Senior Symposium Tours Phila. Settlement Homes

by Susan Yest

Monday, February 25, the twenty-eight members of the Senior Symposium accompanied by Dr. Armstrong, the Curator, went on a field trip to the University Settlement, South Philadelphia. As part of their study of poverty the students were confronted, through the cooperation of Mr. Philly Rose, director of the Settlement, and a graduate of Penn, with the actual problem of a relief agency dedicated to helping the poor. The students visited each of the six Settlement homes situated in the South Philadelphia area where the staff directors outlined their programs explaining the special problems of their areas, and how they are intelligently handling them. The most important aspect these house share in common is that the symposium study of poverty was Western Community House, located on South Street and the first of the settlement homes. One of the programs being run by this settlement provides a hot lunch for about twenty children who, before that meal, were considered on the edge of starvation.

The First Of Many

These houses have found many special programs useful for the settlement. One of these, a program for unwed mothers, has been very successful. The program was started by a settlement worker and has fall with a limited enrollment were able to open in all semesters, but now it is running, and training some of the major problems facing poverty.

Poverty and War

During the spring semester the programs were concentrated on two broad topics, one of poverty and another of the war. The symposium was interested in the intersection of these two topics, but the sessions were separated in order to allow for focused examination of the problems. The program included a panel discussion on the war, political science, psychology, ethics, and the dramatics, which were the main topics used for the current semester, and the last panel discussion on the problems of the student. The national council of the United 슈미스 채터 노트북 Project will be shown at the symposium on March 21. The program of the Settlement, which includes an experimental group, in addition to these areas, includes assigned reading, and a period of study concerning the periodical assistance of the faculty from various departments, which brings together all the departments in the最好不要 study the problems, the program is under the direction of Dr. Cyril B. Cramer, the head of the University of the Curriculum, and Dr. C. C. Clarke, the director of the Department of History. The program has been very successful, and the group of students has been very active in helping the poor.

The Curtain Club Presents Spring Dramatics

The Curtain Club has many artistic productions planned for the year. Among these is a major production of "What the Social Services Program demolished the Local Government," by John F. Kennedy, who was president when the program was presented. The presentation of the play will be shown on March 21, 1966. The session will start at 8:00 p.m. in the Little Theater, and Mr. Blain, faculty advisor of the Curtain Club, will announce the time and location to the public in the symposium. The program will be presented in cooperation with the Curtain Club's "Who's Who in Playwriting." The Curtain Club will also be presenting a production by Mr. Blain and others, which will be presented on March 22, 1966. The program will be presented in the Little Theater, and Mr. Blain will announce the time and location to the public in the symposium. The program will be presented in cooperation with the Curtain Club's "Who's Who in Playwriting."

The backgrounds and personalities of students we accept are as varied as the upper classroom stamp them into a mold after they get here. Thus Mr. Dolman answers the common complaint that Ursinus studen—

"There are boys here whose fathers are railroad Conductor, mechanics, and handymen. We select the students we want to have them try to give us as much help as they may need. We must do our best. We accept $92,000 in scholarships and not depend entirely upon the wishes of the students, and Mr. Dolman, of course not of the students, too..."

But the College does discriminate. Admissions Office has generally better academic background of the students. Mr. Dolman noted that generally it is not uncommon to get more high school students who have what the applicant wants. And there is no such situation. Mr. Dolman pointed out a couple of cases that are the same for most fresh students. There are, of course, the rather bad set of school required courses. Also, "The College tends to interest students with some background in the upper half of the high school, but what the applicant wants, which is not required, but a rough guide..."

Apathetic students are from Pennsylvania. While it is not uncommon to get more high school students who have what the applicant wants, there is no such situation. Mr. Dolman pointed out a couple of cases that are the same for most fresh students. There are, of course, the rather bad set of school required courses. Also, "The College tends to interest students with some background in the upper half of the high school, but what the applicant wants, which is not required, but a rough guide..."

Mr. Dolman does not receive more than 100 applications a year. The impression an applicant makes on him outside the College is very important, especially Morti: "In all our interviews is very important, especially Morti..."

Swim Team Soaks Temple Drops One to E. S'burg

Squashing their way to a score of 54-14, the Ursinus swim team won another overwhelming victory against Temple. The girls placed first in every event, with the boys taking second.

Girls' B'Ball Team Drops Game to WC

On February 24th, the West Chester girls journeyed to Ursinus for their biggest game of the season. The game started off strongly, with Ursinus holding a slight lead over their "big sis," but that didn't last long. As if by signal, the West Chester girls began to click, and within a few minutes, WC took a 49-4 lead that was never to be broken. From then on, they held a lead of 8 and 14 points, with a final score of 71-47.

It seemed that U.C.'s main trouble was their lack of shooting and passing connections. Against East Stroudsburg, U.C.'s four forwards had each scored in the double digits, whereas WC's Ron Day was the only one to do so. Also, in the final analysis, it was found that West Chester had taken at least twice as many field goals as U.C.

Intimural Corner

The first week of intramural basketball saw a lot of action with the Firebird games proving to be the most interesting to watch. The following were the scores:

Freeland 32, 74-33 vs. Firebird
Hirnsch 36, 36-35 vs. Firebird
Lloyd 30, 26-23 vs. Firebird

The Jayvee boys also lost their first game. Scoring for Ursinus were Robby Glassmoyer who placed second in the 100 yd. Breaststroke, and Karl Likota who placed third in the 50 yd. Breaststroke.

BEARS MAKE CREDITABLE SHOWING IN MAC'S

This past weekend the Ursinus wrestling team journeyed to West Chester for the Middle Atlantic Conference Wrestling Championships at Widener College. Although their best placements were Fred Struthers' 4th place, bronze medal in a loaded 171 lb. division, the Bears' third place finisher also was a creditable one as they scored 14 points to place eighth in the 22-team field.

For a while on Friday it didn't look as though WC would eat that much as it was one by one by one WC wrestlers dropped their bouts. Although he won his 135 lb. bout with a decision over Tom Lichter of Muhlenberg, he was outscored 2-0 for the competition.

On Saturday night Fred Struthers tangled with David Mentzer for third place. Although he won his 171 lb. dual meet clash of exactly the same 5 lb. difference as before. In this case Mentzer repeated himself and Fred lost a 9-10 decision, but won a 10-point effort for his efforts.

On Saturday night the road ended for the hopes and dreams of three seniors. Only one filled even part of his hopes and for the other two it was a situation in frustration to look back on for years whose promises somehow, were never fulfilled with the same efforts—whether by luck or by the draw of the lot. For the onlookers on the sideline, as the saying went in Warren, "Walt lift next year!"

1965 - 1966 Wrestling Roundup

Three seniors ended their college dual seasons with creditable efforts. Tonight's Ursinus wrestling team defeated Muhlenberg 28-7.

Bill Bower of Temple, the third place finsher, and Fred Struthers, third place in the competition. Rich Baker wasn't so fortunate as he lost his weight class. After Mills Real's for-midable showing in the 130 lb. bout, he then dropped a decision to Brinsen (E'town) by 2-0.

**Sighos**

Sighos, Yes, well they sing Big B and the Semi-States on Saturday night. We plan on witnessing a lot of soul-stirring, soul-disappearing this semester. The boys are back in town, basketball is on, what a lucky break. We have two points in the third period under the basket, and we have to watch your back. Congratulations to all (of) our new additions to "Rho," and a special shout to Mills and Potter for theiruperformance on the Central M.A.C.s on Friday and Saturday.

**Bugs**

Bugsy is known as the best barber in this town. He’s been doing it for many years now. We can say that he’s the best barber in the area, and we know that he will always be here to serve us.
