On the basis of the test given last Tuesday evening, twenty-three students have been selected as members of Ursinus' preliminary College Bowl Team. The selected students attained the highest scores within a group of students competing 130 taking the test.

Those selected are: Gordon D. Alex, Andrew Cooper, David McTavish, Bruce A. McEary, David O'Keefe, Robert R. Rutter, Susan A. O'Keefe, Charles W. H. Rutter, Philip R. Stackhouse, Christine A. Smith, and Harold Wilson.

All members of the College Bowl Team will have their first meeting with their coach, Mr. J. D. Kunkel, in the room below the Union dormitory on November 21, at which time further information and plans concerning the main purpose of these activities will be given. The reaction time of the students will be recorded in reply to an important question, to be used in deciding the specialization in particular subject fields among these.

Mock Contests

In the coming days, discussion preparation will be in full swing among the team members in preparation for the writing of the program and to get the team into the actual "give-and-take" of the program. These "give-and-take"s" will be used as additional material to the program of the contest on the basis of the program.

Monday's test will be written up on the part of the team, and the general students will do the same on the basis of the general students each time, helpful hints were to the program. It was the aim of the program to provide transportation. The program of the test was the number of students who participated in the program.

Quiet Please

Would you be able to help the MGOA to eliminate noise in the administration building and at the football games? We are being field by2 gun owners. Would you like to add your name to the petition? One hundred and twenty-four signatures on the petition would mean the start of a new era. This is a significant step forward. It would be a great day if you could sign the petition.

Christel Church

Can a college campus be a Christian college? I think not, and I am sure that most of the clergy who have been coming up with many answers must have agreed. The best answer that I can think of is that a college cannot be a Christian college at all, it should be on a purely educational base.

It can be argued that we accepted the ground rules of the college, when we came to Ursinus. However, this argument is not sufficient to be used as a reason for a lack of education. However, the arguments that we should take into consideration the reasons for such a decision are as follows:

1. There is a need for improvement in the curriculum.
2. The standards of the college are too low.
3. The college is not providing the education that we need.

It is possible that the college may have more power over the curriculum than we think. This kind of thought is what we are trying to avoid.

To Progress or Not to Progress

If you can decide on the progress of the college, you may be justified in not going to the college. However, if you can't, then you should take into consideration the reasons for such a decision.

HAPPINESS CAN'T BUY MONEY

With tuition costs rising steadily on the one hand, more and more undergraduates are looking into the student loan plan. If you are one such, you would do well to consider the ease of a Lehigh Bank loan.

Lehn, the son of an unemployed bank cashier in Straight-street Court, Montana, had his heart set on going to college, but his father, also, could not afford to send him. Lehn, though a bright student, was in no shape for college. But one day, he saw an advertisement in the local newspaper:

"Lehn, do you want to go to college? Then apply for a Lehigh Bank loan!" The advertisement was so persuasive that Lehn went to the bank. The underwriter was a sympathetic man.

"I understand your situation," he said. "You can have the money you need to go to college."

Lehn accepted the offer and enrolled at Lehigh. He worked hard, graduated with honors, and is now employed as a bank officer in his hometown.

Happiness can't buy money, but Lehn's story shows that with hard work and a little help, anything is possible.
Wilkes Grinds Out 28-8 Decision Over Bears

The Wilkes "Colonels" (1-0) flattened Ursinus' hopes of a good football season as the visitors blasted out a 28-8 victory for a large, enthusiastic Parents' Day audience. The Wilkes conquest marked the first time that the Bears had lost a game in the three seasons since the formation of the Division III conference.

The ball was a dead heat as both clubs picked up six first downs and a total of 148 yards each in the first two quarters. Wilkes' superior line and hard-charging backs brought the consistent pressure.

The game began rather innocuously for the Ursinus elevation of the offense over the 80-yard line through the UC forward wall for a 12-yard gain and a personal penalty and a 15-yard gain by Mike Dreyfus to the 15-yard line. After a 15-yard penalty, both first downs. Freshman Paul Purta dove to the 1 yard line, but Ursinus was again penalized, this time 15 yards and fell into the end zone. The ball belonged to John Ursinus' extra point was wide of the goal post, bringing the score 0-0 through 2 quarters.

However, the first up Bears were determined to put on a good show for the home folks and went through a series of their own 10 play drive. Jerry Degenhardt,осmensive tackle, and Ronni Ritz, defensive tackle, were impressive. Wilkes to two points. Midway through the second quarter the Bears cut the score to 3-0 on a 23-yard field goal. The Bears were determined to put on a good show for the home folks and went through a series of 10 play drives. Jerry Degenhardt, offensive tackle, and Ronni Ritz, defensive tackle, were impressive.

The fourth period was a de- cision period. A hard-fought 2-2 battle ended in a 1-1 deadlock. The final score was 3-0. The Bears were determined to put on a good show for the home folks and went through a series of 10 play drives. Jerry Degenhardt, offensive tackle, and Ronni Ritz, defensive tackle, were impressive.
