The CAMPUS CHEST was a student-run organization that aimed to raise funds for various causes. The chest drive was an annual event that started in the 1960s and continued through the years. The chest drive was a way for students to contribute to the community and support various organizations, including local charities, international causes, and Ursinus College itself.

The chest drive was held on different days throughout the year, with various events to attract participants. These events included a race, a scavenger hunt, a picnic, and even a hayride. The proceeds from these events were used to support the chest.

The chest drive was a way for students to come together and work towards a common goal. It was a great opportunity for students to give back to the community and support the causes they cared about.

Overall, the chest drive was a successful event that brought the Ursinus community together and supported various worthy causes.
We Have — Have You?

This edition of the Ursinus WEEKLY has been handled exclusively by the Campus Chest Committee. As such, it further exemplifies the industry, co-operation, and dedication of this year's committee in its effort to make contributions to the three worthy charities as enjoyable for all.

Enthusiasm is the Keynote For This Year's Committee

The Campus Chest 1966 will be held Wednesday, April 20, due primarily to the efforts of its hardworking chairman, Barbara Young. Other members of the committee are Diane Lewis and Miss Blanche Schulte. Miss Schulte, a member of the committee the past three years, has been named chairman of the campus Chest Committee.

But, the committee is very active in other campus affairs. It has held frequent conferences with the faculty and administration, and has worked to bring about the formation of the Campus Chest Committee.

We should also like to give special thanks to the faculty and administration for the many hours of work given to this committee.

By Walt Trout

The 100 Campus Chest Contests revolved around Santa Maria Orphanage from Walt Trout, Dr. Donald Coats and former Colorado Governor Co-chairs. Walt, who is a native of Saigon in October of 1964, is an accomplished public speaker. The following passage is a complete

Greeks Support Campus Chest

Spaghetti, Shoe Shines, Soft Pretzels Scheduled

Sigma Rho Lambda

The Dayton's and Mason chapters of Sigma Rho Lambda decided to come home. The Dayton's chapter is under the direction of Bob (Don't mess with me) Gross who can always be found in the Rho office with a blessed beard. Some note about the Mason chapter is Dan (Do I Concat?) Cohon, Jon (The Original Way-He's probably dead) Turlington, and Bong (Sorry, I am not very sure who he is) Brown. Turlington takes in all the sports and is well known as a floor broker in the stock market.

On April 19, Sig Sigma will be offering their annual spaghetti dinner for the benefit of Campus Chest. Tuesday, April 19 from 6-8 p.m., in Wariner Banquet Room. Stuffed artichokes will be served with the spaghetti, salad, garlic bread and butter, coffee or tea and dessert. The brothers of APO have offered to serve as busboys and dishwashers. Only 200 tickets will go on sale tomorrow, and Sue Butler, committee chairman, reports that the kitchen has agreed to serve in the better of two locations, at 3:30 Support Campus Chest and get your ticket today.

Arts and Crafts will be the wares at Kappa Nu's booth for the Campus Chest carnival. Saturday, April 22, Ruth Buchman and Linda Merritt, co-chairman, have reported that many surprises and articles of interest to all students will be sold at this location. Be sure to stop by Thursday night.

Fresh pretzels will be sold after lunch two days next week. All proceeds go to Campus Chest.

Delta Phi Gamma

This year Delta Phi Gamma is Campus Chest efforts in two separate areas. First, the brothers have decided that we definitely have some of the ugliest guys on campus and we intend to garner "Ugly Man" honors for the third year in a row. Norm MacMillan and Ray Sill have agreed to serve as Ugly and Buff Churchill, Ugy Man of 1967, to make sure that Novel "Beak-low" Jackson is the candidate most likely to perform this year. Powder-room-stuffing, a new college craze introduced by the Delts, will take great strides in becoming widespread with this year's Campus Chest. A stuffing contest will be open in two categories this year, fraternal and sorority, and individuals, with great awards going to the greatest stuffers. Judges and rules are forthcoming with the advent of Campus Chest. We hope you've got big eyes peeled! There are many rewards to be gained from powder-room stuffing.

Phi Alpha Psi

Bring out those dirty shoes, yes, the ones on your feet now. Phi Psi stumblers are once again on the move for the support of Campus Chest--so no help needed from you. The big Perrotto's Pizzeria, 235 W. Ridge Pike, is on the job of making sure that nothing get's left behind. And for the first time, the Perrotto's Pizzeria will be offering the big Perrotto's Pizzeria special of $1.00 for 2000. This means that you can get a big pizza for only $2.00 instead of $5.00. So be sure to stop by Kappa Nu's booth on Saturday.

Drice Carefully—
The life you save may be your own.

Jesse, always disliked by the large numbers of blind children turned out to be sent over from Ohio, was not sure of his case's permanence, to leave school to establish his own school, thus pioneering in work for the mentally blind. Today the school, which is located on the grounds of the Boy's Industrial School in Ohio, is carrying on a project which provides education for Pennsylvania's mentally blind students.

It is not certain as to whether Drice is the correct name for the individual, but the story is told of a young boy who lived in the community near the school. The boy was blind from birth and had been taken care of by the school. He was always seen caring for the horses and helping with the chores around the school. He was a very intelligent boy and would always listen to the stories that were told about the other children who had been blind from birth. He was considered a great asset to the school and was always seen helping others.
