THE WHITE HOUSE WASHINGTON

TO THE GRADUATING CLASS URSINUS COLLEGE, 1967

It is a pleasure for me to extend my best wishes as you complete your college education.

You are graduating into a society in which you will be warmly welcomed. Your country has enough problems for highly educated men and women. Never have young Americans moved from the college campus into the total range of opportunities for individual fulfillment and contribution to the welfare of our society.

Your generation of students has been distinguished by its fresh and vigorous concern for the quality of American life and its commitment to American democracy. Perhaps the greatest opportunity awaiting you is the challenge to make this a life-long commitment.

Today, Americans of all walks of life are striving together to shape a society that can offer a meaningful and rewarding life to all its members. Never have so many of our problems been so deeply dedicated to eradicating the old evils of ignorance, pov­ ery, and crime. It is a responsibility for you to fashion a world that is worthy of your ideals.

Through your years of study, you have prepared yourselves for positions of leadership in this quest for a better America. I congratulate you, and urge you to take full advantage of that opportunity.

Sincerely,
LYNDON B. JOHNSON
Second Year For "I Madrigalisti" Brings More Performances, Renown

The Madrigal spirit at Ursinus experienced a quickening of the pulse this year as "I Madrigalisti" were warmly received by academic and professional audiences in southeastern Pennsylvania.

Formed two years ago, the group has found its efforts rewarded by an increasing number of engagements which this year included recitals before history classes of campus, the Choo-Mont Music Teachers' Association, the Reading Music Club, music enthusiasts at Lafayette College, and organizations representing at the Music Activities Banquet.

The three appearances at Lafayette included a recital of madrigal spirit of music, contributions to the Roman Catholic service as well as to the Protestant Church services.

Congratulations to the new Delta Phi. President: Slim Cawthray, Vice President: Bob Broderick, Treasurer: Andy Magoffin.

Delta Phi was founded at the Eastburn, Corresponding Secretary. Also noted that Delta Phi has the added distinction of being elected the first student president. The dinner was open to the Delta Phi dinner. The new officers were installed, and honored guests were introduced to the new officers, department, and Dr. Hellmam, who graciously attended. It is time for all of us to be so honored. Congratulations, Gary.

Sawyer was honored by the seniors of Delta Phi were honored with dinner at the Red Fox Inn. The dinner was given by the Alumni, and apparently it was an evening of fun and refreshments from the seniors to the Alumni.

Phi Alpha Phil EPSilon

The APS welcome the best of the seniors who plan to meet the APS and the ASP. port, Jay Cohen, and Barry Rauscher in the Senior School. Don’t worry about it, though because Barry Burgess prepared you well. Wait Irvine looks forward to a fantastic year and a learning mathematician to help Delta Phi.

I think it took five years to graduate, well be 50 before he eats. Bob Blake will teach at the Drexel Hill Junior High. That should be interesting. I think he’s waiting to hear from the Air Force, or something. Western Electric I think is good, and so looks to use his own ears. I think Butterly and Chuck Kaufman.

Sigma Phi Lambda

It’s disgraceful how the Bob boys go by every summer and leave half the bottles in their rooms. The way they pollute the Perks with their leaving, the way they treat old Joe Lee, the way they treat U.C. girls like U.C. girls, the way they raise all organized hell. Why can’t they learn that every time men like the Beans or use their own power, they should be instead of support our umbrella teams? I think that shape up next year, especially those faculty members in 1-3-B-3 of the Math Club. (Co.)

Tom was the first time Doris was notified for following a detailed plan for next year, but he did it in a big way.

Delta Nu Sigma

Congratulations on making the college career successful. Harry also re- 
ments that Marilyn thought Frits was good, but it was only good. No more.

Bob Malcolm has announced he is planning a testimonial dinner for Ed Gooding. People interested in attending may contact Max at 312 Wilson
