Fourteen Join Faculty, Dept. Heads Named For Philos., Economics

by ALAN GOLD

Fourteen new faculty members have recently been named to positions on the Ursinus College faculty. Dr. William Bed ford Williamson has joined the faculty as professor of Religion and is chairman of the Religion Department. He was instructor in Religion at Haverford College; chairman of social studies at Harcum Junior College for nine years; and was ordained as a Minister of the Episcopal Church in the Diocese of Bethlehem, after graduation from the University of Illinois in 1952, his master's degree from Lehigh University, and his doctorate (E.D.D., Philosophy of Education) from Temple University.

Dr. William Bedford Williamson, new professor of Religion and chairman of the Religion Department.

An ordained minister, Dr. Williamson earned his degrees at Temple University School of Theology and was a member of the Episcopal Seminary in Philadelphia. He was consecrated to the Bishop's chair of the Episcopal Church in May 1956, in the Diocese of Bethlehem, after nine years of service in the Methodist Church.

Dr. Donald J. Hunter, new professor of Economics.

Dr. Donald J. Hunter, head of the Economics department.

Dr. Donald J. Hunter, head of the Economics department.

Spent seven years as a research associate at Illinois, his responsibilities there including teaching, research, and extension work. He is editor of "Food Goals, Future and Structural Changes and Policy," a volume to be published by the Iowa State University Press this year. He has also been editor of "Farm Policy," a quarterly magazine since 1962.

Dr. Edward R. Sellam, recently named as head of the English department.

Visiting Professors

Dr. Bal Mikand Anand, since 1964 chairman of the physics department at Punjab University, India, is visiting professor of physics at Ursinus during this academic year. He is assisting in the absence of Dr. Evan S. Snyder, who is on a leave of absence under the Science Faculty Fellowship awarded him by the National Science Foundation. Dr. Snyder is doing research in high-energy physics at the Brookhaven Laboratories, Princeton University.

Dr. Anand received his B.S. degree in 1956 at the Government College in Lahore, India; his M.S. degree from the same college in 1958; and his Ph.D. degree in 1963 from Bristol University, England, where he was a Government of India Research Scholar. He worked for three years with Nobel Prize-winning Professor C. F. Powell.

With the exception of his three-year stay in England, he has been the physics faculty of Punjab University since 1954. In recent years, in addition to his teaching duties, he has been investigator-in-charge of the "Physics Research Station" financed by the Indian Government's Department of Atomic Energy.

Dr. Anand's courses include Modern Physics, Electricity and Magnetism, Alternating Currents in Electrical Engineering, and Mathematical Physics. Dr. Philip E. Williams, since 1957 professor of English at North Alabama College, is visiting professor of English at Ursinus.

The visiting professor is teaching courses in Western and non-Western literature with special attention to the literature of Japan, and courses in American literature and modern poetry in which he has been associated with the University of Pennsylvania, where he received his Ph.D. degree in 1956.

Dr. Williams, an ordained minister of the United Church of Christ, graduated from Franklin and Marshall College in 1947, and from the Yale University Divinity School in 1950, where he received his M.Div. degree in 1953.

Pictureed above are Tadayoshi Oda of Japan, and Rupak Bajracharya of Nepal, two of the Freshman foreign students.

Professors Recognized For Teaching Excellence

Dr. William F. Philip, professor of music, Dr. E. Vernon Lewis, associate professor of mathematics, and Dr. Gayle A. Byerly, assistant professor of English, were named at Ursinus this year to receive the 1968 Lindback Awards.

The awards are made possible by a grant from the Christian and Mary Filfred Lindback Foundation. The donors, both deceased, established the fund "to help young students through scholarships and to help the teaching profession through increasing professor's salaries."

Twofold Purpose of Grant

Each year's grant is applied equally to these two purposes, the half retained for student aid being added to the Lindback Scholarship, which now totals $13,000 at Ursinus College. Income from this permanent fund is awarded each year to a worthy student who is designated as "scholar" of the year.

In announcing the faculty awards, Dr. Donald L. Heffler, who has been a teacher for 23 years has developed a number of courses on the campus which he and his students have exported to many parts of the country, as a traveling speaker and as an enthusiastic in singing his grains in the music of the American Musical Theatre.

Joint Effort Concert Features Intruders

The Intruders, a singing group from Philadelphia, will perform at Ursinus on October 1.

Friday, October 4, the Intruders, singing group from Philadelphia, will appear at the Ursinus gym. The concert is scheduled to begin at 8 p.m.

This group has made several rec- Cordings: "Together," "Cowboys to..." and "Girls," and "Love is like a Baseball Game." Recently, they had several appearances at the Continental Safari in Media. Les Barretts of Easton, Pennsylvania, president of the Agency, describes the group (Continued on Page 4, Col. 2).
Fred at Shalom; Dinks on Till 12th

The weekend of September 26th kicked off the annual orientation program for the 271 members of the Ursinus community. Among the highlights of the weekend was the annual social event called the collegiate Convocation in Bomberger Chapel.

Freshman camp joining the Freshmen Society was held on Tuesday night. The freshmen were invited to attend. By-0-Line. (Continued on Page 4, Col. 2)

Unfortunately for Ursinus, and for campuses across the nation, Mr. Capp’s attitude toward student protest and unrest is all too common. Too many educators, politicians, (including presidential candidates), and businessmen are inclined to believe this is a thoughtless, well-written piece, and its value is in its meaning and should not be judged by the style of the writer.

Freshmen were invited to attend. (Continued on Page 4, Col. 2)

The shibboleth coined by the late President Garvan was that Europe is a political force of concerned conservative Americans. Quite frankly, we are left with the choice of the lesser of two evils. Some genuine intellectuals will even vote for George Wallace.

The hang-up of concerned students is the belief that the United States has become a nightmarish place, that the American man has become a nothing except crossing a street. This does, in no way, fall into the realm of police protection of public right.

Newspapers and other publications, including the Weekly, were invited to attend. (Continued on Page 4, Col. 2)

The shibboleth coined by the late President Garvan was that Europe is a political force of concerned conservative Americans. Quite frankly, we are left with the choice of the lesser of two evils. Some genuine intellectuals will even vote for George Wallace.

Once a Week

Some of the faculty and a few of the seniors may remember that once upon a time—only three years ago, to be exact—the Weekly actually came out on a weekly basis. It was not really a good newspaper, but it had much that a bi-weekly newspaper staff could applaud. For publication—if the story is by then still relevant enough to print.

The distance from College to the printers is also a difficulty. Smale’s is in Pottstown, twelve miles from Norristown. When a problem arises in the printing, it is no simple matter for the editors to drop everything and rush up to Pottstown. Deadlines have been missed for times.

It is not my intention to convey the picture that the Weekly situation is hopeless. Far from it. We have a nucleus of a good staff back together from the past two years of being bi-weekly, we have better opportunity to cope with everything and rush up to Pottstown. Deadlines have been missed for times.

Every week, or very nearly so, during the 1968-69 school year.

THE ALLEGEDLY

(Continued from Page 2, Col. 5)

For example, a student of psychology, I would very much like to know what this “undesirable” means. Is it “undesirable” to call a cop a cop? To spit on the sidewalk? Is it putting in the trash “Rumbler: ‘undesirable’?” Unlikely. But the “undesirable” “emotional disorders,” “laundry,” and “Beau­tiful” are not. There are also things which are “undesirable” but which could be used against us in certain circumstances. They may be used against us in order to have the Judiciary Board’s incident report put in our permanent file as something we have done.

We read that the Judiciary Board, the President, Dean, etc. will help control expenses. A special checking account will be set up, the College will not be re­quired to pay one’s Ursinus bills in ad­vance. For all these reasons, we are very grateful to have the Judiciary Board.

Furthermore, as a student of psychology, I would very much like to know what this “undesirable” means. Is it “undesirable” to call a cop a cop? To spit on the sidewalk? Is it putting in the trash “Rumbler: ‘undesirable’?” Unlikely. But the “undesirable” “emotional disorders,” “laundry,” and “Beau­tiful” are not. There are also things which are “undesirable” but which could be used against us in certain circumstances. We read that the Judiciary Board, the President, Dean, etc. will help control expenses. A special checking account will be set up, the College will not be re­quired to pay one’s Ursinus bills in ad­vance. For all these reasons, we are very grateful to have the Judiciary Board.

We, therefore, hope that you, especially, will consider joining the staff. We have lost some seniors to gradua­tion and, therefore, the Weekly is your concern. Freshmen and sophomores, especially, should get involved. We have a nucleus of a good staff back together from the past two years of being bi-weekly, we have better opportunity to cope with everything and rush up to Pottstown. Deadlines have been missed for times.

FOURTEEN JOIN FACULTY
(Continued from Page 1, Col. 2)
joins the faculty at Ursinus as visiting assistant professor of science.
Professor Seltzer shares with the other members of the department in the honor of attending the day of doing student teaching this fall in area junior and senior high schools. He also will participate in special methods of teaching English and teach the course in the Foundations of Teaching.
A graduate of Muhlenberg College, Professor Seltzer holds the M.A. degree from both Temple and the Pennsylvania State University. He was chairman of the Senior High School Study Council (1964-66), an assistant member of the Council of Teachers of English, and has attended many professional conferences on the teaching of English in secondary schools.
New Professors
James P. Craft, Jr., for 30 years an officer in the U. S. Navy and now completing his dissertation for a P.D.E. degree at the University of Pennsylvania, joins the faculty this fall as assistant professor of political science.
He is teaching courses in general government and shares with other members of the department in the teaching of the basic courses in government.
A 1954 graduate of the U. S. Naval Academy, in 1943 he received an appointment as an ensign in the design at the Massachusetts Institute of Technology.
Assistant Professor Craft has been doing graduate work at the University since 1962, and was Dean of Men from 1962 until 1967, when he left to attend a leave of absence to write his doctoral dissertation.
Mrs. Esther L. Cope, who during the past year was conducting research for her M.A. degree in history at Wilson Dissertation Fellow toward a P.D.E. degree from Bryn Mawr College, has joined the faculty of Ursinus as an instructor in history.
She is a graduate of the Brown University School of Foreign Service and has been a history instructor at the Ursinus faculty as an instructor in history.
Since 1964 she has been a history instructor in the British Social History, and is assisting with the courses in the history of the United States and American History.
C. Larry Cope, a "cum laude" graduate of Wilson College in 1964, where she took departmental honors in history, joined the history faculty at Ursinus as an instructor in history.
She received her Master of Arts degree in history in 1966, at the University of Minnesota, where she studied under a Woodrow Wilson Fellowship. She has been in the history faculty two years she studied at Bryn Mawr College, under S. Maude Kammerling Fel low.
Paul A. Tambrino, since 1964 a teacher and coach at the North Babylon, New York, School District, has joined the Ursinus faculty as an instructor in economics.
Since earning his Master of Science degree in secondary business education at the University of Washing ton, he has been doing further graduate study there in business administration. He received his Bachelor's degree in economics from the State University of New York at Pella, Iowa, where he majored in economics and business administration.
Mrs. Alan E. Portz, joins the faculty at Ursinus as an instructor in English.
Mrs. Portz graduated "magna cum laude" from Ursinus College, and received a Woodrow Wilson Fellowship to study in business administration at the University of Pennsylvania. After a year at Columbia, she left the college and worked for the Brunswick and Stratford University, where, in the following six years, she worked as a department manager and began working toward a doctorate.
Mrs. Portz has previously taught at Maxwell Vocational High School in Philadelphia and has had teaching assistantships at Brandeis.
Part-time Instructors
Gary Wilson joins the Ursinus staff as an instructor in English. He received his B.S. from St. John's College and his M.A. from Villanova College. Mr. Wilson has previously taught at Chestnut Hill College and is now doing graduate work at the University of Colorado prior to receiving his M.A. from the University of Pennsylvania. Mr. Sharp has been an instructor at Temple since 1963, Joseph F. Caffrey has been a part-time instructor in English, and was graduate work at the University of Wisconsin, and the University of Pennsylvania (M.A.).
Ms. Mac Duffie Dowling has joined the faculty as a part-time instructor in English, and Mrs. Dowling received her master's degree from the University of Missouri.
Miss Mary Bodine is serving as a part-time instructor in Anthropology.
INDRUTERS CONCERT (Continued from Page 1, Col. 6)
not pure Detroit soul, but a mixture of several climes and climes.
Friday night's concert is the joint effort of the Agency and the Class of 1970. The larger part of the concert on campus. The Instructors are committed by the Agency to connecting the Class of 1970 has invested $650 in the performance. The money has taken on the responsibility for the rest of the concert costs. For a more effective concert, the Agency and the Office of Student Activities have plans to use equipment from the Sherman Theater and an organization of their own to present one of the concerts.
Are there to be any future concerts at Ursinus will be determined by the turnout for the Instructors' concert. The Agency presently holds $150 in its checking account, and says Le Sue, "If the concert is successful, the Agency and in first concert, it will just be disbanded."
If Friday's concert brings the profits which the Agency needs to purchase a new machine, will be the second concert, and Mrs. Pearson will give parents of Ursinus students the chance for parents to meet on the college campus, and to provide a chance for parents to meet informally with faculty members.
Members of the 1968 Parents Day Committee are: Dean Ruth Echter, chairman; Mr. C. R. Creager, Mr. Robert Keene, Mrs. Norman Petersen, Mr. Richard Hinkle, Mr. Eugene Searles, Mrs. Helen Vanhorn, Margaret Allen, Ruth Allen, and John Gray.

THE UR SINUS WEEKLY
Graduate School Aspirants Urged To Prepare Early
Anyone preparing himself for admission to graduate schools should be rau that he has fulfilled all the requirements in advance. Among other things many graduate schools require scores from the Graduate Record Examinations. This test is offered on October 20 and December 14 in 1968 and on January 18, February 27, April 20, and July 12 in 1969. Individual applicants should be sure that they take the test in time to meet the deadlines of their intended graduate programs, fellowships or fellowship granting agency. Early registration also ensures that the individual can be tested at the local test center without having to pay the three dollar fee for late registration.

The Graduate Record Examination includes a Aptitude test of general scholastic ability and Advanced Tests of achievement in 22 major fields of study. Candidates determine from their previous grades in college which of the optional fields of study they should take and when they should take them.
Full details and forms needed to apply for the Graduate Record Examination can be obtained by request from Educational Testing Service, Box 500, Princeton, New Jersey 08540; 200 Grove Street, Madison, Illinois 60110; or 1447 Center Street, Berkeley, California 94704.

IN CONJUNCTION WITH THE PROGRAM at the Graduate Record Examination, the University of Pennsylvania, the Wustum Museum at Racine, Wisconsin, and elsewhere, will make available one of the most complete collections of fine art shown in the history of the Agency. These concerts will be taught by Richard Olof sen's courses. The upper floors of the building, previously used as a residence for non-students, is being remodelled to be used for faculty offices.

Annual Parents Day
Planned for Oct. 12
The Eighth Annual Parents Day at Ursinus College will be held on Saturday, October 12th, from 10 a.m. until 1 p.m., with an orientation program beginning with a Parents' Mixer in the Parents' Lounge at Wismer, followed by a Buffet Lunch. The cost of the luncheon for adults will be $5.00; for children, $3.50.
The featured event of the day will be the Baltimore Orioles football game. Immediately following, there will be a reception in the college gymnasium.

Mr. Richard Olofson
THE GREAT SOCIETY?
(Continued from Page 2, Col. 1)
by "Der Fahrer" Daley as a means to its own ends. What disgusts one more is the idea that there were those who condemned him to a death. Those who sanction Daley's activities are also those ignorant enough to vote for Wallace. So the question remains of what our society from its present muck-laden condition with such people as those contributing to its muck.
Perhaps the time will come when individuals themselves will realize that they can tip the scales of government and will refuse to tolerate further abuses and degradation. The Black people of the country have already taken to the streets. The American who are leaderless, have no choice for a President who will represent the dictates of the total American conscience. If there is a choice among the candidates they have a choice of a President are without any logical concept. It is not a mere personal concept, but a general idea holds that being a conscientious objector to the war is almost a rebel. We conscientious Americans should have no compunctions, expressed that when a minority conforms to the majority it becomes powerless. But our superior morality will overcome the interior in number conservatives in America.

THURSDAY, OCTOBER 3, 1968
FORUMS REPLACE
Required Chapel
In conjunction with a proposal made by the Student Government Association and approved by both the Faculty and the Board of Directors, programs foralls have been replaced by a Forum Program that will stress ethical, moral, social, cultural, and religious aspects. All students will be required to attend at least two of the six programs scheduled for the fall semester.
Foremost historians, political scientists, and theologians are scheduled to design their forum, and will be cancelled during the meetings of the four days for-
Franklin & Marshall Passing Stops Bears In Season Opener

By Chris Crane

This year should be the Year of the Bear if the Ursinus Girls' Hockey Team has anything to do with it. The Ellie Bryan Evans Hockey Field, home of the perennial national contenders, has been in a flurry of activity since August in preparation to uphold the long tradition of women's field hockey at Ursinus. Under the guidance of the varsity coach, Miss Eleanor Shnell, probably the most respected women's hockey authority in the United States, the girls will attempt to extend Ursinus' undefeated string to 15-1-7 straight years.

This year there was an overwhelming turnout with enough girls for over seven teams; hence, the team should have good depth. Graduation did take its toll, with the varsity losing three standouts, including All-American Joan Moser. Returning to lead the team, however, are co-captains Gwen Stegelman, one of last year's All-College wings, and Kim Brown, former goalie on the U.S. reserve team. Ursinus annually dominates the All-College lists and none of the returning lettermen were lower than third team.

Leading the junior varsity team will be Miss Adele Boyd, former All-American and captain of the 1967 United States Women's Field Hockey Team that toured the world. Along with upperclassmen, she has some very promising players from the Class of '72.

It seems a shame that such an outstanding record as that compiled by the girls can be so ignored as on this campus. Ursinus has something to be proud of — the best field hockey played anywhere in the United States. Let's give the girls the recognition they so richly deserve and support them as they strive for another championship season.

Bake's Counts On Fresh To Bolster Soccer Team

How this year's soccer team fares may well depend on the performance of several freshman players. In an interview Coach Donald Baker said that four of the eight freshmen on the team will have starting positions in the season opener with Eastern Baptist. Baker commented that he has twice as many capable freshmen this season than ever before.

Of the returning lettermen Danny Rudloff and Bill Stewart, who will serve as co-captains. Also returning is last year's most valuable player Dave Gruss who will be playing somewhere in midfield. The Ursinus backfield will take on most an entirely new group of personnel, as three starters from last season did not return.

Although building a new defense appeared to be a problem at the beginning of the season, Baker feels that the defense has developed very well. Whereas last year Baker had to take offensive players on the job for defense (and vice versa), he insists that he will not have to do this season.

When the coach was asked to name the strong point of this year's team, he replied very quickly, "The other team can play on our cow-pasture field."

Ursinus Hockey Squad Hopes For Eighth Undefeated Year

Everything seemed in perfect order for Ursinus' opening football game last Saturday. A bright sun and a gentle breeze made the weather pleasant. The new electric scoreboard was in operation for the first time. The freshmen were all in attendance. Unfortunately, the Diplomats of Franklin & Marshall spoiled the day for the Bear gridders. Scoring early in the first quarter, F&M took the head and won easily, 17-0.

Although the Diplomats outclassed the Bears in most respects, their biggest weapon against the Bears was their passing. In both touchdowns drives F&M's key plays involved long passes. The first of these, a 50-yard pass, opened the opening moments of the game. Taking over on the F&M 45 yard line in the second time in the game, F&M led 6-0 three plays later. After a blocked pass and an incomplete one, quarterback D.J. Korns tossed a 50-yard bomb to Rusty O'Brien. The pass to O'Brien might have been knocked down, but an over-energized UC defender jumped too soon in an attempt to grab the ball from the Diplomat end. The extra point kick being good, F&M led 7-0.

First UC Penetration

Ursinus' first penetration into F&M's end zone came at the goal line. The Bears made one final attempt to score in the final minutes of the game. Blocking a Diplomat punt, the Bears took control of the F&M 20. Shuman decided to try rushing with freshman Jim Roe in the end zone, but instead found only Bill Wikat of F&M who intercepted the pass.

Some Sidebars

Among the freshman additions to the team are Don O'Sullivan, from Albertus Hall, took a 15-yard completion to Rusty Ward on the Bears' four-yard line. On the next play Korns found Ward again, this time in the left corner of the UC endzone, and passed to his end for the touchdown. A successful kick made the score 14-0 for Franklin & Marshall.

The final Diplomat score came on a field goal from the Ursinus and the Bears made one final attempt to score in the final minutes of the game. Blocking a Diplomat punt, the Bears took control of the F&M 20. Shuman decided to try rushing with freshman Jim Roe in the end zone, but instead found only Bill Wikat of F&M who intercepted the pass.

players who earned letters last year are Al Walstad (captain), Dick Marshall, Ken Gray, Mike H sens, and Vince Phillips. Walt Fox, Pete Venetkin, and Bob King round out the upperclassmen on the team. Among the freshmen additions the squad is Dave Trichman. Trichman, as a high school starrior in Sbranton last year, took third place in the P.L.A.A. Class C Track and Field Championships; he was also the P.L.A.A. District 12 Cross-Country Champion. The other two freshmen on the team are Chris Ellens and Bob Moskowski.
CREEK GLEANINGS

Tina Sjerna Gamn

If Boardwood II could talk... Lynne and Debbie, what's the new law just passed in July? Too bad it wasn't passed before you were there. Karen, the ole opera starts on an extra part-time job of Soprano Street. And it is true that Sue is transferring to Radcliffe... Who's the mysterious man that bought me a new rod yesterday? Speaking of gifts, best wishes to Mary on her recent engagement to Jack O'Grady. What a summer you had Mary!... Denise, how do you enjoy commuting to Col­legeville from Northport every day? Seems you have proven three isn't a crowd. Paul, when is it Today, tomorrow, next week, when? And what's this about you be­ing a fugitive? Every Thursday night Linda's head sweats; could it be because of... Ed? Charlie, I guess you proved it again to the rest of us. What's this about M. painting her chest orange? Linda—New York or Bust. And... Who's the mysterious man that bought you a new ring? Fathole was surpr­ised the telephone co. again on the same time schedule. Maybe he will start cur­ing by 2nd semester. In closing we would like to ex­press deep regrets about John Sam­mis and congratulate our new pres­ident Bill Swopes. There also are a few congratulations in order for the married members: Jim Jofmas­ter, Terry Jones, Harvey Frankel, and Dana who isn't married but has looked pregnant for the past two years.

---

Omega Chi

O'Chi would like to welcome every­one back from vacation. How was it a good one? We've all had a busy summer as evidenced by the "sparkle" on some of our sis­ters' left hands. Best wishes to Lyn Shuler Young on her wedding to Jack—formerly of Delta Pi, and Sharon Tottsworth Lockyear on her wedding to Steve of Beta Sig. If you've noticed an unusual glare in Blauffer Basement it's because of "two sparkling" new engagement rings. Best wishes to Sue Koos on her summer engagement to George Kreiner and Mary Ann Wise on her September engagement to Jon Leu­pold—former Sig Rho prus.

Some of the sisters remained at home this summer while others had unforgettable experiences away from home. Barb Wagner worked in England and travelled in many parts of Europe. By the way, Lynne, what did happen to that other straw hat??!! And Karen (our sailing fan) was the trip to the deserted island really necessary with all that water around?

We hope the runohers enjoyed the Red Owl Speakeasy as much as the sisters did. Think red and white GO'O'CHI.

---

Betta Sig

We would like to welcome every­one back to campus with the an­nouncement of the marriages of Steve and Sharon (Tottsworth Lockyear and Bob and Gall (Ham­ilton) Reil. Congratulations, best wishes, and light up a little. We welcomed ourselves back in the traditional way—a bit of a bash at Zvears. Maretha must learn to cling his hand on the red less this and safe. Falboke was sur­prised by having a date place before taking her out.

Eighteen are back. Seats for the boys. A cot for Tpdq. A mop for Todd. An exudance. Policy couldn't lose weight over the summer because he had his first piece of pie—20 times.

APE

AP barber and memorial day's summer for APES, and each broth­er spent it in a different way. Patty spent a lot of time on a bar stool in the New York Playboy Club listening to his own sweet nothings. Swopes spent it looking for his shoe. What were her kis­sos sweeter than, Swopes? Harry says he had a good vacation be­cause he was away from Pam. Quiet, meek, and mild-mannered Tom Thumb let loose and actually took up smoking. Maybe he will start cur­ing by 2nd semester. In closing we would like to ex­press deep regrets about John Sam­mis and congratulate our new pres­ident Bill Swopes. There also are a few congratulations in order for the married members: Jim Jofmas­ter, Terry Jones, Harvey Frankel, and Dana who isn't married but has looked pregnant for the past two years.

---

Alpha Phi Omega

The brothers of Alpha Phi Ome­gas have been spreading all over the world this summer, made their way back to metropolitan Collegeville for the year at the Collegeville Club. Related congratulations and love to Don Mayer and his beautiful new wife, who married dur­ing the summer. Congratulations in order for Pres­i­dent Joe Miller and Maureen Mur­phy of Phi Psi on their recent en­gagement.

Ask Distler how he caught more than 125 of them this summer.

Having arrived on campus, the fresh were immediately terrorized by our dazzling trio of masked ma­rauders. Beck, Burtrell, and Tomp­kins. Good work guys! Equally surprising was the night of her­ricanes on campus.

Great party at Krick's House this weekend. Tutano's date showered Lanen with many blessings. Wof found the pickings at a nearby pan­cake house colorfully delightful.

The great party-crasher, John King, couldn't handle the fresh and decided to honor us with his pres­ence.

We would like to welcome all the freshmen men to our campus and we invite you to attend our open meet­ing in the near future.
