EDITORIAL

For Support and Entertainment

As the football season has now come to a close, it is time to give some praise to those students who worked so hard to present half-time activities. The students and members of the band extended congratulations for their efforts in presenting entertaining half-time shows. The Band of Ursinus in the Valley_Hills, I hope that it will continue to grow. To Dee Schmidt, captain of the letterman II, and the entire staff, we extend our wishes for a happy Thanksgiving to the Ursinus community.

Lack of activities on campus has diametrically opposed to the most pessimistic. Students or Ursinus faculties should put away their complaints and hope for the future. It is hard to look at the past with the knowledge that it will continue in the future. To Dee Schmidt, captain of the letterman II, and the entire staff, we extend our wishes for a happy Thanksgiving to the Ursinus community.

A special request is made to all the students and faculty who support the proposal of adding a new cafeteria. The students and faculty have expressed their wishes for a new cafeteria, and it is hoped that the proposal will be implemented in the near future.

New Cafeteria-Style Breakfast Revolutionizes UC Eating Habits

There has been a revolution in the eating habits of Ursinus students during the past week. Breakfast was served cafeteria style, for the first time, on Sunday, November 18. An overwhelming success, the breakfast lasted from 6:00 a.m. to 8:00 a.m. on days and 8:00 a.m. to 9:00 a.m. on weekends.

By Joseph Lynch, cafeteria manager, a working hard to ensure that a varied and popular menu will be available to all students. He has hired new staff to help prepare and serve the food. A new system has been devised whereby the hot entrees are prepared as they become available, and cold entrees are more palatable.

Appreciation for this help is extended to the staff of the cafeteria. A special thank you to Mrs. Petersen, Gary Miller, and Mrs. Smith.

The Western Union

Thanks to Faculty

Last May the Inter-University Senate, in agreement with the suggestion of amending our constitution, voted to allow the факультет to be elected. This measure was adopted by the faculty for the first time in January, 1965. By February, the faculty was elected for the first time.

Speaking to the faculty of Ursinus, the I.C. professor would like to thank the faculty for introducing the new system. Speaking for the faculty, I extend our appreciation to the faculty and the students for their support.

Respectfully,

The I.C. Professor

Can Hold Heads High

Dear Editor:

I guess it’s hard to pay tribute to a football team that lost all of its games but one. Yet, I don’t think it’s because Ursinus wasn’t competitive in 1964. P.A. fans might say, “How can you go to Wielsch and lose? the team knows it can win but they can’t put it together. It’s a young team body straight in the eye when they meet a team that hasn’t won at all yet. I can only say that in the future if I tell that we were 1-9 I’ll hold my head high. This one victory remained in mind through the season.

Sears, Roebuck Grant...

President Halpern said, “The Sears, Roebuck Foundation has not only helped us but has a special emphasis on education. The goal is to make the most of the minds that are available. We are responsible for the financial stability of higher education and our job made easy by the availability of funds for the educational improvements that we’ve given.”

In addition to its grant program, the Foundation is planning to spend $750,000 for a research center on the campus. The center will be located in the old gymnasium.

Thanksgiving Meditation

The team recruited its members from all the classes: freshmen, sophomores, juniors, and seniors. The team members work on their own and are not paid. The team prepares for its next game by studying the opponent’s strengths and weaknesses. The team practices twice a week, Monday and Wednesday. The team is not concerned with the outcome of the game but with the enjoyment of playing the game. The team members are all students and are not paid for their services.

Team Prepares For Upcoming Debating Season

Recently, Law Enforcers in the United States should be aware that the right to freedom of speech and the press is a fundamental right. The freedom of speech and the press is a fundamental right.

F&M Soccer Shades Bears

Last Friday afternoon — exactly one year since the upperclassmen team and F&M soccer team ventured to play the Bearcats at the end of last year's 4-3 overtime loss and emerged victorious with a 4-3 margin.

The Lineup

The game started slowly with the Bears at the end of 22 minutes. A combination of good F&M defense, and some UC mistakes kept Ursinus' hopes alive in the third quarter. F&M's centerfield was not idle throughout the week. From the right side, the Bears entered a successful drive inland for an early goal. The Bears led 2-0 at the half.

F & M Final Effect

The Bears went on to win 4-0 in the final game because of an early goal. The Bears outscored the Diplomats 1-0, and the Bears defeated the Diplomats 4-0. The Bears were the only team to have scored in the final game.

**APO**

The Blowout of APO enjoyed their first dinner dance of the year. On Saturday night the Country Club was a great success. A large hand was on hand to supply some great music and things seemed to get better and better.

Word has it that Ron Beck had a dance and everyone had a ball. Joy Surette lasted all night.

John Hebbels finally heard the evening bacchanal and will be pleasing our boys in Viet Nam. He is in the Poconos. Many interesting prank files were heard. "Rugby" dapper younger was the photo of the hour. The harvest moon was shining bright and out of sight and dark andmoon. John Hebbel is sure to wonder why his stomach aches.

Jim Earhart held a joke marath.

The word on the street was that a great basketball game was played. A Bobby lock was hot on the ball and had a breakaway. No little hitches. Remember, Bob, don't knock too hard on his door. He is a little slow. Always the right door. And John Hebbels is sure to remember.

Congratulations to the new Phi Alphas. Pho Alph. on the game. Bob Smith is an expert on the game.
