Mrs. Pancost Speaks for Traditional Color Day

The campus colors and their meaning was the con-
summation theme of the February 16, 1966, observa-
tion of Color Day at Ursinus College. As the new female faculty members as well as transfer
and freshman women students received the colors—three small pins or ribbons representing their ac-
tuality—vice-president of the Student's Parliament, Ruth Heiss, explained.

After reviewing some of the history and origin of the colors, Mrs. Pancost said that the "office of the University Chaplain to the Color Day service, for many years. **Freeeland A-Go-Go: A Retrospection**

If we ask ourselves what has been to date the most successful ruin of a typical, leisurely Freeeland week, an honest answer would be any one of the three Farley A-Go-Gos that were staged earlier in the semester.

But to the disappointment of many there were only THREE, a fact which has led students to point out that Freeeland isn't worth spending on campus.

The FOCUS magazine termed Freeeland a suit-case college and rightly so. Bus stops are crowded on Friday mornings giving evidence that some hope to make their week-end anything other than total oblivion.

Due to the recent efforts of both the IF Council and the Agency, this weekend's fatigue has not been as noticed as in the past. 

**THE WEEKLY** has done the best thing to re-create interest. Last week U.C. was preferred to a conference at the Freeeland A-Go-Go controversy. The results: overwhelming (99%) in favor of the dance, yielded much constructive criticism, besides reaffirming that such a dance was a success. But the attitude of the students was not the only problem that plagued the A-Go-Gos, the three dances were a rousing success. It is unfortunate that we, the students, weren't a bit more interested in the events.

The record of Ursinus wrestling team to date bears out the usual scare about our boys being beaten out by the other teams. The 1-0 record that stood at this time last year when the Bears were on route to 3-1-1 season has been repeated and the Bears are hopeful of impressing that record and maybe even of going to an 8-3 in the last quarter of the season. As Barry Quinn says, "we've wrestled the last three meets like we have been wrestling lately, and we can go as far as we wish." This year's point is well balanced with four of the six varsity men, two seniors, and four freshmen but it is in the year that captain Frank Vizel and the other seniors have been pointing for their freshman year. The titles at Delaware and to Bethlehem-both coming fresh off vacation layoffs mar the record but those are past and it is to the future that the Bears must look since this coming week is the toughest of their schedule. The Bears beat a team that Tuesday night in an effort to average last year's 22-11 loss and they travel to Philadelphia Saturday to meet the toughies. The lineup:

137 pounds-Fred Strudler, who has shown his potential in beating a 3-5 record last, 145 pounds-Jim Hoffmaster, a freshman with a lot of potential.

220 pounds-Mills Eure, another freshman with potential and desire.

Intramural Corner

The last game of the intramural gridiron season was played this evening at 5:00 in the new gym. The Moxy Kings defeated both time and space and captured the opportunity to play in the final basketball schedule 72-44, On Saturday, the LVC was defeated by a final score of 240-11.

The Bears, with a 6-4-1 record, and the Moxy Kings, with a 6-4 record, are still alive in the basketball playoffs. The winners of the final two basketball games will play in the final basketball schedule.
