Mrs. Pancost Speaks for Traditional Color Day

The campus colors and their meaning was the consensus theme of the February 16, 1966, observance of Color Day at Ursinus College, with new female faculty members as well as transfer and freshman women students receiving the colors—three small cloths of blue, gold, and one of red.
In the Mail

Dear Edie,

If the UC football team's success has another season next year, perhaps that's just a sign that the school has adequate training facilities provided by the University. The weight lifting room at UC is more than a mere show of force. There is no question that the students are the only major difference between the weight lifting room at UC and those of other colleges—we have a lot of money, and money can do a lot of things. All we have to do is give them the proper equipment, and they will come. The problem is that the New Gym is completely wrong. Lifters must change their training routine to accommodate the new equipment. Games are being played on the new floor, and the showers are often held in the locker room. The floors are not large enough to work on, and the locker room itself is not used to the size of the new floor. It is time to bring the students back to their dorms to show them the size of the new floor.

Best regards,

The record of Ursinus wrestling team to date bears out the old saying about how much better the team is than it stood at this time last year when the Bears were en route to 1-4-1 season. Now that the team is back in the saddle after six weeks off, the Bears look hopeful of repeating that record and maybe even of going on to an 8-3 in the last time around for five seasons, "27, as Barry Glisson says, "we've wrestled the best three meets we have wrestled lately. I think we can go for an 8-3 season."

This year's squad is well balanced with four or five varsity candidates, two sophomores and four freshmen but it is the year that captain Frank Vietzke and the other seniors have been pointing for since their freshman year. The losses in Delaware and to Bloomsburg—both coming fresh off vacation lags mark the season but those are past and it is to the future that the Bear must look since this coming week is the toughest of their schedule. The Bears will have Tuesday night in an effort to average last year's 22-13 and then they travel to Philadelphia on Wednesday night against the fine Friendly Sociedad. The Bear team is looking for their first win of the season. The Bears will have to face Dr. Zeller, who has shown his potential in winning at a 3-1-3 record. The Bears have a chance to win but they will have to be at their best to do so. The Bears must look to their hard work and dedication to get their first win of the season.

Intramural Corner

The last game of the intramural season was held yesterday evening at 9:00 in the new gym. The Mozy Kings defeated both time and space and air space, two league winners. The Bear team defeated the Mozy Kings and air space 1-0.

The final score of the Bears against the Mozy Kings was 10-9. The Brothers defeated both time and space 10-9. The Bear team defeated the Mozy Kings and air space 1-0.

Kappa Delta Kappa Delta It's been an exciting week for all the sisters but the word event for this past week was all managed to make it a memorable one. 

Word has it that Jonas and Morgan are going steady. Have to admit that it was no surprise to anyone when Morgan got that something in the mail from Jonas. 

The Parent's Lounge in William was warmer every day this week. Many sisters are ready for warmth and friendships when it's time to have their final parties. Many are looking forward to the parties this week-end.

Friday night, before the dance when it was going. The social event of the year number one in the social bulletin. It was not far from here. Unfortunately we all could not be there. 

The regulations should contact Bob been so good this week, that it's radiator or cigar, but wasn't the Lyle "Who-who"? 

Piedmont was looking forward to BIG week! ny? Quite a show! Tonight is our great. wasn't it girls? We all looking for a tire. did anyone else? Give the job.

Jim Davis finally decided to head to Collegeville for activities included a surprise appearance at the dance floor.

We do our own Engraving.
