KKB
The KD girls are back! The sisters wish to extend their sincerest gratitude to everyone for coming to the annual informal party given in their honor. They would also like to extend their sincere thanks to everyone who has decided to return the favor for upcoming events. Their appreciation for all is greatly appreciated.
The girls are looking forward to extending their club a new tradition. The KDs will start a new event right after Thanksgiving break. The event is called "KKB: The Search for the Golden Ticket." The KDs will be searching for a golden ticket that contains the code for "the Golden Ticket." They will then invite the sorority to join them in the search for the code. The KDs will be giving away prizes to the first sorority that successfully solves the code.

Pat Back another sorority for mediating. The girls are looking forward to working with the new group.

Ur big fund raising projects included a campus tradition. The girls sold movie-themed hot dogs and boxed lunches under a "Movies" banner which was put up on Patman Pond. Our sorority has a seasoned green and gold fan base at this event. The event took place on October 18.

Our pledge learned of the pleasures of writing letters. They did a wonderful job and wrote letters to the next pledge. The letters were a great success and the pledges enjoyed songs and other fun activities. This event has helped strengthen our inter-sorority friendships.

The sisters are looking forward to their most important event of the year:
