By Police Captain Howard.

"Will you please note, this for me: I am standing near the center of New York and I find a nest of boarders in one of the tenements in this vicinity. They have a floor above the street level, a door by which they can pass to and from the street, and they open it whenever they want to. Please have me arrested before my name is passed around as being a swindler. Thanks in advance." -Telegram received.

"They COLORS," said the speaker, "are very similar to those of the American flag. The body is red, the sleeves and collar are white, and the cuffs are blue. The buttons are black, and the collar is turned up to the neck. There is a large star on the breast, and a smaller one on the sleeve." -Telegram from a man in New York.

"I am in possession of a large amount of gold and silver," said the speaker, "but I cannot have it all at once. I will send it to you in several parcels, each containing a certain amount of money." -Telegram from a man in London.

"I am in London, and I wish to send you a parcel of gold and silver," said the speaker. "I am also in possession of a large amount of property, and I will send it to you in several parcels, each containing a certain amount of money." -Telegram from a man in New York.

THE READY PAY SYSTEM WILL WIN.

After trying it, we are satisfied, and we believe the public are, that it is the best way to do business. We are selling Dry Goods, Choice Groceries, &c., at much less profit than goods have usually been sold in the way of long credits. Call and see us.
