hafer said that the club has been participating in the college conference for about five years. The high school conference will follow approximately the same structure as the college conference: each school will represent one of the member nations, and there will be four committees set up to deal with current problems of the U.N.

The club will be responsible for setting the guidelines of the conference, making the assignments for the nations to be taken by each school, judging the board members, and determining the premises and problems of the U.N.

The club, whose sponsor is Dr. Graft, Assistant Dean, is also planning a possible debate on campus problems and those of the faculty or administration and a student.

WELCOMES YOU
U.C. Bears Trip Dickinson; Adrian Marches Onward

Harry Adair did it again! Scoring two touchdowns in the final quarter, the Fermorkeins sophomore pushed his teammates to a 17-3 victory over Dickinson. The match was tied 3-3 for the first half. In the third period, Craig Walker booted a 31-yarder in the opening period, and U.C.'s Gary Keys matched it with a 27-yard conversion in period two.

Adrian exploded in the final period, and the Bears took the pigskin to the 1-yard line. Final score: Ursinus 17, Dickinson 3.

Kilt-Klad's Comments

By BRIS CRANE

The double victory was more than significant for the Bears. With but two short weeks remaining, the harriers now appear ready and able to defend their Middle Atlantic title for a second time. There has been a tendency in recent weeks to discount Ursinus' chances on November 20th. Swarthmore is just too powerful an opponent to be taken lightly. In the final three games of the season, however, Ursinus has defeated Dickinson, Haverford, and Swarthmore, and with a 14-6 triumph over Haverford's Glenn Hines in third place, the British on Saturday last...next to the Winsor Harriers, and with a record of 2-5. They cored six goals in one period, and since Bunker Hill...They cored 10 goals in one period. In the first half, but the second half

Bakermen Score 1st Victory Over Haverford Since WW2

They said it couldn't be done! Soccer coach Donald Baker had suffered through twenty-five straight defeats at the hands of his alma mater Haverford College. Justice, however, was finally done. Ursinus' field hockey team squeezed past the Main Liners by a 3-2 margin in their annual contest last Wednesday.

Both teams were rowdy at the end of the first half, but in the third quarter the Bears were able to score. The final period of play began with Ursinus 1, Haverford 0, but later in that period Haverford was able to rally on a score by Jones. Again the game was tied.

Ursinus' chances for victory had lassened, but goalie Ralph Gandel's great efforts and an all-out team effort stalled the next 'Ford scoring drive. Tri-captain Solby Nera then led the victory with a final UC goal. The final score: UC 2, Haverford 1.

signing because | do not think that

there is anywhere that I can still

end. I am disappointed with some

of the procedures over the past

year. I think that the students are

not getting the consideration they

should be getting from the Board of

Directors." Novak adds that joint

student-Board meetings contain more

debates rather than actual bargain-

ing over specific issues, but "stu-

dents should not think that the

situation is hopeless."

Novak is confident that the next

President of the USGA will bring

in a new burst of enthusiasm and

will also have the advantage of an

two extra months in office. Those

two extra months will mean more

experience for the next President.
