Junior Class Announces '69 No Ball Turnabout

WSGA Report On Women's Turnabout
By Pat Rodlmer

The Junior Class wishes to announce that, at great trouble and expense, it has secured the presence on campus of the well known local folk music group 'The Abominable '69 Man.'

Mr. '69 Man has agreed to appear at a large outdoor gathering on December 4. He will hold on December 4 from four to six o'clock in the gymnasium. The tickets, which are in demand, will be sold at the Main Office for $1.25. The performance is open to the entire student body. The proceeds will be used to provide funds for the upcoming spring vacation tour.

THE STUART, played by Charles with perhaps a little little help from the students, has no plans to reappear on the West campus. When asked what plans he has for the future, he said, "The future is uncertain at the moment." He explained that he was not sure what his role would be in the future, but he hoped to continue to perform at various campus events.

Debutantes Prepare For Temple Novice Tournament

The national topic which will be used for the tournament this year is preparing for its first appearance at the Annual Temple Novice Tournament at Temple University on December 4.

This year the debutante club is composed of thirty members, a group of which includes the twelve students who were elected to the tournament committee. The white coat was well-adorned with red flowers, and the complete line-up of the tournament committee was announced. The invocation for the tournament was given by the President, who lead the debaters in their opening statements.

The tournament this year is the first time that the debate team has been able to compete in such a large tournament. The team members are hard at work preparing for the event, and the spectators are eagerly awaiting the results of the competition.

Ursinus Students Attend Sherborn Collegiate Council

Ursinus College was represented by five on December 2 on the Sherborn, Mass., Collegiate Council. The meeting was held to discuss the development of the Sherborn College. The students present included Linda L. M., Fred S., and Mary H. Panel Discussion

The program included a talk by Mr. David Richel, who discussed the role of Sherborn in the development of the Sherborn College. His talk was followed by a discussion of the Sherborn College, and the students present were able to share their views on the issue.

Work Camp Topic Of Slide Lecture

Mr. David Richel, Executive Secretary of the Friends of the Social Sciences, presented an illustrated slide lecture in the Sherborn, Mass., High School on December 2. The lecture was well received and was enjoyed by the students present.

The lecture was followed by a discussion of the Sherborn College, and the students present were able to share their views on the issue.

Who's Who

Ten Ursinus students were signed to the Sherborn Collegiate Council. These students are: Ted B., John D., Fred S., and Mary H.

PANEL DISCUSSION

The panel discussion included a talk by Mr. David Richel, who discussed the role of Sherborn in the development of the Sherborn College. His talk was followed by a discussion of the Sherborn College, and the students present were able to share their views on the issue.

Drexel students, who presented an illustrated slide lecture in the Sherborn, Mass., High School on December 2, were able to share their views on the issue.

In our eternal quest for that with which we can find fault, or worse, in our mechanical routines, we tend to overlook the small, unrewarding, but worthwhile actions of those around us. Such is the case with the activities of our most capable library staff.

What could be more irritating to a time-pressed student than to try to obtain a reserved book from the library only to find that thoughtless students had taken without signing for it, so that no one knows who it has or, if ever, it will be returned? But times, thanks to the library staff, have changed.

Now, before one obtains a reserved book, a borrower must sign for the book before he may take it from the reserved book room (which may be locked when unattended). Over¬

night permission is attainable only after 9:30 p.m. And, if the book is not returned by 9:30 a.m. the next day, the student will be able to call on the book and hasten the return, plus a sternly enforced heavy fine for those paying the bills. But, worthwhile? Yes. Finally, reserved books are no longer a misnomer. Our editorial hats off to the library staff.

Hats Off!

Spotlight: UC Abroad

Student’s Stay In Stockholm

by Candy Sprague

Most students who desire to go abroad have a pre-mediated plan for this action. Carlson Ding-

nern, one of our students, had no such reasons; I wanted to travel, and that was the plan of his action. He spent a full week in Stockholm visiting museums, attending the University of Stockholm, and then took a tour of England. He described his choice on a three-hour plane trip as "the only way to get back to Europe after so many months." He returned to the University of Florida in August fifth.

Carlson said that the educational phase of his trip was, in his description, limited. He was, however, very excited by his experiences in the area of literature, art, social welfare, language, people and their language skills. Carlson re¬

vealed that his findings were of more interest to him than what he had expected. He felt that the opportunity to live in a foreign country made it possible to sub—

merge all courses even to the extent of substituting a fall year.

Most of Carlson’s classes at the University were conducted in small, twenty or less, and not in large lecture classes. He was amazed with the professor-student relation¬

ship and the fact that, under such a situation, very little emphasis was placed on grades or the social side of the college. Carlson found that most Swedes can speak English quite well and were willing to use it to help him. Carlson, many would rather have correspondence with people you talk to and to be able to communicate with you and your teacher without the use of your second language skills. Carlson re¬

vealed that his findings were of more interest to him than what he had expected. He felt that the opportunity to live in a foreign country made it possible to sub—

merge all courses even to the extent of substituting a fall year.

Volleyball League Begins

The teams are entered in a 1964 International Volleyball League competition. The winning team will receive prize money in the amount of $500 to the top team, $250 to the second team, and $100 to the third team. The league will be played over a period of six weeks, with games consisting of five sets, each set being won by a margin of at least two points. The team with the highest score at the end of the six weeks will be declared the winner.

Socecrmen Split 03 and 43

by Leo Rodts

The last time that the Beans had met the Bears, they were defeated by the Bears. However, in today's game, the Beans managed to split the game with the Bears, with a score of 3-43.

Breaks Help F & M

by Bob (Egg) Eby

The Bears were victorious in their game against the F & M Bears, with a score of 26-26. The Bears were able to take advantage of their breaks to score several points and ultimately win the game.

UC Drops Final Game To F & M, 20-6

There was no doubt in anyone's mind that there has been a problem for UC, as they lost to F & M. They tried hard to win, but in the end, they were defeated by the Bears.

Soccermen Finish Season With 5-5-1 Record

Les Rudinsky

The problem of putting together a team has been found to be the most difficult. With so many good players, it is hard to select the best team to compete. However, the Bears did well in their season, with a record of 5-5-1.

SLEEPERS

A new pattern and tradition has been set in the women's volleyball team. This year, instead of wearing the traditional white jerseys, the team has adopted a new look, with red and black uniforms. This change has been well received by the fans, who now come to support the team.

**GREEK GLEANS**

by Maryanna Murphy

Editor’s Note: Starting next issue all Greek gleams are being moved to a separate section. This will be written in such a manner that all students reading these pages are able to comprehend them. If a gleam does not come to life with this, or does not adhere to general standards of good taste and good manners, their Gleamings will be omitted.

**Alphi Omega Phi**

Last Saturday night the members of Alphi Omega Phi enjoyed a warm and cozy hayride around the hill, followed by a real fun gathering in the hall.

**Kappa Delta Epsilon**

Congratulations are in order for Betty West, who won the coveted Hesper Alpha pin. The pin was made by our own Beta Xi chapter.

**Kappa Delta Chi**

Congratulations to Jack Green, who won the first place in the recent speech contest. He certainly deserves the award.

**Sigma Omicron**

Congratulations to Jane Smith, who won the second place in the recent writing contest. She has shown great promise.

**Omega Chi**

Congratulations to Jane Green, who won the third place in the recent debate. She has shown great promise.

**Theta Chi**

Congratulations to Jane Jones, who won the fourth place in the recent dance. She has shown great promise.

**Sigma Phi**

Congratulations to Jane Brown, who won the fifth place in the recent speech. She has shown great promise.

**Sigma Phi Omega**

Congratulations to Jane White, who won the sixth place in the recent debate. She has shown great promise.

**Sigma Phi Epsilon**

Congratulations to Jane Black, who won the seventh place in the recent dance. She has shown great promise.

**Sigma Nu**

Congratulations to Jane Silver, who won the eighth place in the recent speech. She has shown great promise.

**Sigma Delta Tau**

Congratulations to Jane Gold, who won the ninth place in the recent debate. She has shown great promise.

**Sigma Kappa**

Congratulations to Jane Rose, who won the tenth place in the recent dance. She has shown great promise.

**Sigma Alpha Kappa**

Congratulations to Jane Blue, who won the eleventh place in the recent speech. She has shown great promise.

**Sigma Delta Chi**

Congratulations to Jane Green, who won the twelfth place in the recent debate. She has shown great promise.

**Sigma Pi**

Congratulations to Jane Brown, who won the thirteenth place in the recent dance. She has shown great promise.

**Sigma Phi Alpha**

Congratulations to Jane Silver, who won the fourteenth place in the recent speech. She has shown great promise.

**Sigma Phi Omega**

Congratulations to Jane Gold, who won the fifteenth place in the recent debate. She has shown great promise.
