Campus Chest Activities Will Begin April 6th

With the Campus Chest just two weeks away, the sororities and fraternities are busy making plans to help support the academic year, 1964-65.

The sororities have pledged their aid by selling soft pretzels, sponsoring a cake sale, selling raffle tickets, and an attendance display.

Tentative plans are being made for an Ugly Man Contest to be sponsored by ASPS. Many other activities are being planned in the sorority, and the campus at large. These include a penny mile to take place at 6 p.m. on April 9 and a benefit dance to be held on April 10 at 8 p.m.

The Campus Chest needs your support; participate in the fun and help make this year's campaign a success.

APO Seeks Funds
For Amplification System

The brothers of Alpha Phi Omega are sponsoring a campaign to raise funds for an amplification system for the APO offices. The system is to be used for any dance, athletic entertainment, or at other gamedays. The project has long been under consideration, as there is room for much improvement at the present time.

The brothers are asking various campus organizations for support. The money will be added to a collection box in the library and will continue until a substantial amount has accumulated. This money will be used to purchase any system of adequate size for our campus, and also a very exciting dance party. Any money contributed will be appreciated.

Second Summer Book Sale Announced

Second annual Book Sale will be held on Friday, March 26 from 3 until 7 p.m. in the Anderson Memorial Library. These books for 10 cents each are from the books purchased this year before the sale. Most of these books will be returned to the students during spring registration.

Students and Faculty Enter Talent Show

Spring Festival Chairmen Reveal Plans for Musical

A meeting held last Wednesday in the U.S. Senate Room of the Student Union for the purpose of introducing the Spring Festival to new students and reminded the old what the festival entailed.

The co-chairmen of this year's program, Bonnie Fisher and Allie Kellogg, led the meeting. They showed films of "Marilyn Must Fly" the show presented last spring and introduced Mr. Bortz, the director. His purpose was to show what the festival had been. Their explanation of what they hoped to make it.

It is hoped that this year's Spring Festival could be as a musical as possible, within the limitations of the budget.

Therefore, there will be opportunities for all types of entertainments. All volunteers will be greatly appreciated. The event will be held the Sunday following graduation. The show will be held on the stage in the gymnasium.

Ballet and Gaucho lined out forms which they hope all students will fill out. The Chairmen will give them all a show. It is expected that the show will be held on March 30. The musical will be presented by the Women's Social Service band.

The chairmen hope that all students will fill out forms, and if needed to help on various committees; hospitality, publicity, programs, sets, and properties. All students wishing to be a part of the festival are invited.

Students Organize To Fight Against Discrimination

The Human Relations Commission met last Tuesday evening in the Healy Building to discuss the policies at Togulaco College. All students expressed deep interest and concern for the problem. In the existing situation, Martin and his committee of three were informed to formulate a sample constitution for the college and to distribute it to other students who would also be writing to the college officials and to other students having interests in the situation.

The Commission is also planning to hold a weekend during which a student from Swarthmore College will visit Togulaco to talk about discrimination on the college campus and to discuss the situation with the students. The Commission hopes to gain further understanding of the situation and to aid the students in the problem.

The commission is also offering a scholarship to the student who is willing to come to Swarthmore College in the spring to continue the work begun.

Informal Rush Planned in April

Sorority Parties

The five sororities will hold their annual informal rushing parties for freshmen and interested upperclassmen after spring vacation.

These parties are designed to introduce sororities to the new students and to give sorority women an opportunity to acquaint themselves with the freshmen. Each sorority has assigned to itself a theme and dress code. The dress code is likely to be $1 expense accounts which may be used for refreshments and costumes. A skit is performed, sometimes statues or models may supply their own Bronze statues, bronze, and mannequins, but may have no other type of decorations.

The dates for these parties are: Kappa Delta; April 10; Chi Omega; April 12; Sigma Xi; April 14; Phi Alpha Chi; April 15; and Sigma Alpha Epsilon April 17.

This year there will be only one part of the set, as the whole theme of rush will be one of discovery.

Class of '67 Sponsors Coffee House Dance

The Class of 1967 presented their first dance last Saturday evening in the Student Union. The dance was for everyone. A Stage Door Coffee House Turnbuck was used to give the affair; music was provided by the Blondes, an enthusiastic rock - and - roll group. Decorations included a refreshment bar and table, arranged in a manner similar to a coffee house. As a result of the sale of refreshments, Dec. Andy Hill took care of the tickets, and the proceeds in charge of the refreshments.

Is Sex Education A Moral Issue?  

Kaffee Klatsch  

This week's Kaffee Klatsch is about sex education. The topic, of course, has been a controversial one for years, even before Dr. Baker, Dr. Baker, Dr. Baker, and Dr. Baker... Well, you get the picture. The question of whether or not sex education should be included in the curriculum was discussed under the banner of sex education, what should and should not be taught, and the issue of sex education in the public schools was left on that last question on the agenda.

Most of those present agreed that there should be sex education but disagreed as to the subject matter, much like the subject of sex education itself. One school favored a program of physiological and psychological knowledge while the other school was advocating a moral education. One thing was certain: sex education cannot be taught without some form of moral education along with it. Dr. Baker feels that morality is central to the discussion of sex education because morality is a concept that can be taught in our schools.

The school system is faced with the problem of teaching sex education in a way that is not only educational but also moral. The idea of teaching sex education in a way that is not only educational but also moral is a concept that can be taught in our schools.
