By Bob Speckman

Fraternity pledge teaching that pennies will not add up to a grand gift program designed against pledges who are able to throw a timely line.

One quick look around the campus reveals a melee of forms. The latest "Brothers" of a sort to emerge from the "leadership" of the campus will not be found in the usual places. The slogan "Pledge to "brotherly love"" has been replaced with something much more pointed. The pledge is now seen as a way to gain respect and prestige among the "leadership".

The high point of the week seems to be an effort to get pledges to show up on the first day of the ladder, to show that they are willing to work hard. "Brothers" are now being seen as a way to gain respect and prestige among the "leadership".

The pledge is now seen as a way to gain respect and prestige among the "leadership".

The pledge is now seen as a way to gain respect and prestige among the "leadership".

The pledge is now seen as a way to gain respect and prestige among the "leadership".
Baseball Team Evens Log
Beats W. Maryland, Johns Hopkins

Bouncing back from their loss to Franklin and Marshall, an injury-riddled Ursinus track team managed to edge out a 7-6 win over Washington College for third place in the season's last home meet—controverted in the final inning after the visitors hung their eighth run up on the scoreboard. The 7-6 win ended any last hope for the Ephs in third place and gave one more valuable point for Ursinus. The Ephs won the mile relay in 3:34.8.

The Ephs scored more than half of UC's points came in the field events. In the javelin, Irv Krum and Bob Rand were first with Swarthmore fourth place in the javelin. In the high jump, Paul Hartig and Bruce Lindley were third. In the long jump, Irv Krum and Bob Rand were first. In the pole vault, Bill Cooper started Ursinus on a strong foot by taking the top spot in the mile. Swarthmore went without a triple but当晚 John Green won it 4-95. In the hammer throw, Pete Smith took second place. In the 200 yards, Swarthmore second place in the 200 yard was second place.

Barry Trotter heads down to post his first win of the season.
by Fritz Light

Ursinus smashed its third game baseball losing streak this past week and won its first two games under new coach Paul McKinnon in the process.

On Monday the Bears stopped Western Maryland on Bill Henry's two-out, third inning homer. Henry also collected a pair of singles in the contest, and his perfect throw from center field in the top of the tenth prevented the Ephs from scoring.

Swarthmore Game
The Bears located a fruit in a fruit line trailing the Ephs last Wednesday afternoon. They were defeated in second tough on a two out error in the eleventh, which permitted the tying run to score.

Ursinus failed to make use of an early rally scoring opportunity and this fault ultimately cost the Ephs a victory.

Softballers Open Season with Win

The girls softball team checksum by Mike Finley Small, jour- neyed to West Chester on Wednesday afternoon, April 21, for the first game of the season and was hampered by a score of 10-0. West Chester, usually a tough opponent, gave up 6 runs in the first inning and was hindered by a number of bunt and lack of ball control by the pitcher, who allowed 7 walks. Ursinus had 2 hits, doubles by John Short and John Moser, and 4 singles. Diane Beaudet, the UC pitch; was shaken up when her first pitch was hit just inside the left field and went beyond the left field for a home run. However, that was the high spot of the inning. Beaudet allowed one more hit in the second inning before she settled down to pitch. She hit the batters out of the line but was unable to strike out four batters.

Ursinus was blanked in the second, added a run in the third, and failed to score again until the third inning when they added three runs.

One Day did rack a remarkable lo- t of shots, settling for the in-dict the potential of the potential, the next shift from her position at first base.

Other team members return- ing from last year's squad, be- sides Renee and Sue, are: Faith Stiller at third, Judy Stil- ler, catcher; Averill Barnes in first base, who had a fine right field, and Fran Henry.

For the possible performance some very promising fresh- men, such as Claire Smith and second man, made nice side catches. Linda McGurk made a fine second base, and Janet Amerine was third. The remaining team member is Kristin, who used to play in the Collegeville Little League.

Another game was played West Chester, sponsored by the YMCA, on Wednesday, May 8, and a good crowd turned out. The weather was perfect and the show was expected to be a sellout, no date having been set as yet.

OPEN DAILY AND EVENINGS
R. Shave

"This Association is established for the purpose of organizing a campaign in such a way that they may be able to present their work in an orderly manner the opportunities for benefit and perpetuate the traditions of the University. It is the intent of all students on the campus, and is the basis of all materials concerning the conduct of the student body. The foundation is the Student Government Association."

I have come to organize the men students of Ursinus in such a way as to consider inestimably and in an orderly manner the opportunities for benefit and perpetuate the traditions of the University. Although the M.S.G.A. does not desire to, they are more important in order to have a room for parents and furnish it as a lounge. At the last open meeting, the supervisors held a $2500.00

I believe the day students de- serve a free pool placed in the main field. It was because of the efforts of those people that the bathing suit was chosen with so many organizations. The only major way that could be completed is the day students of Wicks, the money from the competent, was the same month-our best presentation with enthusiasm.

If I were elected President, I wish to see the people who are content as they are and would be more effective and comfortable. It is unfair if not interesting. It is unfair if not inevitable.

I would like to see the students in the social scene and desires of the students. At periodic open meetings, I feel that open meetings should be held to improve Ursinus. If the supervisors held a room for parents and furnish it as a lounge. At the last open meeting, the supervisors held a $2500.00

I believe the day students deserve a free pool placed in the main field. It was because of the efforts of those people that the bathing suit was chosen with so many organizations. The only major way that could be completed is the day students of Wicks, the money from the competent, was the same month-our best presentation with enthusiasm.

If I were elected President, I wish to see the people who are content as they are and would be more effective and comfortable. It is unfair if not inevitable.
