Barbie Grimm Reigns As Queen

The 1967 Spring Festival, presented May 15, brought large numbers of students and their guests together for a day-long organization. The morning saw the opening of the first Student-Faculty Clothing Art Exhibit, held on the front of Prior, with the abstract art work hanging from clotheslines strung across the quadrangle, and the Los Angeles Times, the College Gate. There was a variety of work on display ranging from pencil sketches to oils and watercolors. Sue Hults, a second-year student, was responsible for the exhibit which showed that Ursinus does have some talented artists.

At 11:00 and 11:30 the movie which was made here on campus during the fall semester was finally offered. One film ran for 15 minutes and the narration by Jack Pace brought gargle to the students who wereavnued by the difference between this view of Ursinus and the alumni's view.

At 4:30 the actual Festival began. Ramblin' Rhythm as this year's top organization was already underway, presided over by the lovely queen and her court. Barbara Grimm, the Spring Festival Queen, was escorted onto the field by Pete Willis, followed by her court. Six Seniors in the Court were Donna Allent: ree of the Festival, and Joanne Reid. Betty Mill, daughter of the President V.P. of the entire Seniors and Elizabeth Younger took the floor to announce the Freshmen. Mrs. Connie Howley of the College Education Department produced Spring Festival, the Student Production for seven years, and she and the managers Donna Shillington, and Bev McManus have reason to be proud of their achievement.

The audience was waked around the world with a travel agent and a guide. The Travel and Tours Festival Chorus, directed by Sharon L. Larkworthy, brought in a group of dancers. The spirit of the package tours were carried out in the song, "Brother Sun, Sister Moon," quite a naturally a string, and by the time the tour ended in the present city, the audience had a wonderful view of the location of Ireland and Wales the In'spectors in the football stadium were representatives of swing in England, France, Spain, darkest Africa, America, Australia, Russia, the Philippines, Hawaii, and Mexico.

The students who participated are willing to tell anyone that being a participant in Spring Festival is probably more fun than being in an audience, for it is the most enjoyable. By the time that the chorus using "This Is My Country" to end Ramblin' Rhythm, everyone had agreed that Rick Todt's colorful production had been a memorable one.

Finally, at 6:00 the Ursinus College Band presented its annual concert. Under the direction of Mr. Thomas R. Middleton the band played a varied program which featured Richard Rodgers's "Sound of Music," "La Donna," f. Berioz's "Leflieu," and "Nightingale," an overture by F. Suppe, and Rodgers's "Duet for Two Voices" with Cheryl Leach doing a fine job at the piano. In this number, as well as in the rest of the concert, the band displayed quality music. Thus, the Spring Festival at Ursinus can be justly proud.

 Debating Club Offers Promising Future

The debating club at Ursinus which has been revitalized since last year has much promise for the future. Sponsered by Mr. Vannucci, it attracts students for the coming school year. The election held no surprise for the coming school year. The election held no surprise for the pre-sident of the class of 1968, since Mrs. Danald Kirk will return to the same position.

Although there have been many (very) suiutes and attempted suicides at Ursinus over the years, I think that the pressure on the students is not in any way being released. Student suicides are more frequent at Ursinus than at any other school across the nation, with MIT being the most student suicide death prone.

On receiving newspapers from other colleges, some have chosen to make it a tradition to share the stories of student suicides. Some of the reasons suggested by those in the media for the increased pressure were more and more students, the dual social and academic pressure, and the growing number of students attempting suicide. Whatever the reasons, I do not feel that the stories on student suicide will cease anytime soon.

First of all, let us look at the academic pressure situation. Granted, that many of us are bored by our achievement accommodations. We are bored by the opportunity to reach new heights as a society, and we feel that we have not achieved anything. This situation is not necessarily our fault, and it is one that we and our parents must face, as we have to do all the time. This must be a situation that we and our parents must face, and it is one that we can all face out.

Almost all of the students at Ursinus have the same attitude, we feel, toward academic pressure. We are bored by the pressure, and we feel that we have not achieved anything. This situation is not necessarily our fault, and it is one that we and our parents must face, as we have to do all the time. This must be a situation that we and our parents must face, and it is one that we can all face out.

Before writing this letter, I read an article about the life of a student who committed suicide. The student was a freshman, and he committed suicide because he was unable to get into a fraternity. The student was not interested in getting into a fraternity, but he was forced to do so in order to meet his social obligations. The student was not interested in getting into a fraternity, but he was forced to do so in order to meet his social obligations.

The student was not interested in getting into a fraternity, but he was forced to do so in order to meet his social obligations. The student was not interested in getting into a fraternity, but he was forced to do so in order to meet his social obligations.

THE LANGUAGE LAB: How To Make It Work

Second semester saw the introduction (or rather, reintroduction) of a new program, replacing the language lab. The lab was created to help students who were having difficulty studying the language, and to provide a place where they could practice discussing or working on their language skills.

Placements Tests Needed

For a student to be placed in a language lab, they need to take a placement test. These tests are used to determine the level of language proficiency a student has, and to place them in the appropriate level of language instruction. The tests are designed to be as fair and objective as possible, and to provide an accurate indication of a student's language skills.

That's all for this week's installment of "How to Make It Work." Next week, we will be taking a look at the practical aspects of language learning, and how to get the most out of your lab experience.

- Janet Henske

Smart Indians Taught Them "How"

Authentic in every detail. Butter-soft upper leathers wrap around your foot - Indian style. Hand-sewn fronts, too. You'll go for the look of these genuine leathers, and stay for the comfortable feel and look of the genuine. Colors? The coolest! A WORTHMORE SHOE... $14.95

New Library To Be Constructed
As Part Of Building Bonanza

New buildings and major improvements to present facilities at U. C. dwell in a robust realm for the longest time, while the student body explores with "en-"gaging plums" promised for the future. This new library will be called as Wuerzer and Wilkinson have materialized, and there is plenty of proof that a new men's dormitory is being built now.

Rite of Spring Observed
Under Benign Influence

It is a warm day at Ursinus with the sun shining down on the soft greenswarded campus. What? Who goes there? What is that strange figure in the hallway wearing a robe, coat, shorts and blouses, etc? Why, it's going to and from the sunbathing areas. Should have known. Heaven forbid that co-eds should walk around in the halls, wearing bathing suits. Where is she going now? Oh, of course, the "PARK SIDE" of the un-adorned nude behind Poesch Hall. What do you know, she really is. This regulation also discourages contact with Sun worship and similar pagan practices, such as basking.

Having read and thoroughly enjoyed "Politics Regarding Sunbathing," I'm sure we're all looking forward to the next in the series, "27 Motivations for Judaic Life in Your Chapel Time," to be succeeded by a documentary, "Gad Greene's Bible in Real Life."
Rainouts Hurt Bears, Lose Three Games

A combination of bad weather and bad defense has eliminated the UC baseball team from the Middle Atlantic Conferences (Southern Division) title race. The Bears suffered three losses and three rain-canceled cancellations over the past two weeks.

In a non-league encounter with the Ursinus College baseball team on May 1, the Bears dropped a tough 8-7 decision in 12 innings. The Bears took a 2-0 lead in the first inning, but quickly found themselves behind when the Blue Hens poked up three runs in the fourth and fifth innings.

The score remained tied until the bottom of the ninth when a single by Bob McDonald tied the score, and back-to-back hits by Vicus Saccone and Byr Jay Jessop propelled Ursinus into a 3-2 lead.

Eighth inning pitchers John slik Miller squared up a seventh inning run in the eighth inning, and UC went out in the ninth with an apparent safe 7-5 advantage.

Two singles and a home run promptly cut the edge to 7-6 and knowing that only one out remained the hitter, Mike Windahl walked and a single off reliever Bill Hurley brought the tying run in to tie the score at 7-7.

UC cut the lead to 2-1 in the fourth on a two-out hit by Warren DeDenise, but was as close as the visitors came.

Two singles off Bob McDonald started the sixth rally by the Bears, but only one ball out of the infield off luckless starter James Capocci.

Havender added an insurance run in the seventh inning, scoring two more runs in the ninth on double by Viv. Saccone and Henry with a single by Pete Shuman.

And it was to them that he had to be a fine XI effort that pushed off the way with.

Other individual winners were shinny, 140 yd. dash. Joe Zehner of the 440 yd. dash. Joe Zehner of the 69 yd. dash. John Keen of the 60 yd. dash. and a member of the winning team in the mile run. Greg Stump of the Bears was the top performer in the shot put. Phil Jenkins of the independent team in the javelin, Tom Leskiw in the high jump, and finally Mike Holod in the hesabı of the Bears.

Individual performances were prominent, with one double winner, and one record breaking performance. Joe Corvias of UC walked off with 100 and 220 yard hurdles, as well as the only double the winner the meet produced. The 100 yard dash was run in a record time of 9.91 seconds.

Girls' Net Win, 3-2, Evans Year's Mark

On Tuesday, April 9, the Ursinus Women's tennis team defeated the Davidson College Nobles by a score of 2-0, 3-2 to take the season's record to 2-0 for the first time in the series.

The Bears scored 20 points to finish tied for fourth in the M.A.C. college division.

The Bears also defeated the university's top four players, losing only two matches. The Bears took a 2-0 lead in the series, but accumulated most of their points from the third and fourth matches. The Bears have won the singles matches, which have been played in a five-set format. The single match Sunday, unfortunately broke the school record in a first-place finish.

The team beat the University of Delaware's Blue Hens and placed in the semifinals.

Friday, May 5, the renewal of the annual XI sponsored track meet between Ursinus College and Drexel University was cancelled due to weather.

The meet had been discontinued after 1963 because of a lack of participation and interest in the meet this year.

The event was a part of the middleweight class and was presented by the M.I.A.A., which is the governing body of the 50 teams that make up the meet and were all members of the Philadelphia track league.

The team that won the competition finished with a score of 164, followed by the University of Pennsylvania with 167, and finally Ursinus with 164.

The teams were each represented by a variety of athletes, including the University of Pennsylvania's record holder, who stood in a tie with 164 points. The meet was over.

The final team results were: Ursinus 164, Drexel 167, and Pennsylvania 164.

The score was too close for a new track at Collegeville. In this has been the most disastrous season, unofficially broke the school record in a first-place finish.

The teams were held up by the University of Delaware's Blue Hens and placed in the semifinals.

Thursday's game, scheduled against West Chester, was postponed by rain Wednesday.

On the history of the Bears, the score was 2-0.

The Bears were defeated by Swarthmore in a 7-2 fashion, following a 7-2 in the ninth on doubles by Bob McDonald.

The Bears were defeated by Swarthmore in a 7-2 fashion, following a 7-2 in the ninth on doubles by Bob McDonald.
Debating Club

(Continued from Page 1, Col. 4)

The job of the negative team is to be prepared to meet any possible judge then come into play. Debbie had to right the mix, all right! Terry. The opposite team had an other fantastic success, Mitch isn’t coming back on to your Congrat to Harry Henry for plugging in last wheel. What the story with Greg and July? They’ve never been more is not the case that he’s engine “Diamond Ring.”

Delta Mu Sigma

Delta Mu Sigma would like to extend an invitation to all of its for their third-place finish in the JFL meet two weekends ago, we have a couple or good laps. First there was no pole vault, an event in which high school boat Bob Gates says he would have been a very favorite. Second, and much more importantly, it was not a javelin throw, an event in which high school boy Bob Dixon was to represent the invocation logic, we planned to have Chuck Burton inspire our three, each acting as a target.

Joe Harg is sold his stick—concessions to Rice-Pecos, and several brothers claiming their work to be a real fair, have asked when we can expect to start selling.

All the brothers are eagerly anticipating our next meet with Phi Psi, which has been tentatively scheduled for February 27, 1974.

We can’t wait.

Vacations

(Continued from Page 1, Col. 5)

make short trips to Switzerland and Austria, remaining in early August to attend the Bayreuth Festival and to visit the music of Wagner.”

As the Staggers settle in Madrid, there will be much time to be spending down the Rock of Escoliti and on the Spain Valley traveling in and around Cologne and heeding for Amsterdam, where we will find them first at the August 2nd will find them boarding a home-bound plane.

From September to mid-November, by motor-antique and touring, the Staggers will see parts of the Balkans, the Middle East, South America, Central Europe, and the Netherlands. By the end of the month they will have reached New York Island, their vacation (if any) in the West Indies, their last stop prior to homeward traveling. They expect to be home by late February when the season begins for the next year.

1975 Apollo with "Yellow" bar. unequivocal that those who had no reason to vote against any negative side would be the ones to vote for it. Russet stated that he hoped all sides would eventually be mollified, but the person who actually had no negative feelings were few because the people who voted were not familiar with the proposed document.

Problems yet to be faced are the inclusion of an appellate system, ensuring the administration that a student government is indeed necessary and effective, organizing the document’s implementation, and getting used to a cordial judgment.

Despite the fact that Ursinus is not a democracy, the Weekly would continue to inform all students about unfamiliar with the constitution and to know one’s rights’
